12:07:06 from Bettina Kenney: I always thought me pontificating my butt off was all VIRGO sun... but I guess if SAG = mansplaining, there is an aspect of that in my Asc as well... So, ponificating squared.. 😊

12:11:56 from Rachel Lang (she/her): Life Car - The Sun is your navigator, the Moon is the backseat driver, the rising is the driver
12:12:30 from Rachel Lang (she/her): Your Moon sign - your emotional needs
12:13:41 from Tiffany Polite: My gemini moon is why my sleep pattern is non-existent right now!

12:13:50 from selena vidya: my moon feels like my biggest enemy and wet blanket to my fire 🙄

12:13:51 from Bonnie Gillespie (she|her): Ah! Tiffany, so good to know!

12:13:58 from Bonnie Gillespie (she|her): Selena -- time to get it on the same team!

12:20:34 from Karen Commins: My moon is in Leo, but that Libra description sounds more like me. 🙄

12:20:53 from Bonnie Gillespie (she|her): Wonder how that Leo Moon feels about not being fully seen, Karen?

12:21:11 from Karen Commins: 🙄

12:21:15 from Rease Cassity: I know the least about the rising and the power behind it. I was surprised it was the driver. I'm excited for this part.

12:22:51 from Karen Commins: Re: my Leo moon, Bonnie, I hate to feel ignored!

12:22:59 from Rachel Lang (she/her): Often, they'e the same - aura and rising sign colors
12:24:05 from Sarah Page: Interesting, I'm Aries rising but I wear so much blue and green!
12:24:18 from Rease Cassity: can't wait ----eeeeeeek!
12:24:24 from Bonnie Gillespie (she|her): What are your other 2 in the Big 3, Sarah?
12:24:34 from Bonnie Gillespie (she|her): You may be dressing for someone else in your Life-Car.
12:24:37 from Bonnie Gillespie (she|her): Totally normal!
12:24:41 from Sarah Page: Cancer sun, Sag moon
12:24:56 from Bonnie Gillespie (she|her): We also often dress for our Venus (we'll be covering her in a future week too).
12:25:12 from Sarah Page: Taurus Venus, so that would check out lol
12:25:32 from Thalma de Freitas: rising makes me think of how we're not able to see our own face, and that's literally our major characteristic
12:25:40 from Bonnie Gillespie (she|her): Good point, Thalma!
12:25:41 from Bonnie Gillespie (she|her): Yes!
12:26:49 from Bonnie Gillespie (she|her): #ChartPrivilege

12:40:55 from jenifercosgrove: Totally agree...

12:44:25 from jenifercosgrove: :)

12:45:31 from Bonnie Gillespie (she|her): Each sign has 0°0' to 29°59'

12:45:44 from Bonnie Gillespie (she|her): So, 29° is called The Critical Degree.

12:45:53 from Bonnie Gillespie (she|her): It's a BIG expression of the energy of that sign.

12:46:03 from Bonnie Gillespie (she|her): It does the MOST.

12:47:59 from Rachel Lang (she/her): 0° is a critical degree, too!

12:48:17 from Rachel Lang (she/her): Especially 0° of a cardinal sign (Aries, Libra, Cancer, Capricorn)

12:48:43 from Bonnie Gillespie (she|her): LOVE a 10H Sun!

12:48:46 from Bonnie Gillespie (she|her): Fame placement!

<http://bonniegillespie.com/chc>

12:53:33 from Cristy Chung (she/they): I'm loving the ways you talk about the combinations. Water/Air and Chart Harmony

12:54:49 from Bonnie Gillespie (she|her): Cristy -- thank you. We all live our WHOLE charts but everyone spends so much time talking about the individual pieces. It's relationship management that Chart Harmony creates. 😊

12:55:30 from Bonnie Gillespie (she|her): Tiffany -- you and I have similar charts.

12:57:11 from Tiffany Polite: aka I feel crazy internally

12:57:22 from Thalma de Freitas: fascinating

13:02:08 from Sarah Page: Me too, looking forward to next week!

13:02:53 from Bettina Kenney: @Karen On a somewhat unrelated note: Which booth do you have there? It is GORGEOUS says my Mars in Gemini at 29th degree VO soul! ;)

13:03:46 from Bettina Kenney: Oh, wait - is it a backdrop?

13:03:52 from Bettina Kenney: *virtual
