

Astrology for Creatives Live Zoom Chat 20 July 2022

11:33:16 From Kellye Rowland: omg i hope whoever it is isn't on the east coast! SO hot here

11:43:26 From Bonnie Gillespie (she | her): Trusting the NN in Sagittarius = magic, BTW.

11:43:37 From Rachel Lang (she/her): Yes! I love that, Bonnie

11:44:42 From Kellye Rowland: yuuup right now transiting Chiron is on top of my North Node in 1st house Aries...i've been feeling a lot of backwards walking to old coping mechanisms. And weird physical pain *in my lower back* which is interesting remembering what Rachel said a while back ab out what body parts/sides represent as far as the future/the past. So interesting.

11:53:27 From Bonnie Gillespie (she | her): And that's the theme in your convos about your marriage too.

11:55:41 From Kellye Rowland: Thalma I have the same issue w my wife, she pays for everything and I often also feel lots of obligation about that.

12:00:16 From Jill Austin: Love the idea of "Behind the Scenes"

12:03:44 From Bonnie Gillespie (she | her): Pisces Mercury doesn't NEED words.

12:04:22 From Tiffany Polite: A thought for Thalma: since your Saturn is in Cancer, it will always withdraw into the shell when not comfortable (resident cancer here lol).

Cancer is most comfy when it can love, care, and nurture, so might it be worth exploring a way for you to care (in a detached manner) for your fans/community in exchange for their support? Then it won't feel like you have an open obligation to them for taking their money...

12:04:23 From Thalma de Freitas: Yes, Kelley, is complicated not to feel I owe him

12:04:32 From Bonnie Gillespie (she | her): That inner censor is very Saturn (all that Aquarius rulership).

12:04:59 From Kellye Rowland: totally Thalma. me too. hugs. ❤️

12:06:05 From Thalma de Freitas: Thanks Tiffany, I'll take this note, it needs to feel right

12:12:15 From Rachel Lang (she/her): I'm teaching a transits intensive - 6 weeks long starting in August, FYI. :-)

12:13:11 From Bonnie Gillespie (she | her): Yeah, Uranus 9H!!

12:15:14 From Tiffany Polite: Rachel can you please share the link for info?

12:15:39 From Thalma de Freitas: I've been learning transits with the Moon and Astrology Podcast, would be nice to go deeper yes

12:16:30 From Bonnie Gillespie (she | her): Tiffany:

12:18:26 From Bonnie Gillespie (she | her): Shitshow
12:18:32 From Thalma de Freitas: hahhahahhahah
12:19:01 From Bonnie Gillespie (she | her): Not subtle.
12:19:25 From Bonnie Gillespie (she | her): "I'm not gonna live a small life anymore."
12:20:02 From Bonnie Gillespie (she | her): For now, it's small.
12:20:05 From Bonnie Gillespie (she | her): For now, it's side.

12:21:39 From Thalma de Freitas: I love this concept so much Bonnie!
12:21:41 From Rachel Lang (she/her): Just "Soul Cartographer" = 8
12:23:07 From Thalma de Freitas: where do you see numerology online @Rachel?
12:23:14 From Jill Austin: I already want to know your Enneagram type + MB + North Node!
12:24:32 From Sarah Page: Social 8, ISTP, Taurus NN 😊 Plus mani-gen 6/2
12:24:41 From Sarah Page: Give me all the typing systems
12:25:21 From Jill Austin: Why commercials? Is it selling something that doesn't align with you?
12:26:06 From Bonnie Gillespie (she | her): Jupiter enbiggens all the things.
12:27:13 From Sarah Page: OMG it's so true with Jupiter in my first right now
12:27:29 From Bonnie Gillespie (she | her): Authentic self.
12:28:49 From Rachel Lang (she/her): Also, Saturn opposite Mars is a slow-down in energy... it can be. Sometimes, it can be stiffness in joints or health concerns
12:29:03 From Rachel Lang (she/her): Oh! My transits class:
<https://rachellangastrologer.com/classes-1>
12:29:56 From Jill Austin: Love this: I'm changing my no line!
12:32:00 From Sarah Page: Rachel, will the transits class be recorded if we can't attend live?
12:32:30 From Rachel Lang (she/her): Yes, Sarah!!
12:32:44 From Remy O'Brien: I'm at work and can't talk. Is there a way to look at transits and houses in conjunction to hormones. I feel the more I learn my chart the fuzzier it gets and I've been a fucking mess all year.
12:32:53 From Thalma de Freitas: Many blessings to you Kelley, you're right choosing who you want to work with, you got nothing to loose

12:34:13 From Bonnie Gillespie (she|her): You can get physically sidelined or you can get the memo and redo your NO line ahead of the injury.

12:34:33 From Rana Rines (she/her): OMG! That's me my whole life. Physical manifestations to force me to slow down... in other news, I have to change locations... gonna switch to my mobile device 😊

12:36:25 From Kellye Rowland: yes grateful I get the message sooner rather than later. And thanks Thalma.

12:40:14 From Bonnie Gillespie (she|her): Chiron = enmeshment wound from early childhood.

12:40:41 From Bonnie Gillespie (she|her): Aquarius = how you're different... and it's in 9H = publishing.

12:41:16 From Remy O'Brien: she's fascinating

12:41:27 From Bonnie Gillespie (she|her): IMP ACT

12:45:44 From Bonnie Gillespie (she|her): Saturn also opposing your chart ruler!

12:45:57 From Rachel Lang (she/her): Yes! Bonnie, I was just looking at that!

12:47:22 From Thalma de Freitas: Oh, happy belated birthday Tiffany

12:47:57 From Rachel Lang (she/her): Gemini North Node - "I'm not a writer" haha!

12:48:47 From Kellye Rowland: \ sorry i hit send too soon and was just addressing tiffany lol

12:51:39 From Bonnie Gillespie (she|her): +1 on Thalma. I imagine Tiffany talking for hours, letting Otter transcribe it, then that's a series of books/stories/workbooks, etc.

12:53:02 From Bonnie Gillespie (she|her): Preapologizing for disappointment no one is going to actually have.

12:53:07 From Thalma de Freitas: Yes! Tiffany, you don't have to write by yourself.

13:07:01 From Kellye Rowland: lol YES
13:08:30 From Thalma de Freitas: Oh, can we have a copy of our workbook?
13:09:09 From Sarah McLean: I was also getting a dead link
