- 11:41:14 From Bonnie Gillespie (she | her): Rahu
- 11:41:16 From Bonnie Gillespie (she | her): Katu
- 11:42:43 From Bonnie Gillespie (she | her): And we're headed into eclipse season here soon, BTW.
- 11:44:13 From Bonnie Gillespie (she | her): South Node = what we came in with, what we're comfy being.
- 11:44:25 From Bonnie Gillespie (she | her): North Node = where we're headed, what's outside our comfort zone.
- 11:47:59 From Bonnie Gillespie (she | her): appx 18, 36, 54, 72, 90 = nodal returns
- 11:48:23 From Deborah Madick: Oh wow I'm 54 now
- 11:48:39 From Bonnie Gillespie (she | her): appx 9, 27, 45, 63, 81 = nodal reversals
- 11:48:40 From Sanaa Abouayoub: 36 next year... I am feeling it
- 11:48:51 From silvia soh: 36 in January and I am totally feeling that!!
- 11:49:02 From Bonnie Gillespie (she | her): That's a big year, Sanaa & Silvia.
- 11:49:16 From Bonnie Gillespie (she | her): Yay, Deborah! I'm headed there and looking forward to it!
- 11:50:43 From Kellye Rowland: Omfg this is spot on
- 11:51:10 From Rachel Lang (she/her): South node- dominant hand/ North node- non-dominant hand
- 11:51:23 From Rachel Lang (she/her): Sam Reynolds - a great astrologer!!!
- 11:51:36 From Rachel Lang (she/her): <http://unlockastrology.com>
- 11:54:04 From Bonnie Gillespie (she | her): Libra North Node = create that relationship with yourself.
- 11:54:14 From Bonnie Gillespie (she | her): Libra South Node I meant!
- 11:54:31 From Bonnie Gillespie (she | her): Libra NORTH Node = get okay with partnering.
- 11:55:14 From Bonnie Gillespie (she | her): Remember, Taurus/Scorpio axis = \$
- 11:56:55 From Bonnie Gillespie (she | her): This course partnership is Rachel working out her Scorpio North Node. Yay!

11:57:51 From Jill Austin: what does nodal return/nodal reversal signify? the start of another hero's journey? The intensity of the node?

11:57:57 From Sanaa Abouayoub: That's why we are here :)

11:58:21 From Bonnie Gillespie (she|her): Jill, yes. Can be an intensification during the return, a shift in focus at the reversal.

11:58:57 From Bonnie Gillespie (she|her): Return can also be a reckoning. "Am I on purpose?"

11:59:11 From Bonnie Gillespie (she|her): Almost a mini-Saturn return.

12:03:05 From Rachel Lang (she/her): Can't wait for that vision board workshop!!! We want details, Bon

12:03:44 From Deborah Madick: That's awesome

12:03:53 From Jill Henderlight: OMGawd Julie McCoy was my nickname in college!

12:03:58 From Jill Henderlight: Hello, party planner!

12:04:00 From Kellye Rowland: Lol!!

12:04:29 From Rachel Lang (she/her): Jan Spiller has a great book about the nodes- Astrology for the Soul

12:05:36 From Deborah Madick: Yes please

12:05:39 From Jill Austin: ooh yes please, Rachel!

12:05:39 From Sanaa Abouayoub: thankksss

12:06:18 From Liz Coleman (she/her): Wow!! So generous! Thanks Rachel!

12:07:33 From Bonnie Gillespie (she|her): I use the formula = the planet is the what, the sign is the how, the house is the where.

12:09:22 From Deborah Madick: So helpful

12:09:50 From Bonnie Gillespie (she|her): So for this (for me), it would be "North Node is the what" (life's purpose), "Pisces is the how" (lean into flow, mysticism), "6th house is the where" (daily practices, rituals, jobby-job).

12:10:31 From Kellye Rowland: My wife's is south node in third and she IS a college professor lol!!!

12:10:36 From Bonnie Gillespie (she|her): LOL

12:10:39 From Bonnie Gillespie (she|her): So literal!

12:11:37 From Dana: wow my daughter moved to LA at 18 !

12:11:48 From Bonnie Gillespie (she|her): During her Nodal Return, Dana!

12:12:36 From Kellye Rowland: I moved to L.A when I was 18/19 too Dana! This stuff is sooooo amazingly spot on...

12:12:52 From Bonnie Gillespie (she|her): Wow, Kellye.

12:13:10 From Dana: wowwww

12:14:51 From Dana: i relate...!

- 12:14:59 From Bonnie Gillespie (she | her): Embodiment.
- 12:15:00 From Bonnie Gillespie (she | her): Yes!
- 12:15:37 From Jill Henderlight: what does "conjunct" mean?
- 12:15:48 From Jill Henderlight: I can google
- 12:15:50 From Bonnie Gillespie (she | her): Same sign.
- 12:15:56 From Bonnie Gillespie (she | her): Near each other, by degree.
- 12:15:59 From Jill Henderlight: ah gotcha
- 12:17:58 From Rachel Lang (she/her): Birth number- your worldview in a 9-year cycle
- 12:18:16 From Rachel Lang (she/her): Life number we're jumping into and starting from
- 12:21:37 From Rachel Lang (she/her): 1 = Sun; 2 = Moon; 3 = Jupiter
- 12:22:39 From Rachel Lang (she/her): 4 = Saturn; 5 = Mercury; 6 = Venus
- 12:25:11 From Rachel Lang (she/her): 7 = Jupiter; 8 - Saturn; 9 = Mars
- 12:29:33 From Jill Austin: So 9 corresponds to nodal intensity as well
- 12:35:28 From Bonnie Gillespie (she | her): Leadership and groups = 11H
- 12:35:46 From Bonnie Gillespie (she | her): Taurus = \$ and luxury and values
- 12:36:06 From Bonnie Gillespie (she | her): South Node conjunctions = those planets have less strength.
- 12:36:15 From Bonnie Gillespie (she | her): Which is good news on that Mars!
- 12:37:53 From Bonnie Gillespie (she | her): Scared and doing it anyway!
- 12:38:13 From silvia soh: Planning on quitting my matrix job in jan 😊
- 12:38:18 From Bonnie Gillespie (she | her): NICE
- 12:38:26 From Bonnie Gillespie (she | her): That's gonna be a big move, Silvia.
- 12:38:51 From Bonnie Gillespie (she | her): Reversal = stuck in comfort zone. People showing up to help shift us.
- 12:39:02 From Bonnie Gillespie (she | her): Return = renewal of commitment to purpose.
- 12:40:01 From Kellye Rowland: Same Sanaa, so much same
- 12:41:51 From Bonnie Gillespie (she | her): Destiny of Aries values = novelty, passion, eagerness, solo ventures.
- 12:42:28 From Bonnie Gillespie (she | her): Do some Mars remediation! Playdates with Mars.
- 12:42:51 From Liz Coleman: Yep, I have NN in Aries opposite Mars in Libra. I can really relate to this!
- 12:43:58 From Kellye Rowland: I relate so hard with all this my NN is also Aries conjunct AC
- 12:47:13 From Bonnie Gillespie (she | her): Visibility!!
- 12:47:27 From Bonnie Gillespie (she | her): Being of service and not hiding it.

12:57:01 From Bonnie Gillespie (she | her): HUGS. Scorpio 7th. That's not subtle for that messaging.

12:57:23 From Bonnie Gillespie (she | her): North Node in 1st = SELF sufficient.

12:57:48 From Rachel Lang (she/her): Hugs to you, Deborah!! I have a Scorpio North node and had the same messaging. It's been a struggle!

12:58:39 From Dana: sending you love and support!!!

12:58:52 From Kellye Rowland: I see you Deborah. <3

12:58:56 From silvia soh: We see you Deborah and you are here to do BIG things for YOURSELF ❤️

13:00:16 From Bonnie Gillespie (she | her): Taurus rising with that Venus chart ruler in Aquarius, with your Sun and Mercury. YES. So much community and innovation energy around that ease/money.
