

Astrology for Creatives Live Zoom Chat 28 July 2021

- 11:32:37 Bonnie Gillespie (she|her): So! Excited!
- 11:36:05 Bonnie Gillespie (she|her): Rahu and Ketu
- 11:36:54 Bonnie Gillespie (she|her): So, the NODES are not physical places (like planets, luminaries, or fixed stars, etc.).
- 11:37:24 Rhianna Basore: Love me some Joseph Campbell!
- 11:37:41 Bonnie Gillespie (she|her): Record-holding READER: Rhianna!
- 11:38:04 Bonnie Gillespie (she|her): Nodal return = 18 years
- 11:38:11 Rhianna Basore: Hahahah! <3
- 11:38:27 Bonnie Gillespie (she|her): Nodal reversal = 9 years, then every 18 years from there (so alternating with the Nodal return).
- 11:39:01 Bonnie Gillespie (she|her): The "age 27 death club" (famous people, creatives, artists, etc., dying at 27) corresponds with a Nodal reversal after the first Nodal return.
- 11:39:20 BRIGID: wow!
- 11:39:22 Bonnie Gillespie (she|her): GIVE ME MY COMFORT
- 11:39:43 April Sugarman: I'm super close with my south node! Bleh!
- 11:39:54 Bettina Kenney (she/her): 🤔... 27 - damn!
- 11:40:02 Bettina Kenney (she/her): That's fascinating!
- 11:40:53 Bettina Kenney (she/her): manifest real fast - must be manifest ;P
- 11:40:57 Bonnie Gillespie (she|her): Bettina— that 27 thing is also a 4th house profection year (ancient timing technique; a typically challenging year) AND it's just before the Saturn return... so there's a LOT of energy around 27.
- 11:40:59 Gladys she/her: Hmm. Yes, 27 was a crazy year for me.
- 11:41:06 BRIGID: (currently 27 yrs old, feelin' it)
- 11:41:09 Bettina Kenney (she/her): WOW!!!!
- 11:41:22 Bonnie Gillespie (she|her): Yeah, Brigid, I've been thinking about you.
- 11:41:58 Bonnie Gillespie (she|her): Honor both nodes; focus on North Node.
- 11:43:19 Bettina Kenney (she/her): Okay, THAT is so spot on... 🤔
- 11:43:50 Bonnie Gillespie (she|her): Yeah, the nodes are a game-changer. I've loved doing some big learning with these (and Rachel is SUCH a good teacher).
- 11:44:04 Bettina Kenney (she/her): WORD!
- 11:45:14 Heather: I think my Taurus Rising thinks it's a North Node.
- 11:46:10 Rhianna Basore: Earth signs love control, LOL
- 11:46:55 Bonnie Gillespie (she|her): So true, Rhianna. And not from a power-hungry place; it's a desire to have HOLD of things the Earth signs can actually FEEL.
- 11:47:29 Rhianna Basore: Spot on @bon!
- 11:47:49 Marie Watkins: Gemini NN so accurate. Damn.

11:48:30 Gladys she/her: oh my GOD!
11:48:41 Gladys she/her: The South Node for me is crazy pants accurate!
11:48:42 Bonnie Gillespie (she|her): Oh wow, Marie, and with North Node in your 1st House, co-present with Jupiter... that's a LOT.
11:49:04 Bonnie Gillespie (she|her): Great, Gladys!
11:49:05 Marie Watkins: It is! And explains so so so much....
11:49:35 Marie Watkins: And my BFF is also NN in Gemini and we are 1 degree off
11:49:42 Bonnie Gillespie (she|her): Whoa!
11:49:53 Marie Watkins: ;-P
11:49:57 BRIGID: yes Marie ditto!! Not gemini for me, but north node 1st house with Jupiter and my bestie is with me too! I see you, queen!!
11:50:04 Rhianna Basore: Accounting TikTok sounds amazing!
11:50:12 Marie Watkins: Brigid - that's wild!
11:50:16 Bonnie Gillespie (she|her): I finally pulled my mom's chart (haven't seen it in 20+ years) on my birthday and our North Nodes are conjunct. TO THE DEGREE.
11:50:16 Leah Cevoli: I was stuck on a production gig the past few days so playing catch up Hmmm SAG North Node here
11:50:35 Gladys she/her: Wow, Bonnie! That's so cool
11:50:37 Bonnie Gillespie (she|her): Yes!
11:50:58 Marie Watkins: Wow Bonnie! That's great alignment
11:51:03 Bonnie Gillespie (she|her): So when my mom said "Bonnie brought this [metaphysical/mystical pursuits] IN for me," that's what she meant.
11:51:12 Amelia Rico: My MC is in my South Node...
11:51:12 Leah Cevoli: Wowww
11:51:23 Bonnie Gillespie (she|her): My birth activated her North Node.
11:51:29 Bonnie Gillespie (she|her): And now I'm activating mine.
11:51:30 Bonnie Gillespie (she|her): Finally.
11:51:38 BRIGID: ❤️🙏 wow so beautiful Bonnie
11:51:55 Tara Wilken: That's so cool Bon!
11:52:04 Bonnie Gillespie (she|her): It's feeling really special. Thanks, y'all.
11:52:04 Marie Watkins: I love that Bonnie
11:52:08 Gladys she/her: !I wish I could find out what time my mom was born.
11:52:26 Bonnie Gillespie (she|her): Gladys, you may be able to have a rectified chart done for her.
11:52:39 April Sugarman: Wow, Bonnie. Beautiful.
11:52:47 Jennifer DeLatte: That cancer north node confuses me because I don't really feel that need to create a nest/home and my MC is Aries so i'm naturally a leader, wanting

to be in charge, but Capricorn South Node is saying to release the need to be in charge.
Hmm...

11:52:55 Noemi: Wow this couldnt be more true

11:53:42 Bonnie Gillespie (she|her): Jennifer—It's definitely common to have juxtapositions within your birth chart. It's why we can feel so confused by our urges to pursue X or do things X kind of way. We're getting messages from all these places in our charts.

11:54:08 Gladys she/her: I will look into it. There is no one left alive who can give any info. She was born at home in 1930.

11:54:24 Bonnie Gillespie (she|her): That's part of why I've encouraged y'all to use the Moon's sign changes so far this month to really get to know the FEEL of each sign. Then you can begin to know when a certain placement or planet is pulling your attention.

11:54:28 Heather: Wow I've been so resistant to being a healer despite having a calling.

11:54:38 Bettina Kenney (she/her): Hah! Hollywood, here I come! :D

11:54:54 Bonnie Gillespie (she|her): Gladys—That's why I suggested rectification. It doesn't require records; it's about "interviewing" the personality and life events to approximate the birth time.

11:55:13 Bonnie Gillespie (she|her): It's a fascinating methodology.

11:55:42 Gladys she/her: OK, I will try it. It's worth it.

11:56:07 Bonnie Gillespie (she|her): I love these examples Rachel is using!!

11:56:39 BRIGID: Damn, me too! These could help so much for character development in scripts, so many good archetypes and journeys here!

11:56:51 Bonnie Gillespie (she|her): It's all story arc!

11:57:09 Bonnie Gillespie (she|her): Justin Timberlake

11:57:10 Jennifer DeLatta: I'm Cher!!

11:57:10 Bonnie Gillespie (she|her): LOL

11:57:20 Gladys she/her: Yes, so cool! The heroine's journey!

11:58:29 Tara Wilken: Hmm the 6th and 12th — wow that is where I'm trying to build right now — that makes so much sense and why I was fighting against this FOR YEARS

11:58:29 Jennifer DeLatta: I freaking LOVE Baby Boom!

11:59:04 Leah Cevoli: Lol

12:00:14 Leah Cevoli: Who pegged me as the creative homemaker? lol

12:00:45 Remy O'Brien: LOve all this. Have to jump off. I'll catch the replay. Thanks Bonnie and Rachel. Bye gang see you in the chats.

12:00:58 Gladys she/her: Bye Remy!

12:01:12 Bonnie Gillespie (she|her): Catch you in the comments after replay, Remy! XO

12:01:55 Bettina Kenney (she/her): Talking nodes :D

12:01:59 Bettina Kenney (she/her): Taking nodes

12:02:03 Bettina Kenney (she/her): ;P
12:02:06 Rachel Lang: Haha! Yes, talking nodes
12:02:08 Leah Cevoli: My mid heaven is in my south node
12:02:36 Liz Hackworth: That's interesting, Leah!
12:02:37 Leah Cevoli: Neptune conjunct north node (r)
12:02:39 Amelia Rico: Me too, Leah :(
12:02:48 Rachel Lang: Ooh! Pay attention to the fourth house as your key to destiny!
12:02:57 Rachel Lang: Neptune is your key to fulfillment, Leah!
12:03:22 Marie Watkins: My SN is conjunct my moon (in Sag).
12:03:22 Liz Hackworth: My house placement recommendations, at a glance, seems to contradict the N. Node recommendations, so I'm gonna have to sit with it for a bit
12:03:27 Gladys she/her: My south node is empty - in Cancer. North is empty, too, in Capricorn.
12:03:42 eargasm: Uranus is my key to fulfillment ... there is a joke in there somewhere ...lol
12:03:50 Noemi: For the artistic expression in north in 7th in pisces... is acting included ? :)
12:04:10 Marie Watkins: My birth number is 4 / I'm in a 5 year
12:04:11 Rachel Lang: Ha! I love that, Paula. Mine is, too. :-)
12:04:12 Gladys she/her: Everything seems to point me to the spiritual realm, leadership, etc. The things I struggle with the most. LOL
12:04:34 Rachel Lang: That makes sense, Gladys - the north node is not comfortable! It's our biggest resistances and fears
12:04:38 Rachel Lang: It's not familiar
12:04:58 Gladys she/her: Urrrgggg
12:06:55 Leah Cevoli: Birth #3 - I'm an excited , manifesting , glitter party - makes sense
12:07:11 Tara Wilken: Oh fun Leah!
12:07:14 Leah Cevoli: Lol
12:07:21 Rachel Lang: Yes! A 3 year- often, people change their hairstyle!!
12:07:25 Gladys she/her: I love this - I'm a 3!!
12:07:30 Liz Hackworth: Does the personal year switch on your birthday?
12:07:38 Rhianna Basore: This is a 3 year for me, glitter for everyone!
12:07:44 Rachel Lang: I shaved my head during a 3 year and then heard that in a talk!!
Ha.
12:07:51 Rachel Lang: Love that, Rhianna!!
12:08:03 Rhianna Basore: :)
12:08:50 Leah Cevoli: 5 year for me - Mercury is my chart ruler too
12:09:08 Liz Hackworth: I would have thought it switches on the birthday :)

12:09:30 Rhianna Basore: Venus Chart ruler with Taurus Rising, 6 Birth Number, holy cow! I love a pretty house.

12:09:46 Rachel Lang: Liz, there are other astrological cycles that start on your birthday. So, you're picking up on that, I think

12:10:05 Leah Cevoli: Oh great next year is a 6yr maybe I can make my sag north node creative homemaker vibes happy lol

12:10:32 eargasm: Oh ... I expanded my inner world so much I forget the outside ... makes total sense im a 7

12:10:58 Liz Hackworth: I'm a 7 too

12:11:09 Liz Hackworth: With tons of retrogrades lol

12:11:11 Marie Watkins: I'm having an f-ed up year...hard to believe it's supposed to be a "fun 5" WTH

12:11:25 Alyssa: Hahah birth 9 wearing my thanatology (study of death and dying) sweatshirt

12:11:48 Liz Hackworth: LOL Alyssa that's cool

12:12:53 eargasm: Is there significance when your birth year and current year the same

12:14:27 Rachel Lang: There's a deep resonance with the energy of that year's cycle. It feels a deeper sense of purpose in all you do. I experience it as a faster manifestation of the tendencies represented by that numerological year

12:15:23 BRIGID: 2020 was a 6 year for me, and it so aligned with being home all the time all of a sudden

12:15:36 Bettina Kenney (she/her): Same here!!

12:15:38 Gladys she/her: Brigid, I was just thinking the same thing.

12:16:03 Bettina Kenney (she/her): And for the first time ever I did all the home renovations, paonting walls... etc

12:16:59 Rachel Lang: What a great framework for understanding the 9-year cycle!! I love these stories, Bonnie.

12:17:17 Bettina Kenney (she/her): And fhow fun that the butterfly has a shape of an 8!

12:17:26 Leah Cevoli: Next year is the year folks! Send me your eligible bachelors lol my entire chart says I need a partner _ and my benefics say he should be wealthy

12:17:32 April Sugarman: I'm a 9 — total transformation year for me — the end of the "old" me

12:17:32 eargasm: Is 9 yr nap time?

12:17:55 April Sugarman: decluttering going on here for sure!

12:18:04 Rachel Lang: Ha!! I'm going into my "nap time" year next year- I like that. 9 can be a very service-oriented year, too.

12:18:21 Noemi: Bonnie, what about Master numbers as Birth numbers?

12:18:30 eargasm: ooooooo

12:18:52 Rachel Lang: 9 years- you've mastered lessons and now, have a desire to give back.

12:18:58 eargasm: I just created a new name .. can't wait to check this out

12:19:05 Rachel Lang: Ooh!! Cool!!

12:19:22 Mae Ruling: I wanted to be an Ashley for the same reason!

12:19:23 eargasm: Is it in the workbook now?

12:19:31 BRIGID: Changed my name at 18, during the nodal return (right? Nodal return?)

12:19:32 Leah Cevoli: Yep it was a 9yr when I sold most of my belongings and bounced around with just 2 suitcases

12:20:01 Alyssa: Wowwww loving this

12:20:14 Rachel Lang: Bonnie, the nose is connected to money and wealth in Chinese face reading- big noses are signs of abundance. Can we tell that to your younger self? haha!

12:20:22 Mae Ruling: My cell is my birth number

12:20:23 eargasm: U need to make an app for that Bonnie

12:20:54 eargasm: Oh I must b super wealthy

12:21:10 Gladys she/her: OMG that's great because I'm known for my schnauz in my family.

12:21:33 Gladys she/her: LOLOL

12:25:53 Alyssa: Whew definitely teary on that one!

12:26:14 eargasm: Oof right?

12:26:49 Bettina Kenney (she/her): Aaaah... my brain is exploding already... 🤯

12:27:25 Tara Wilken: Bye all- have a great rest of the Q&A :)

12:28:37 Leah Cevoli: Yep me too in 10th south node with MC

12:29:22 Bonnie Gillespie (she|her): SO your values, Amelia!!

12:29:29 Bonnie Gillespie (she|her): Your production company is so about the fam!

12:31:08 Bonnie Gillespie (she|her): MC = invisible chart point

12:31:23 Bonnie Gillespie (she|her): South Node drains the energy when conjunct a PLANET or LUMINARY.

12:31:25 Bonnie Gillespie (she|her): Not chart points.

12:32:24 Bonnie Gillespie (she|her): #CreatingTheHollywoodWeWant

12:32:26 Leah Cevoli: That's amazing Amelia

12:32:26 Bonnie Gillespie (she|her): YES, queen!

12:32:31 Valerie Madden: I have a similar question as Amelia. Feels like there are blockers affecting what is promised to manifest this year according to my numbers and chart. How can perceived blockers be cleared?

12:33:33 Liz Hackworth: YAY!! TOOLS!

12:33:48 Jennifer DeLatte: Yay!! Great question Valerie, thanks.
12:33:58 Valerie Madden: Yeah!!!
12:34:15 Bonnie Gillespie (she|her): We've gotchoo!!
12:34:54 Bonnie Gillespie (she|her): OMG yes. Get into Zodiacal Releasing and you'll realize how many game-changing events happen all through your life, only to be revealed sometimes DECADES later.
12:36:48 Marybeth: ha ha - I wake up feeling completely new almost weekly:) I guess bc Moon is my chart ruler
12:37:21 Sarah McLean: If I'm interpreting Rachel's explanation to Amelia correctly (I'm also in the same situation with the MC and SN), this also goes along with the fascinate advantage and leaning into your dormant powers. For me at least.
12:37:31 Bonnie Gillespie (she|her): Totally, Marybeth!
12:37:41 Bonnie Gillespie (she|her): Sarah, yes! I think so.
12:38:50 Liz Hackworth: I thought the nodes weren't physical locations?
12:39:58 Bettina Kenney (she/her): Aaaaaaaaaaaaaah...!
12:40:27 Bettina Kenney (she/her): 🌑
12:40:30 Bettina Kenney (she/her): 🤔
12:40:33 Bettina Kenney (she/her): 🙌
12:40:33 Bonnie Gillespie (she|her): YES!! Twitter is so Mercury. So Gemini.
12:41:04 Bonnie Gillespie (she|her): GIRL
12:41:14 Sarah McLean: always drawn to twitter over any social media - gemini rising!
12:41:21 Bonnie Gillespie (she|her): #SoOnBrand, Sarah.
12:41:29 Amelia Rico: Liz, they are invisible points in your chart, meaning there's not a physical body to it like the planets, but it's still a certain point on your natal chart.
12:41:53 Liz Hackworth: Yes, so I was just wondering how it's possible that they would be direct or retrograde. I'll look into it more :)
12:42:22 Amelia Rico: Oh, that's beyond my knowledge! lol
12:42:48 Rhianna Basore: You guys make me want to stare at my chart and dream....such magical stuff!
12:42:58 Bonnie Gillespie (she|her): Same, Rhianna. ALL THE CHARTS
12:43:05 Rhianna Basore: ALL THE CHARTS!
12:43:40 Bonnie Gillespie (she|her): C'mon, girl!
12:44:04 Bonnie Gillespie (she|her): JFDI
12:46:54 Bonnie Gillespie (she|her): Do remediation on any planets copresent with the South Node.
12:47:07 Bonnie Gillespie (she|her): Make dates with them to bump up their power, since South Node is sucking out some of it.
12:49:12 Gladys she/her: OMG mine is right in Aries. Love this.

12:49:13 Bonnie Gillespie (she|her): They're SO real.
12:49:23 Bonnie Gillespie (she|her): They ignite the IDGAF energy.
12:56:24 Sarah McLean: Have to hop off. This is fascinating. See you all in the replay and comments later tonight.
12:57:41 Bonnie Gillespie (she|her): Bye, Sarah!
12:59:14 Jill Austin: If MC is not in 10th house, is 2 + 6 + 10 still the element to consider?
13:00:29 Bonnie Gillespie (she|her): Yes, Jill. :) You've got it!
13:00:56 Bonnie Gillespie (she|her): You want to use the element of 2H/6H/10H to help your MC do its work.
13:01:22 Gladys she/her: And when it's where it was when you were born (the moon), then that's like a reset, right?
13:01:44 Bonnie Gillespie (she|her): Yes! Gladys—it's a lunar return (we get one every month).
13:01:57 Heather: [insert mercury retrograde hate here]
13:01:58 Bettina Kenney (she/her): "Astro-judgy" 🤔👉
13:02:06 Bettina Kenney (she/her): Mercury retroGRACE!
13:02:21 Bonnie Gillespie (she|her): Track to learn the rhythm so you can stop tracking it. ;)
13:05:12 Gladys she/her: Love that book!
13:08:47 Liz Hackworth: Thanks all, see you in the comments! I'm excited to keep this conversation going :)
13:12:41 Bonnie Gillespie (she|her): So good.
13:12:44 Bonnie Gillespie (she|her): That set feels like family.
13:16:17 Bonnie Gillespie (she|her): FUN
13:16:30 Heather: My inner theatre kid is delighted.
13:16:35 Bonnie Gillespie (she|her): Oh, I love that.
13:16:39 Bonnie Gillespie (she|her): Yes, Heather!! Mine too!
13:16:43 Bonnie Gillespie (she|her): Totally going to do this.
13:19:32 Bonnie Gillespie (she|her): Backers.
13:19:34 Bonnie Gillespie (she|her): Investors.
13:19:58 Alyssa: Puritan work ethic gotta go!
13:20:01 Bonnie Gillespie (she|her): 8th house is "other people's money" so it can be lottery winnings, stock market, inheritance, investors, even a Kickstarter!
13:20:07 Heather: I'm going to buy every book, take every class, screenshot every post that Rachel has to offer.
13:20:18 Bonnie Gillespie (she|her): Rachel's pure magic.
13:21:21 Rachel Lang: Aw!!! I love you all!! <3
13:23:18 Bonnie Gillespie (she|her): Saturnize your life! YES!

13:23:58 Bonnie Gillespie (she|her): And because that SN is Cancer, those fears will feel BIG.

13:24:07 Bonnie Gillespie (she|her): Choose Saturn friends wisely. ;)

13:25:58 Bonnie Gillespie (she|her): Rosie the Riveter, go back home.

13:26:11 Bonnie Gillespie (she|her): The pandemic also said, "Women go back home."

13:26:15 Bonnie Gillespie (she|her): "And stay there."

13:26:23 Bonnie Gillespie (she|her): "Homeschool your kids."

13:26:26 Nina Hatchwell: Cancer is a great leader then

13:26:34 Bonnie Gillespie (she|her): Cancer is a very strong-willed leader.

13:28:17 Nina Hatchwell: I'm so glad we are having this convo about Cancer as the 'home' 'family' words carry so much

13:29:13 Noemi: Abbie, Just the ,collaborator here, if okay Id like to reach out to you and give you an Opportunity to chat about these ,healthy lunch ideas, if okay at all :)

13:30:22 Bonnie Gillespie (she|her): Both ruled by Saturn.

13:31:31 Bonnie Gillespie (she|her): And next week is all about Saturn and Mars, so we'll get more into how to use the power of the malefics then.

13:32:12 Gladys she/her: Can we submit questions next week if we can't be there? I have to go to the office. Booooo

13:32:13 Bonnie Gillespie (she|her): April the questioner!!

13:32:28 Bonnie Gillespie (she|her): Gladys—yes. Post them in the Week 5 comments (that page will go up Monday).

13:32:37 Bonnie Gillespie (she|her): We'll bring your Q to the Zoom.

13:33:00 Bonnie Gillespie (she|her): Reread "Atomic Habits," April.

13:33:06 Gladys she/her: Ooh, OK, great!

13:33:17 Bonnie Gillespie (she|her): 6th house loves the little habits.

13:34:42 Bex Carney: My goth friend when I was eighteen became a huge client for 10 years in advertising !

13:34:52 Bonnie Gillespie (she|her): Exactly like that, Bex. Yes!

13:36:09 Rachel Lang: I love Atomic Habits!! Yes, that's where I learned that concept of habit stacking

13:36:34 Rachel Lang: YES to all of this!!!!

13:37:00 Rachel Lang: When Bonnie and I connected on IG, that was a MOMENT OF MANIFESTATION I didn't realize until much later.

13:37:18 Rachel Lang: I love this conversation!!

13:37:50 Alyssa: Amazing!! THANK YOU!

13:37:57 April Sugarman: Thanks, Ladies! Sooooo fun!!!

13:39:40 Gladys she/her: Thank you!!!

13:39:57 Jill Austin: YOU all make it so fun!
