13:05:38 from Marie Watkins: The whiplash of the tail is no joke!

13:05:40 from Kellye Rowland: my wife is scorpio rising hooo boy lol

13:05:53 from Kellye Rowland: lol

13:06:24 from Kristen Girard: Plus south node in Scorpio so extra bubble wrap!

13:07:59 from Melanie Weller (she/her): Is peopleing ever really a good idea? 😂

13:09:47 from constance Zaytoun (she.her): and then there's Halloween crazy

13:09:53 from Kasey McNulty: I'm going to be on vaca with some girl friends that week oct 26-31st...this should be fun

13:10:22 from Marie Watkins: Seems like a good time for H-ween actually, I can be witchy and blame it on Mars/Scorpio/Eclipse LOL

13:10:32 from Kristen Girard: So Scorpio and Aries energy in our charts and others are going to be extra wild with Mars in Gemini retro.... Hold on! Feels like Jurassic Park.

13:12:02 from Dayeanne (Daye) Hutton | she/her: love a motivation booster!

13:12:19 from constance Zaytoun (she.her): I like the more sex idea

13:16:35 from Jaki (she/her): hah, 2nd and 8th house

13:16:37 from Kellye Rowland: my MONEY HOUSES wheeeee

13:16:51 from Marie Watkins: Taurus 12 / Scorpio 6

13:17:05 from Yolie Porter: 3 and 9

13:17:08 from Sarah McLean: COOOOOL.

13:18:15 from Kellye Rowland: is it always characterized as "taking a hit" or can it just be intensity of any nature?

13:18:24 from constance Zaytoun (she.her): so the eclipse relationship with these houses means a ding in those areas?

13:18:43 from constance Zaytoun (she.her): so it could soar like a rocket?

13:19:03 from Kristen Girard: 10th north/ 4th south - If we are having to make BIG life changing decisions from moving to having to get a day job again - any tips for shifting these things to positive?

13:19:20 from Kellye Rowland: i dont know how much less money i cann have than already soooo... lol

13:19:43 from constance Zaytoun (she.her): so you'll get LOTS of money!

13:19:53 from Kristen Girard: Kellye I hear you.

13:20:24 from Melanie Weller (she/her): OMG we travel with our soul families on Saros cycles

13:21:42 from Joni: I check - the two we were thinking of can't blame their evil on eclipses

13:24:12 from Abby: DEAD

13:24:18 from constance Zaytoun (she.her): daddy has no arm sling!

13:25:28 from Kristen Girard: I baby talk to my Clydesdale and don't realize I'm doing it ALL the time. I don't even baby talk to human babies. It my steed ... can't help it.

13:31:50 from Melanie Weller (she/her): Here's the book -

<https://www.amazon.com/Predictive-Astrology-Eagle-Bernadette-Brady/dp/1578631122/cricfeet-20>

13:33:21 from Melanie Weller (she/her): I usually just go through this website that has the cycle info: <https://mooncalendar.astro-see.com/solar-and-lunar-eclipses-2022>

13:34:48 from constance Zaytoun (she.her): i'll need to catch this fun on the replay! bye, y'all!

13:34:53 from Kellye Rowland: by econ!

13:36:34 from Kristen Girard: 2nd - Virgo no planets ruled by my Mercury in my 10th; 8th - Pisces with Venus ruled by Jupiter in my 4th. Venus rules that 10th. 8th House keeps calling.

13:36:44 from Kellye Rowland: for me, 100% 8th house because for the last 15 years most of my money is literally from "someone else's money." (my wife)

13:36:51 from Dayeanne (Daye) Hutton | she/her: uhm I have Leo and aquarius and that sounds like a fight haha ... but probably Leo would win?

13:36:59 from Melanie Weller (she/her): 8th for sure

13:36:59 from Marie Watkins: 8th - am a 4th gen female entrepre

13:37:20 from Joni: Usually 2nd for me, but my investments and inheritance are kicking in for me lately

13:37:21 from Marie Watkins: My 8th is Capricorn/Saturn which is spot on

13:37:27 from Cindy Coats: I feel like 2nd house started, but now that we are franchising, isn't that other people's money?

13:37:29 from Kellye Rowland: and my 8th is scorpio

13:37:32 from Dayeanne (Daye) Hutton | she/her: Leo in 2nd house Aquarius in 8th

13:37:37 from April Sugarman: Idk

13:37:37 from Sarah McLean: Is it where most of our money is coming from? I feel like I'm 50/50.

13:37:44 from Abby: 2nd = Cancer and 8th = Capricorn. Ironically (or not so ironically) those are what my north and south nodes are in. Usually dominated by 8th

13:37:47 from Yolie Porter: How could I have both?

13:38:16 from Jaki (she/her): scorpio in 8th along with my venus

13:38:29 from Joni: mine are flipped - 2nd Aquarius, 8th Leo

13:38:59 from Dayeanne (Daye) Hutton | she/her: North and South Nodes in mine as well Abby

13:39:07 from Joni: So I get the deal based on what you said with Dayes

13:39:31 from Yolie Porter: That's totally me

13:41:09 from Joni: Mercury just hit me - I looked at the wrong column on my spreadsheet - I'm actually 2nd Sag and 8th Gemini

13:41:35 from Denise Ivanoff: I am flipped from Abby; 2nd house=Cap and 8th = Cancer

13:41:48 from Dayeanne (Daye) Hutton | she/her: I think 8th house has the bigger pull... Im constantly trying to make money that way and ignore the Leo 2nd house way

13:41:49 from Sarah McLean: Cancer 2nd house definitely saves receipts!

13:41:49 from Yolie Porter: 2nd Aries - 8th Libra

13:42:43 from Abby: Sorry, brain fart - why are we looking at 2nd and 8th axis? To see HOW we vibe with making money? Whereas 2nd/6th/10th are just our money houses in general ? Got lost!

13:45:29 from Dayeanne (Daye) Hutton | she/her: I need to work on both haha

13:46:23 from Kellye Rowland: i wanna learn how to get some windfalls by being Scorpio's sexy, secretive, and willful! haha

13:46:24 from Melanie Weller (she/her): My Aquarius 8th house has recently left me thinking I should have started a cult in March 😂 Maybe I still will...

13:46:42 from Dayeanne (Daye) Hutton | she/her: LOL MELANIE
13:46:51 from Dayeanne (Daye) Hutton | she/her: my Aquarius in 8th house will join that cult
13:46:53 from Yolie Porter: I have aries in my 2nd house, that's fire
13:47:07 from Melanie Weller (she/her): @Dayenne YESSSSSSS
13:47:50 from Kellye Rowland: My Venus is in 7th house/Libra/Air/Cardinal! Mercury conjunct Venus
13:48:03 from Kellye Rowland: *conjunct
13:48:10 from Marie Watkins: Venus in Aquarius - I don't really know how to work with Aquarius TBH
13:48:16 from Abby: Venus is in 2nd house - Cancer
13:48:16 from Denise Ivanoff: Love it, in real estate I am getting commissions, irregular; 8th ruled by Cancer - I am finding people their homes!
13:48:27 from Dayeanne (Daye) Hutton | she/her: Venus in (shocker) Capricorn, 7th house
13:48:32 from Melanie Weller (she/her): I have Venus in Aquarius too, Marie!
13:48:42 from Sarah McLean: YUP
13:48:51 from Joni: Venus in Virgo, 11th house
13:48:54 from Melanie Weller (she/her): Saturn in Taurus complicates it 😂
13:49:00 from Denise Ivanoff: I just joined the Discord and my user name was already Venus n Scorpio
13:49:46 from Marie Watkins: LOL and my ex was an Aquarius...it explains so much ;-)
13:50:08 from Dayeanne (Daye) Hutton | she/her: I love this story haha
13:50:08 from Melanie Weller (she/her): My mom is an Aquarius and I wish I understood what that meant years ago
13:51:04 from Jaki (she/her): LMAO
13:51:17 from Dayeanne (Daye) Hutton | she/her: Aquarius sun with Aquarius rising. sweet sweet amber haha
13:51:40 from Kellye Rowland: my venus is in libra so yeeaahhhhh
13:52:15 from Dayeanne (Daye) Hutton | she/her: Venus is Capricorn 7th house SO BUSINESS I cry
13:52:31 from Yolie Porter: I have venus in Aries
13:52:56 from Kellye Rowland: oh Daye....i cry for you lol
13:53:07 from Melanie Weller (she/her): My husband gets upset when I tell him if I had gone to the man store I would have special ordered him 🤔 #venusinaquarius. I said that's the highest compliment I could give anyone~
13:53:29 from Denise Ivanoff: Oh yes
13:54:06 from Denise Ivanoff: I can't even find half my stuff I hide them so well LOL.

13:54:56 from Dayeanne (Daye) Hutton | she/her: Kelley TY. Aquarius sun as well. Im so analytical with my feelings haha

13:55:04 from Kellye Rowland: <3

13:56:00 from Kellye Rowland: my sens eof smell is off theb charts!! haha

13:56:21 from Kellye Rowland: smell

13:57:50 from April Sugarman: I only cheat in my dreams

13:58:14 from April Sugarman: Only for actors on tv

13:59:37 from Dayeanne (Daye) Hutton | she/her: 🤔 just redid my alter for venus/Jupiter chart harmony!

14:00:37 from Melanie Weller (she/her): I recently realized I have spent my life making my house into a temple with all sorts of furniture from Asia - in the spirit of making the world a better place.

14:03:45 from Dayeanne (Daye) Hutton | she/her: being affectionate and seggsy literally makes me so uncomfortable 🙄

14:04:18 from Denise Ivanoff: This makes total sense to me.

14:05:06 from Kellye Rowland: daye: ❤️

14:05:20 from Denise Ivanoff: My husband will be happy to hear about this plan.

14:05:24 from Melanie Weller (she/her): That's my husband - Venus in Aries - makes so much sense

14:05:58 from Kristen Girard: If Virgo is your second house, is that a poverty indicator?

14:06:49 from Sarah McLean: 5th house is ruled by Venus, so, I guess lean into that?

14:07:44 from Abby: Oh, venus rules my 5th, too

14:08:25 from Kellye Rowland: i gotta run y'all ! take care everyone! thanks Bon!

14:08:37 from Dayeanne (Daye) Hutton | she/her: so with venus being in 7th... partnerships feels venus but contractual commitments feels more Capricorn and uncomfy for venus? so its good and bad? haha

14:09:23 from Kristen Girard: Saturn wants to build stuff - like shelves to hold your Taurus crystal collection.

14:09:36 from Denise Ivanoff: Venus in Scorpio is my 12th house too

14:13:22 from Dayeanne (Daye) Hutton | she/her: I have to run to a meeting - hugs to everyone!!

14:15:26 from Kristen Girard: Embrace your inner Wonder Woman - beautiful warrior for the light.

14:16:45 from Kristen Girard: Or the woman Captain Marvel protecting the earth.

14:17:07 from Cindy Coats: Gotta run, thank you Bonnie!!

14:20:25 from Kristen Girard: Thank you! Can't wait to watch the replay!

14:20:39 from Abby: Thank you! <3
