12:01:29 From Bonnie Gillespie (she/her): That makes sense! She's probably in both the 4th and 10th houses in many ways.

12:01:40 From Kellye Rowland: it's so interesting to find our parents woven through our own charts that's really cool actually...

12:02:04 From Kellye Rowland: yup. my 4th house is in Cancer and she is a Cancer sun.

12:02:24 From Bonnie Gillespie (she/her): There's a type of astrology in which all your natal placements ARE the people in your life (not you). It's fascinating!

12:02:30 From Alexandra Griffin: leo in the 10th house - yep. i dont want fame, but i want to win oscars sooooo

12:02:38 From Bonnie Gillespie (she/her): Alexandra, YES!
