

Astrology for Creatives Live Zoom Chat 17 August 2022

11:41:01 From Tiffany Polite: Can you share the connection btw pluto/aqu and time? Is it Aquarius' relationship with Saturn?

11:41:52 From ithalma: I have an explanation for this, based on my language

11:45:22 From Tara Wilken: I've also heard it as Divine Time

11:48:26 From Bonnie Gillespie (she|her): Pluto dips into Aquarius in early 2023, but retrogrades back to Capricorn again.

11:48:51 From Remy O'Brien: Doesn't sound out there to me

11:49:05 From Bonnie Gillespie (she|her): January 2024, Pluto will officially be IN Aquarius.

11:50:50 From Sarah Page: It's interesting to me that Aquarius is the water bearer and we are entering into more and more water scarcity.

11:54:09 From ithalma: I keep waiting for the Singularity that will lock The Matrix in place and we'll be able to move in and out of it using our human nature , but we must learn how to hack it

11:54:38 From Bonnie Gillespie (she|her): THAT, Thalma!!

11:55:10 From Bonnie Gillespie (she|her): Dr. Joe Dispenza

11:56:13 From Bonnie Gillespie (she|her): I also see the water-bearer as Saturn (Aquarius' ruler) CONTAINING the water that wants to roam free (Uranus; modern ruler).

11:57:22 From Tiffany Polite: For those interested in the generational cycles, this has been an illuminating resource: <https://philosopherswheel.com/generations.htm>

12:04:52 From ithalma: Oh, enoughness issues, I feel it's in the core of so many of our worries

12:05:21 From Bonnie Gillespie (she|her): Saturn Square = Feb. 2023 for Tiffany

12:06:43 From Bonnie Gillespie (she|her): Oh, sorry. Scratch that. ^^

12:09:45 From Bonnie Gillespie (she|her): Venus opposition to transiting Saturn. TRINE to natal Saturn.

12:11:15 From Bonnie Gillespie (she|her): Priming you for the Uranus opposition in 2028.

12:13:23 From ithalma: is a book!!

- 12:13:39 From Rachel Lang (she/her): I proposed a workshop about the astrology of midlife for Esalen, and I was turned down.
- 12:13:52 From Rachel Lang (she/her): Yes, Thalma! I love it!
- 12:14:31 From Tiffany Polite: does the pluto sq Saturn at the same time mean that I'm super stubborn? haha, like I get these at the same time - lucky me? haha
- 12:16:33 From ithalma: Saturn is rebranding 🤔
- 12:17:52 From Bonnie Gillespie (she | her): ACCURATE description of Mars shifts.
- 12:18:58 From Bonnie Gillespie (she | her): #SaturnShit
- 12:23:01 From Bonnie Gillespie (she | her): Gemini mental traffic jam!
- 12:24:15 From Bonnie Gillespie (she | her): "What am I tired OF?"
- 12:24:37 From ithalma: this point in the head is where babies have it soft, where the bones of the skull meet, ultra sensitive, we can use crystals on it
- 12:24:48 From Bonnie Gillespie (she | her): Love that, Thalma.
- 12:25:47 From Tiffany Polite: I love "what am I tired OF" - a strong Cancerian reflection question. I think I'm going to write it on my mirror lol
- 12:28:08 From Rachel Lang (she/her): Haha! I love it, Tiffany
- 12:28:23 From Tiffany Polite: what is the influence of mars in cancer on Aries expression?

- 12:38:36 From Tiffany Polite: A JOB
- 12:38:46 From Bonnie Gillespie (she | her): Transitions are sticky!
- 12:39:23 From Bonnie Gillespie (she | her): Chiron as the sign to light up the path to the North Node.
- 12:39:26 From Bonnie Gillespie (she | her): Love that!
- 12:40:22 From Tiffany Polite: Is it appropriate to think of chiron as integration of all the things that lead towards the NN?
- 12:40:49 From Tiffany Polite: Lovers! not a spouse??
- 12:42:18 From Rachel Lang (she/her): Venus in the 5th!! In Aries!

- 12:45:01 From Bonnie Gillespie (she | her): Tiffany -- I see Chiron less as an integration and more of a symbol of unhealed wounds from our childhood + how those wounds help us in our lives.
- 12:48:10 From Remy O'Brien: that's powerful manifesting Thalma
- 12:49:28 From Bonnie Gillespie (she | her): Pisces is proud!

- 13:00:24 From Rana Rines (she/her): Would a ZERO chiron be strictly past lives, then?
- 13:00:53 From Bonnie Gillespie (she | her): Ooh, great question, Rana!
- 13:01:03 From Rachel Lang (she/her): I don't think so, Rana... I think it's more what we're born into - our first few months of life
- 13:01:09 From Bonnie Gillespie (she | her): Or trauma the parents were in.
- 13:01:09 From Rachel Lang (she/her): or the birth process, itself.
- 13:01:15 From Bonnie Gillespie (she | her): Just typing that as Rachel did. YES.
- 13:01:21 From Rachel Lang (she/her): Saturn is more past lives... and the south node
- 13:01:28 From Rachel Lang (she/her): chiron can be ancestry
- 13:02:03 From Rachel Lang (she/her): But again, I need to do more research on this with past lives and degrees/ages

- 13:02:26 From Rachel Lang (she/her): And south node in 5th! (gambling)

13:03:08 From Rana Rines (she/her): THANK YOU (re chiron) !!!

13:04:23 From Bonnie Gillespie (she | her): Also, Rana, Sun-Moon square (natally) can be parental unrest at the time of your birth. I think you have that? Or close to it?
