11:57:17 from Rana Rines (she/her): 🤣
11:57:31 from Sarah Page: My moon and Uranus are also conjunct - this makes so much sense!
12:05:31 from Bonnie Gillespie (she|her): Affectionate could also have been based off the Leo/Sag TIGGER energy.
12:07:46 from Kellye Rowland: how about just the playful shapeshifter?
12:10:05 from Rachel Lang (she/her): You could make small changes to the home... or change up your self-care routine
