- 11:36:08 From Kellye Rowland: Amazing...I have to go back and look at my board and organize it better on Pinterest. I was so overwhelmed (with joy of course but still overwhelmed) so I haven't gone back to look at it again yet, I best get to it!! lol
- 11:43:59 From Bonnie Gillespie (she | her): That's the current transits in the OUTER wheel.

- 11:51:31 From Bonnie Gillespie (she | her): Remember, the 1st house is the only one for which we have NO co-stars!
- 11:51:44 From Bonnie Gillespie (she | her): That's why it can be considered a "selfish" house for transits. It's all about US then.
- 11:55:47 From Bonnie Gillespie (she | her): That's why Neptune is also a player in addictions. Filtering of the "toxins" like legal poisons (and illegal, of course, too).
- 11:56:10 From Kellye Rowland: Interesting...

- 12:05:21 From Rachel Lang (she/her): Yes! Transiting Saturn up in the 10th house. That's a time of career excellence and accelerated growth.
- 12:05:53 From Bonnie Gillespie (she | her): I'm reminded of Amelia's Nodal journey.
- 12:06:05 From Bonnie Gillespie (she | her): Cancer/Capricorn

- 12:21:25 From Bonnie Gillespie (she | her): 12th = requires intervention.
- 12:21:50 From Bonnie Gillespie (she | her): Remember, Saturn comes by and goes, "What is ESSENTIAL, here?"
- 12:21:59 From Bonnie Gillespie (she | her): It'll let you know where your structure needs tightening.
- 12:26:28 From Bonnie Gillespie (she | her): Both Venus and Jupiter in the 1st = big, optimistic personality that believes in "everything is possible, always".

- 12:31:22 From Kimberly Logan (She/Her): amen, sistah!
- 12:32:41 From Bonnie Gillespie (she | her): With a nice big trine to your natal Neptune, which is also in a dark house.
- 12:33:30 From Bonnie Gillespie (she | her): Neptune entered her 12th in 2012.
- 12:34:23 From Bonnie Gillespie (she | her): Outer planets transiting our inner planets = BIG effects.
- 12:35:07 From Bonnie Gillespie (she | her): Pluto's orbit is an oval. LOL
- 12:36:05 From Bonnie Gillespie (she | her): 2023 is an exact trine of transiting Neptune to your natal Neptune, Kellye.
