12:15:41 from Kristen Girard: Unless you are talking about spiritual things or about how two go within.

12:17:25 from Cindy Coats: What do you mean by partner work?

12:19:10 from Denise Ivanoff: Gemini moon, I can talk to myself and journal all day

12:19:27 from Denise Ivanoff: And sometimes I do

12:25:59 from Cindy Coats: I am franchising my business and looking for 2022 to be a big year... need to sell franchises.

12:26:18 from Jill Henderlight: go girl!!

12:31:30 from Kristen Girard: Possible topics ideas: How about one where we focus in on being visible in ways that work best for us. Or making money in ways that come naturally. Or looking at where we feel most effortless and most frustrated and using things to help with that. Making the most of what motivates us, reigniting motivation. What kind of schedules - might actually work with our energy and how to lean into that. Where our magic is.

12:32:04 from Kellye Rowland: That's so great Kristen

12:32:32 from Cindy Coats: My chart doesn't have decans - I have the blue notches but no labels for other signs

12:33:29 from Kellye Rowland: Cindy you have to render your chart in decans, which you can do if you want but have to select that option from the drop down menu

12:33:38 from Kellye Rowland: On astro.com

12:33:52 from Jill Henderlight: oh thanks, kellye. i need to do that too

12:34:06 from Kellye Rowland: I think it'll say "whole signs Chaldean decans"

12:34:41 from Cindy Coats: Thank you

12:34:45 from Kellye Rowland: 😊

12:36:24 from Kristen Girard: What is zodiacal releasing?

12:37:14 from Kristen Girard: And are there different kinds?

12:38:22 from Kristen Girard: Which would you recommend for Honeycomb? I've been wondering about his for awhile.

12:49:28 from Amelia Ornelas: This is my exact issue too. My 6th house is in Libra, ruled by Venus, which is in 12th house. lol

12:51:52 from constance Zaytoun (she.her): Kellye -- i totally get the inside out for those kind of systems!

12:52:04 from constance Zaytoun (she.her): it's the only thing that works for me

12:52:15 from constance Zaytoun (she.her): Denise, i mean!! sorry!

12:52:33 from constance Zaytoun (she.her): i was looking at Kellye

12:52:48 from Denise Ivanoff: It's OK lol!

12:53:10 from Kristen Girard: The more real world applications we can do with astrology, the more powerful the changes astrology helps us make for the better in our lives.

12:55:01 from Amelia Ornelas: And in the 7th house which is partnerships!

12:55:12 from Cindy Coats: My money signs are in the eclipse axes, but my taurus is 8th house and Scorpio is second house - opposite of Kelly

12:57:36 from constance Zaytoun (she.her): @jill -- i don't know you but you sound like my people & i LOVE IT! welcome, honey!

12:58:22 from Kristen Girard: For giggles it would be fun to do a formation session like grand trines, kites, fingers of god, and mystic rectangles and see how these things are showing up as energies in each other's charts.

12:59:58 from Kellye Rowland: Ohhh man Jill. Huge hugs

13:00:07 from constance Zaytoun (she.her): with you, Jill!!

13:00:34 from constance Zaytoun (she.her): what if it's us??

13:01:00 from Kellye Rowland: Not giving it energy anymore...so with you on that

13:01:18 from constance Zaytoun (she.her): yes, ma'am, Kellye!!

13:01:40 from Kristen Girard: Forgiveness work is a big Scorpio theme. It's one of the big ways we both go deep and get rid of things (including people like siblings we would rather not have in our lives).

13:02:33 from April Sugarman: Kristin, thanks for that about forgiveness. Good to know.

13:02:59 from Kristen Girard: Forgiveness doesn't mean that what they did is okay, or that we have to love them. It is really letting go of the anger and that frees us.

13:03:06 from Jill Henderlight: hahahha thanks everyone!

13:03:13 from Kellye Rowland: Yessss we need more Jill

13:03:18 from April Sugarman: Yes, Kristin, forgiveness let's US off the hook.
