

## Astrology for Creatives Live Zoom Chat 6 October 2021

11:39:07 From Kellye Rowland: When you say you have "so much libra" do you mean placements in libra?

11:39:20 From Bonnie Gillespie (she|her): Yes!

11:39:32 From Kellye Rowland: Got it :)

11:42:16 From Bonnie Gillespie (she|her): Geek out! 😊

11:42:18 From Kellye Rowland: I love geeky! lol

11:42:29 From mariewatkins: I'm all about geeking out!

11:50:20 From Bonnie Gillespie (she|her): It me!

11:52:35 From Bonnie Gillespie (she|her): "Stellium" = 3 or more planets or placements in the same sign

11:52:45 From Bonnie Gillespie (she|her): It can also mean 3 or more planets or placements in the same HOUSE

11:53:08 From Kellye Rowland: Yup, I have 4 in Virgo, in the 6th house.

11:54:19 From mariewatkins: I have an empty Libra 5th house

11:54:43 From Bonnie Gillespie (she|her): I'm doing a LOT of work around one of my "empty" houses lately!

11:54:44 From Bonnie Gillespie (she|her): 😊

11:54:53 From Kellye Rowland: :)

12:00:20 From Lauryn Franzoni: I'm a Cancer with 6 empty houses and a clubhouse in Leo LOL

12:02:43 From Bonnie Gillespie (she|her): When you meet someone you really click with, it's a great idea to see which of your sign's "stuff" overlaps (qualities, elements).

12:03:01 From Kellye Rowland: Oooh good idea!

12:03:45 From Bonnie Gillespie (she|her): Even on our team here in my business, we have "air sign meetings" and "water sign meetings" specifically to do the work of those elements (and to highlight the brilliance of the team members whose dominance is in each area).

12:04:03 From Kellye Rowland: So beautiful!

12:04:25 From Bettina Kenney (she/her): Yup! :D

12:04:58 From mariewatkins: Love that idea!

12:06:28 From Kellye Rowland: I'm such a rule follower and in recent times I've been wanting to push against that so badly. Makes sense that Saturn is in my 1st house, and rising sign.

12:07:00 From Bonnie Gillespie (she|her): Ooh, definitely, Kellye. We'll be diving in on THAT particular issue next week, when we do a bunch on your Chart Ruler.

12:07:51 From Kellye Rowland: yayyy

12:11:07 From Bettina Kenney (she/her): Me as a kid in the Backseat: Singing at the top of my voice... continuously!

12:11:15 From Bonnie Gillespie (she/her): Of COURSE, Bettina!

12:11:25 From Bettina Kenney (she/her): 🥰🎵

12:11:27 From Bettina Kenney (she/her): 💕

12:11:54 From Bonnie Gillespie (she/her): If you want a SUPER simple moon app (no distractions), try iLuna.

12:12:03 From Bonnie Gillespie (she/her): Time Nomad

12:12:06 From Bonnie Gillespie (she/her): Time Passages

12:12:16 From Bonnie Gillespie (she/her): Planet Watcher (website)

12:12:29 From Bonnie Gillespie (she/her): Honeycomb Almanac

12:12:31 From mariewatkins: yes to the recommendation for iLuna

12:12:39 From Kellye Rowland: I love time nomad!

12:12:45 From mariewatkins: I also love Moon Calendar

12:13:49 From Bonnie Gillespie (she/her): Ooh, thank you Marie!

12:15:15 From Bonnie Gillespie (she/her): Love that smile, Kellye! ;)

12:16:31 From Kellye Rowland: <3 I love my Leo moon! :)

12:16:36 From Bonnie Gillespie (she/her): AS YOU SHOULD

12:16:50 From mariewatkins: So true! My Sag Moon demands I be in nature daily or I go nuts

12:17:05 From Bonnie Gillespie (she/her): I love seeing how you've found ways to honor that need, Marie.

12:17:21 From Kellye Rowland: So good to know that isn't it Marie? I look so forward to learning more about all this!

12:17:32 From mariewatkins: I'm literally moving to a house in a forest so I can bring that into my live daily. ;-)

12:17:43 From Bonnie Gillespie (she/her): YAY

12:17:45 From Kellye Rowland: Ahhhhh so lovely sounding

12:22:30 From Bonnie Gillespie (she/her): If you've felt disconnected between how other people see you and what you think you're putting out there, this is often why.

12:22:43 From Kellye Rowland: interesting

12:23:48 From Bettina Kenney (she/her): Aaaaaaaaaaaaah... hearing this in the 2nd round LIGHT BULB!!!!

12:23:49 From Bonnie Gillespie (she/her): Think about everything from how you come off in person to what your website looks like.

12:24:45 From Kellye Rowland: So funny the incongruity I've felt for so long..people telling me "wow you have so much more personality than your headshot showed" gahhhh Aries rising lol

12:25:09 From mariewatkins: tried on a yellow top yesterday for the first time ever...didn't buy it since I hated the fit...but baby steps right? #gemini

12:25:17 From Bonnie Gillespie (she|her): Yay! Marie, yes!

12:25:26 From Remy O'Brien: So funny as a Gemini rising. Yellow doesn't relate to me but I went shopping with a friend. She grabbed this yellow outfit and said this would look so good on you. I had to laugh

12:25:34 From Bonnie Gillespie (she|her): That's so funny, Remy!

12:25:37 From Bonnie Gillespie (she|her): Did you try it on?

12:25:49 From Remy O'Brien: no it wasn't my size.

12:26:11 From mariewatkins: until they make clear coffee white tops are a no-go for me LOL

12:26:16 From Bonnie Gillespie (she|her): LOL

12:26:18 From Kellye Rowland: lmao

12:26:27 From Kellye Rowland: Same Marie lol

12:27:53 From Bonnie Gillespie (she|her): That's my hubs.

12:27:54 From Bonnie Gillespie (she|her): LOL

12:27:58 From Kellye Rowland: haha

12:28:16 From Bonnie Gillespie (she|her): ALLLLLLL the indulgences.

12:28:24 From mariewatkins: Apparently my wardrobe fits Capricorn better (sun sign)

12:28:31 From Bonnie Gillespie (she|her): I can see that, Marie.

12:28:40 From Bettina Kenney (she/her): This is so crazy: My color palette exactly... ;P purple/ violets & all kinds of blue...

12:28:40 From Bonnie Gillespie (she|her): Also your more corporate lifestyle for so long.

12:28:43 From mariewatkins: Wardrobe refresh coming up!

12:28:48 From Remy O'Brien: Same Marie My wardrobe fits my Scorpio sun

12:28:49 From Bonnie Gillespie (she|her): Not at all shocked, Bettina!

12:29:05 From Bonnie Gillespie (she|her): Marie — an astro overhaul of wardrobe sounds SO cool!

12:29:18 From Bettina Kenney (she/her): Ahahaaaa, right, not overly shocking or surprising... ;P

12:29:23 From mariewatkins: I think it needs to happen

12:30:52 From Bettina Kenney (she/her): RetroGRACE!!

12:31:14 From mariewatkins: Deja vu...I think this happened last time too?

12:32:37 From Caroline Helander: Hopping off for a sec to get in the car...be back! Gotta grab my kiddos! : )

12:33:05 From Bonnie Gillespie (she|her): I like to say 6th house is jobby-job vs. 10th house is higher calling (both career related).

12:34:28 From Bonnie Gillespie (she | her): And 6th is of course very definitely the day-to-day health stuff too.

12:34:56 From Kellye Rowland: I can't wait to hear more about the midheaven and 10th house; it's empty for me and in Capricorn gah lol

12:34:57 From Bonnie Gillespie (she | her): 8th house = angel investors/venture capitalists

12:34:58 From mariewatkins: I love that money and magic are in the same house!

12:35:08 From Bonnie Gillespie (she | her): YES, Marie!! Me too!

12:35:47 From Bettina Kenney (she/her): Aaaah, so goood!

12:37:48 From Bonnie Gillespie (she | her): 3rd house tech = intimate tech (your phone, your gadgets); 11th house tech = systems, internet itself

12:38:04 From Bonnie Gillespie (she | her): 12th house = mental health

12:44:43 From Silvia Soh: Wow look at that stellium...!!

12:45:30 From Amelia Ornelas: Yes and in Leo in the 5th house! So much play!

12:46:47 From Jill Austin: All her signs are in their home houses

12:47:25 From mariewatkins: Gotta jump off. See you next week!

12:48:01 From Bonnie Gillespie (she | her): Progressed charts?

12:48:22 From Kellye Rowland: Or like "your Venus is traversing your 7th house of etc etc "

12:48:27 From Bonnie Gillespie (she | her): Transits?

12:49:01 From Kellye Rowland: Yes transits is what I meant at least

12:49:52 From Remy O'Brien: have to jump off. Thanks Bonnie and Rachel.

12:49:57 From Rachel Lang (she/her): Transits are the planets in the heavens today aspecting your chart

12:50:05 From Rachel Lang (she/her): Progressions are your chart's evolution over time.

12:50:26 From Rachel Lang (she/her): They all relate to your natal chart in showing what's happening in your life!

12:50:39 From Lauryn Franzoni: Makes sense- thank you!

12:50:55 From Rachel Lang (she/her): Astrocartography is locational astrology

12:51:10 From Rachel Lang (she/her): Every place has a compatibility factor with us we can see in our charts

12:52:08 From Caroline Helander: Have to hop off! Thanks so much!!! See you all next week!

12:53:09 From Jill Henderlight: I have to go. So enjoyed the class. Looking forward to watching the recording for what I missed. Bye!

12:53:23 From Kellye Rowland: Bye Jill!

12:56:23 From Jill Austin: I once heard a cool way to think about the directions: if you are lying with your head to the north and feet, south and looking at the stars (like the ancients did?) voila - the directions make sense.

12:56:34 From Bonnie Gillespie (she|her): Ooh, love that, Jill. Thank you!

12:56:47 From Kellye Rowland: Good tip Jill!

12:58:13 From Bettina Kenney (she/her): say it again please, bonnie

12:59:27 From Bettina Kenney (she/her): DMMG 💕

12:59:34 From Bettina Kenney (she/her): thank you

12:59:41 From Bettina Kenney (she/her): so good

13:00:38 From Silvia Soh: I have to go but thank you so much for today's class! Great to meet everyone. Looking forward to next week :)

13:02:47 From Lauryn Franzoni: Thank you all so much - look forward to seeing you next week!

13:04:20 From Bettina Kenney (she/her): If I had known THAT about Virgo as a child ...!

13:04:38 From Kellye Rowland: Omg saaaaame Bettina!!

13:05:17 From Bettina Kenney (she/her): Right, Kellye? 🙌

13:05:19 From Bonnie Gillespie (she|her): Look at all our 6th house Virgo people!

13:05:45 From Kellye Rowland: Ahhh same Sanaa! Lots of identification with you!

13:05:48 From Bonnie Gillespie (she|her): Moon in Scorpio = introvert for sure! Especially in the 8th house! 😊

13:06:12 From Kellye Rowland: ME TOO thank you for asking this question Sanaa!

13:06:57 From Bonnie Gillespie (she|her): 2nd, 6th, 8th, and 12th can be considered the "dark houses" or "hidden houses" and create more introversion around whatever placements are in those houses.

13:08:08 From Bonnie Gillespie (she|her): Capricorn is very all-business. No fluff.

13:12:52 From Kellye Rowland: Every analogy you and Rachel are giving is so INCREDIBLY helpful Bon thank you

13:15:24 From Bonnie Gillespie (she|her): Moon = early childhood connection with ourselves and getting our needs met.

13:15:55 From Kellye Rowland: Makes so so so much sense the more I learn about our moons good lord lol

13:16:25 From Bonnie Gillespie (she|her): We can even think about attachment theory and our natal moon, right?

13:16:34 From Bonnie Gillespie (she|her): (Expansive Capacity)

13:21:26 From Amelia Ornelas: Just in time, I just got to my destination! 🥰 Bye everyone!

13:21:30 From Crystal: Thank you!
