

## Cricket Feet Casting Producer Query Form

Thank you for your interest in the services of Cricket Feet Casting. After you have reviewed our casting philosophy at the Cricket Feet website, please fill out the form below and email it to [casting@cricketfeet.com](mailto:casting@cricketfeet.com).

Before we agree to cast any project, we must read the script. Please email the file in Final Draft, Microsoft Word, or PDF; mail hard copy of the script to the address below; or make arrangements to have hard copy messengered to our street address (available upon initial email or phone contact).

Further, before we enter into a contract for casting services, we'll need to discuss a few issues. Feel free to share any of this information right now on this form! :)

- ◇ Date by which you need to have your cast locked
- ◇ SAG contract under which you are shooting
- ◇ Whether your project is fully-funded or funding is cast-contingent
- ◇ Roles (if any) we can cast without auditions (offer-only)
- ◇ Film goals: festival circuit, art-house release, theatrical distribution, straight-to-DVD, international sales

Because we are frequently working on projects back-to-back, the more information you can provide, the better. We will immediately reply to confirm receipt of your bid request and script, and will also provide a timeline for getting back to you with a bid. Typically, bid turnaround is about ten days. Again, thanks for your interest!
