- 11:36:56 From Bonnie Gillespie (she | her): If you'd like to share how you've been living out what you learned in the course, how the "after-care" is going for you, etc. But literally ANYthing you'd like to discuss is fair game. ;)

- 11:40:50 From Bonnie Gillespie (she | her): She's the one who changed the rules for Pluto.
- 11:40:55 From Bonnie Gillespie (she | her): Ceres
- 11:41:59 From Bonnie Gillespie (she | her): Ooh, I wonder what we're about to discover!!

- 11:47:13 From Bonnie Gillespie (she | her): You're doing your homework!!
- 11:47:13 From Bonnie Gillespie (she | her): :)
- 11:48:13 From Bonnie Gillespie (she | her): So this is when transiting Pluto squares your natal Pluto.
- 11:48:35 From Bonnie Gillespie (she | her): That means the degree is the same, in a fellow Cardinal, Fixed, or Mutable sign (depending on what your natal Pluto is).
- 11:50:14 From Rachel Lang (she/her): I love that - not good nor bad - just energy!
- 11:54:40 From Kimberly (She/Her): 🙌🏻
- 11:55:20 From Bonnie Gillespie (she | her): How "fickle" the moon is, in terms of energy.
- 11:55:24 From Bonnie Gillespie (she | her): Different vibe every 2.5 days.
- 11:56:20 From Bonnie Gillespie (she | her): Trine = 120°
- 11:56:26 From Bonnie Gillespie (she | her): Sextile = 60°
- 11:56:29 From Bonnie Gillespie (she | her): Conjunction = 0°
- 11:57:14 From Bonnie Gillespie (she | her): Good ol' Capricorn values over here in the patriarchy.
- 11:57:16 From Kimberly (She/Her): Thx for this Abby - my moon is also in 2nd house and is directly across from Jupiter (your journey is telling me so much about mine, too!)
- 11:57:32 From Bonnie Gillespie (she | her): Oh, Kimberly, that's great. You and Abby should buddy-system.
- 11:58:00 From Jill Austin: Will you say again what transits are and how they work?
