

## Astrology for Creatives Live Zoom Chat 25 May 2022

11:33:34 from Sarah McLean: THANK YOU!

11:37:55 from Rachel Lang (she/her): Rising - driver, Sun - navigator, Moon- backseat driver!

11:41:08 from Sarah Page: Mars is my chart ruler, and I have changed jobs every 2.5 years as an adult 😊 but I get the itch right around 2 years lol

11:41:36 from Rachel Lang (she/her): That makes so much sense, Sarah! The timing works... you start to notice it when you have that awareness

11:44:12 from Rachel Lang (she/her): I love that! They're putting on a show!!

11:44:14 from rease.cassity: A Taurus driver here and wow, me lovelssss a show. A very animated driver here ;)

11:44:44 from Rachel Lang (she/her): That's great, Rease!

11:45:05 from rease.cassity: Yup - I will ALWAYS take the scenic route!!!! there's too much beauty along the way. We don't wanna miss it. <3

11:45:43 from Rachel Lang (she/her): I've got a Taurus driver, too - I know what you mean!

11:45:51 from Alexandra Griffin: mars ruler, and i don't like road trips because i want to be at the place and doing the things already lol

11:45:56 from Rana Rines (she/her): Aquarius is ruled by Saturn, is that right? Sorry I was teaching and logged on a little late!

11:46:11 from Rachel Lang (she/her): Ha! That makes sense Alexandra! but Mars is meant to MOVE!

11:46:19 from Rachel Lang (she/her): That's right, Rana!!

11:46:25 from rease.cassity: Rachel, I know you do! you read me like a book last week. Thank you!

11:46:26 from Cristy Chung (she/they): OMGEE Jupiter! So me!

11:46:29 from Rana Rines (she/her): Okay, thanks!

11:47:10 from Rachel Lang (she/her): YES! Jupiter ruling planet is expansive!

11:47:15 from Alexandra Griffin: wait, what does malefic/benefic/luminary mean? i think i may have missed that

11:47:43 from Rachel Lang (she/her): Mercury can be a malefic or benefic - depending on its condition

11:47:50 from Alexandra Griffin: oh yes yes yes, ok

11:47:53 from Rachel Lang (she/her): Benefic - venus and jupiter

11:47:56 from Rachel Lang (she/her): Malefic - mars and saturn

11:48:21 from Rachel Lang (she/her): Mercury is a shapeshifter and goes back and forth

11:48:49 from Bonnie Gillespie (she|her): It's why Mercury isn't classified as male/female or benefic/malefic.

11:48:53 from Bonnie Gillespie (she|her): It plays ALL angles.

11:50:24 from Bonnie Gillespie (she|her): Jupiter is MASSIVE.

11:50:25 from selena vidya: whoa that's cool

11:52:50 from Bonnie Gillespie (she|her): Jupiter in X (the sign it's in, in your chart) = "I expand through..." (and the words on the slide).

11:54:28 from rease.cassity: Jupiter in LEO and yes, more glitter please!!!!!!!!!!!!

11:54:34 from Bonnie Gillespie (she|her): So you, Rease!

11:54:37 from rease.cassity: OMG --- y'all are blowing my mind!!!!!!!!

11:55:12 from rease.cassity: I didn't realize my Jupiter was so important to me but I resonate with allll of that. Like WOW!!!!

11:55:36 from Bonnie Gillespie (she|her): Jupiter's a big deal. ;) Good to know how powerful its pull is, in your personality, right?

11:56:19 from Bonnie Gillespie (she|her): Especially since Jupiter is how we get lucky, TRUSTING it is important.

11:57:41 from Sarah Page: My Jupiter is in Aquarius and do I resonate with getting overwhelmed in groups/community. It's great, until I just shut down

11:57:50 from Bonnie Gillespie (she|her): Perfect, Sarah.

11:57:56 from rease.cassity: yes! Bonnie, seriously soooo cool. When I feel stuck or feel resistance, I always ask myself "How can I make this fun? Where can I find the play with this?" AND IT ALWAYS WORKS!!!! so cool to see that's probably why. My BIG bully Jupiter in Leo.

11:58:02 from Bonnie Gillespie (she|her): So the Chart Harmony opportunity there is to get out ahead of the shutdown energy.

11:58:20 from Bonnie Gillespie (she|her): So you can protect that sensitivity without it shutting you down/overwhelming you.

11:58:32 from Bonnie Gillespie (she|her): Because Jupiter really can overwhelm us (it's just SURE we can have it ALL). ;)

11:58:45 from Bonnie Gillespie (she|her): YES, REASE!!!!!!!!

11:58:54 from Sarah Page: Would that look like listening to my driver/navigator/backseat driver vs Jupiter?

11:59:39 from Rachel Lang (she/her): Sarah, we want to listen to all the planets in our chart and the characters in our car- so, it's about integrating and balancing the different aspects of ourselves

12:00:19 from Rachel Lang (she/her): Listening to your Jupiter means having faith when in doubt

12:01:20 from Rachel Lang (she/her): The Jupiter house shows where you have opportunities flow to you!

12:01:29 from Rachel Lang (she/her): The fourth house is old age

12:02:39 from rease.cassity: 4th house here...patiently waiting to see where i find my luck. Maybe later in life, like Morgan Freeman?

12:03:46 from Rachel Lang (she/her): Yes, REase! It can happen before later in life, but later in life is when things flow to you

12:04:09 from Rachel Lang (she/her): Jeff Bezos' ex-wife has Jupiter in the 7th house, for example.

12:05:08 from Rachel Lang (she/her): Mercury trine Pluto today!

12:06:40 from Rachel Lang (she/her): 10th house - let the opportunities FLOW! Work your receiving muscles!

12:06:51 from selena vidya: 10h and it's wild how many people bring opportunities to me, that's how a lot of biz partnerships have started :O

12:07:09 from Rachel Lang (she/her): That's very common for a 10th house Jupiter, Selena!

12:07:46 from Rachel Lang (she/her): 11th house is also benefactors and good fortune, so this is a placement for receiving gifts from others. Great for fundraising professionals or film financing!

12:08:09 from Rachel Lang (she/her): A posse from beyond - Jupiter in the 12th!

12:08:30 from Rachel Lang (she/her): Don't hide your #witchyshit!!!!

12:08:52 from Bonnie Gillespie (she|her): 2H = earned income

12:08:57 from Bonnie Gillespie (she|her): 8H = shared resources

12:09:02 from Bonnie Gillespie (she|her): 5H = gambling

12:09:05 from Bonnie Gillespie (she|her): 11H = gifts

12:10:56 from Bonnie Gillespie (she|her): Venus = expression of beauty and style

12:11:03 from Bonnie Gillespie (she|her): Venus = our love language!

12:11:13 from Bonnie Gillespie (she|her): Venus = enoughness

12:11:30 from Bonnie Gillespie (she|her): Value in ourselves AND value of our offerings (how we price things)

12:11:36 from Bonnie Gillespie (she|her): MAGNETIC

12:12:50 from Revontulet Talent Management: Would that "backwards" apply to Venus in Leo, too?

12:13:48 from Bonnie Gillespie (she|her): Bettina, could you clarify that question for me? Not sure what you're asking.

12:14:25 from Cristy Chung (she/they): That is such a tension for me! Venus in Aries! I want to make things happen! And know that when I open my heart and trust it will come it shows up!

12:14:32 from Bonnie Gillespie (she|her): YES, Cristy!!

12:14:39 from Jill Austin: I have Venus in Aries and I think about it like passive and active surrender as in "Pray to Allah AND tie up your camel."

12:14:48 from Bonnie Gillespie (she|her): Ooh, Jill, that's great!

12:15:41 from Rachel Lang (she/her): I love that, Jill!!

12:16:10 from Alexandra Griffin: that is such big cat energy

12:16:21 from Rachel Lang (she/her): Yes, Alexandra!!

12:17:43 from Rachel Lang (she/her): Venus in Virgo - remember not to become a martyr. Discerning - Virgo!

12:18:10 from Rachel Lang (she/her): Venus in Libra- +1 into your work.

12:18:51 from Rachel Lang (she/her): Venus in Taurus and Libra NEED relaxation, peace, luxurious surroundings, good food, deliciousness in life

12:19:26 from Revontulet Talent Management: @Bonnie, Rachel spoke about the contrasting energies of Scorpio / Venus

12:19:27 from Bonnie Gillespie (she|her): The word to write across your whiteboard is LUXURIATE, if you're looking to create balance with Venus.

12:19:34 from Revontulet Talent Management: The inward outward

12:19:44 from Bonnie Gillespie (she|her): Yes, she's talking about Scorpio Venus right now! 😊 Yay!

12:20:31 from Revontulet Talent Management: And I was wondering if there was a similar tendency with Leo / Venus, the in-/outward

12:21:01 from Rachel Lang (she/her): Fixed signs- feel free to cut bait!!!!

12:21:06 from Rachel Lang (she/her): In relationships, work, etc..

12:22:01 from Bonnie Gillespie (she|her): Ah! Okay, Bettina. Definitely come back to this Q in the Q&A part of our session today. :)

12:22:27 from selena vidya: omg that's the best description.

12:22:28 from Revontulet Talent Management: I will - thank you <3

12:22:30 from rease.cassity: Venus in Aquarius here -- let's hear it.

12:22:38 from Bonnie Gillespie (she|her): So true!

12:23:43 from Bonnie Gillespie (she|her): Moon = your buyers

12:23:53 from Bonnie Gillespie (she|her): Venus = who's helping you; who are you having fun with

12:24:06 from Bonnie Gillespie (she|her): ALLIES

12:25:08 from Rachel Lang (she/her): This is a very romantic placement - the 5th! It's the house of Venus's joy!

12:25:30 from Rachel Lang (she/her): 6th house Venus placement- it's important not to sacrifice yourself - to hold yourself in high esteem

12:25:47 from Rachel Lang (she/her): 7th house Venus placement - excellent for one:one client work.

12:27:46 from Rachel Lang (she/her): 9th house- focus your relationships on international connections

12:27:52 from Rachel Lang (she/her): lawyers, yes! astrologers, yes!

12:28:03 from rease.cassity: 10th house here!

12:28:18 from Rachel Lang (she/her): 10th house Venus- authority figures - influencers

12:28:25 from rease.cassity: wow, so many boss fathers. Always thought it was bizzare

12:28:35 from Rachel Lang (she/her): Oh, wow, Rease! That makes sense!

12:28:45 from Rachel Lang (she/her): 11th house - friends are important for you!

12:28:56 from Rachel Lang (she/her): Yes- stepchildren or adopted children in 11th house

12:31:40 from Rachel Lang (she/her): Thursday - Jupiter's day!

12:31:54 from rease.cassity: WOW -- it's gorg

12:31:54 from Revontulet Talent Management: But I bet the shopping process was joyful AF

12:31:58 from Jill Austin: Sounds like a Jim Croce song - lol

12:32:01 from Revontulet Talent Management: Ooooooh - all the glitter!

12:32:46 from Jill Austin: What it is again?

12:32:49 from rease.cassity: anyone with major 12th house placements can recommend a good crystal starter book <3

12:32:52 from Karen Commins: I think y'all need to do a class on crystals!

12:32:57 from Rachel Lang (she/her): Apatite - great for communication/spirit communication

12:33:08 from Rachel Lang (she/her): Nummite- the sorcerer's stone

12:33:30 from Rachel Lang (she/her): I also use green moonstone for intuition/creativity

12:33:36 from Emily Button: @rachellang - was there a little blurb on 8th house venus placement? It seems like it was skipped in the chat.....

12:33:42 from Rachel Lang (she/her): and rutilated quartz or tourminated quartz for editing

12:33:49 from Sarah Page: What's a good resource to know what oils do what? Or what crystals do what?

12:33:53 from selena vidya: Do you ever "get rid of" crystals if you have old ones you don'r resonate with? Do you just say "thank you" and bury them or do something else with them?

12:34:05 from Rachel Lang (she/her): Yes, Selena!  
12:34:12 from selena vidya: 🙏  
12:34:19 from Rachel Lang (she/her): I bury mine or give them away  
12:34:38 from Rachel Lang (she/her): I bury them in rituals, actually  
12:34:57 from selena vidya: oohh thank you. I have some and will look into this more so I can give them a proper goodbye 😊  
12:39:14 from rease.cassity: Bonnieeee - don't make me cry now. I've been crying alllll day. The ninjas are such a big part of that journey <3  
12:39:42 from Bonnie Gillespie (she|her): ESPECIALY with Taurus Rising.  
12:39:51 from Bonnie Gillespie (she|her): Venus IS your chart ruler, up there in the 10th.  
12:39:59 from Bonnie Gillespie (she|her): MUST have the community that LOVVVVVEEESSSSS you.  
12:40:20 from Bonnie Gillespie (she|her): My Venus is also 29° (but of Leo).  
12:40:23 from Bonnie Gillespie (she|her): It's a BIG deal.  
12:40:26 from Bonnie Gillespie (she|her): Also my chart ruler.  
12:41:58 from Rachel Lang (she/her): 29° = critical degree. We want to focus the energies of that planet in specific ways. Celebrate the planet!!!  
12:42:04 from Jill Austin: With her square Venus to Mars = she could Yin up her Yang  
12:42:23 from Rachel Lang (she/her): 0° is also a critical degree - it's the first degree of a sign. it has the full potential of that sign  
12:43:58 from Rachel Lang (she/her): Mars is in "fall" in Cancer. It's "exalted" in the opposite sign - Capricorn  
12:45:42 from rease.cassity: Also, where's the workbook? Can someone share it with me? I have the prep one but unsure where the one you spoke of earlier...  
12:46:03 from selena vidya:  
<https://cricketfeet.com/aligned/AstrologyForCreativesWorkbook.pdf> I think this was updated with Week 2  
12:46:58 from Bonnie Gillespie (she|her): Yes, we update the workbook TWICE a week.  
12:47:10 from rease.cassity: Thank you, both!  
12:47:16 from Bonnie Gillespie (she|her): It's always on the course page -- along with prep materials -- and we timestamp the workbook so you know it's been updated. 😊  
12:47:43 from Jill Austin: And her MC is in the 10th in Capricorn  
12:47:54 from Bonnie Gillespie (she|her): Every Monday and Thursday, you should grab that new workbook (thank you, Selena, for the link).  
12:48:01 from selena vidya: yw!  
12:48:11 from Bonnie Gillespie (she|her): How would Mars FIGHT for its family?

12:51:26 from rease.cassity: on pink days?  
12:52:51 from Bonnie Gillespie (she|her): There's that North Node calling.  
12:53:16 from Rachel Lang (she/her): Yep! I was just looking at that, Bon!  
12:53:17 from selena vidya: Congrats!!  
12:53:34 from Jill Austin: And Kite pointing at it 😊

12:57:37 from rease.cassity: i'm hooked ;)  
12:58:57 from Bonnie Gillespie (she|her): Dignity.  
12:59:00 from Bonnie Gillespie (she|her): That's the term.  
12:59:05 from Bonnie Gillespie (she|her): Where are planets happiest.  
12:59:30 from Bonnie Gillespie (she|her): If you Google "essential dignity VENUS" you'll get a lot about that.  
12:59:46 from Bonnie Gillespie (she|her): Opportunity for balance!  
13:00:06 from Bonnie Gillespie (she|her): Think back to the Mars in Cancer example. How does X sign equip X planet to do its bidding?  
13:00:11 from Bonnie Gillespie (she|her): It's not BAD... just different.  
13:00:35 from Karen Commins: Sorry to check out early. Look forward to seeing the replays. Have a wonderful week!

13:07:10 from Bonnie Gillespie (she|her): That's Virgo 2H for sure.  
13:10:16 from Jean Dougherty: Rachel, Please remind me the name of your new gemstone: sorcerer's stone?  
13:10:50 from Rachel Lang (she/her): Nummite, Jean!  
13:10:55 from Jean Dougherty: thx

13:13:43 from Bonnie Gillespie (she|her): Service... but is it service we choose or that is chosen for us, when we use the 6H slavery interpretation from ancient astrology?

13:14:22 from Sandra Halling | @CreatrixOfOrder: I have to hop to my next call. Thank you!!

13:14:27 from Bonnie Gillespie (she|her): Bye, Sandra! 😊
