

## Astrology for Creatives Live Zoom Chat 09 March 2022

- 11:30:57 From Bettina Kenney (she/her): ✨✨✨
- 11:31:03 From Bettina Kenney (she/her): Helloooo 💕
- 11:31:50 From Bettina Kenney (she/her): Dove, crow, pups, aaaall welcome here! <3
- 11:37:03 From Kellye Rowland: My NN is on Aries 1st house \*right\* next to Saturn. Yayyyyy lol
- 11:37:49 From Bonnie Gillespie (she/her): The discomfort of staying stuck vs. the discomfort of growing beyond our reach.
- 11:38:39 From Bonnie Gillespie (she/her): Those "power" planets can be confronting.
- 11:39:20 From Kellye Rowland: Yes they can!
- 11:39:45 From Kellye Rowland: Omg my mercury is conjunct my south node and yessss wow
- 11:40:17 From Kellye Rowland: Love that
- 11:40:30 From Susan utelevision: Sorry couldn't get in!
- 11:40:38 From Bonnie Gillespie (she/her): Good to see you, Susan!
- 11:40:49 From Bonnie Gillespie (she/her): Zoom did a big update since our last meeting, so it could be glitchy town.
- 11:41:01 From Susan utelevision: Thank you!!
- 11:44:57 From Kellye Rowland: Really love that Bon
- 11:46:01 From Bonnie Gillespie (she/her): Rachel's getting those eclipses these 18 months!!
- 11:46:18 From Bonnie Gillespie (she/her): Transformation time!
- 11:47:15 From Kellye Rowland: Ughhh omg yeah
- 11:47:42 From Bonnie Gillespie (she/her): I ask myself, "How can I lean into my North Node with this issue?" many times a day.
- 11:47:48 From Kellye Rowland: So good, yes
- 11:49:49 From Bonnie Gillespie (she/her): For real. Do not decide that "life's purpose" means MONEY.
- 11:49:54 From Bonnie Gillespie (she/her): Unless you're Taurus/Scorpio.
- 11:50:04 From Bonnie Gillespie (she/her): Taurus/Scorpio nodes will involve money.
- 11:50:14 From Bonnie Gillespie (she/her): 2nd or 8th house nodes will involve money.
- 11:53:56 From Jill Austin: Since \$ = energy exchange, it can also be about time and other resources
- 11:54:16 From Bonnie Gillespie (she/her): Well-spotted, Jill. That's absolutely true!
- 11:54:53 From Bonnie Gillespie (she/her): Reminds me of a thread I saw on Twitter this morning, about framing "return on hassle" rather than "return on investment" because energy/time is currency.

11:55:31 From Susan utelevision: that's me sag n.node

12:05:24 From Melissa Crim: Pisces north node - virgo south node in late 2015-fall 2016 things felt relatively easy with many opportunities opening up and less apparent struggle. (Pre election) (Virgo/Pisces) In June 2017 my world upended in multiple violent ways. At warp speed I flipped into having to seek the Pisces path in an attempt to search for meaning and right my path because I had ZERO control. That is what it seemed to take in order for me to open up and begin having magical experiences. The day the nodes shifted to Pisces/Virgo happened to be the day I went to the Frist Museum and saw the deconstructing of a mandala with Buddhist monks. I was especially drawn to Amitabha - Limitless light, and an installation called, "Clusterfuck." It looked like an enormous crowd in a storm of glass shards with pieces of color. Foreshadowing 😭😭

12:07:16 From Bonnie Gillespie (she/her): Wow, Melissa! That's big. Great awareness!

12:08:21 From Kellye Rowland: Wow Melissa, that's huge

12:10:17 From Bonnie Gillespie (she/her): Melissa, I feel like I want to recommend a filmed theatre performance called "In and of Itself" (Netflix, I think). Actually, everyone might enjoy it. VERY cool, and Melissa's detailed comment made it pop into my mind. <3

12:11:03 From Bonnie Gillespie (she/her): Looks like it's on Hulu.

12:11:25 From Bonnie Gillespie (she/her): <https://www.inandofitselfshow.com>

12:12:53 From Bettina Kenney (she/her): giggle: hometown to hollywood would be my placidus... and I think that is "possibly maybe vielleicht unter Umstanden not entirely deniable" 😊

12:13:24 From Bettina Kenney (she/her): And then again Wholesign Actor - director... hmmm something tehre, too

12:13:27 From Bettina Kenney (she/her): \*there

12:14:01 From Tara Wilken: I just got goosebumps when Rachel talked about south 6 to north 12

12:14:30 From Bonnie Gillespie (she/her): Pretty cool, huh, Tara?

12:14:46 From Tara Wilken: Yes— and how much stuff is fitting together

12:14:46 From Bonnie Gillespie (she/her): Soul Shivers.

12:14:48 From Bonnie Gillespie (she/her): 😊

12:15:39 From Bonnie Gillespie (she/her): I have to remind myself I'm in a body DAILY.

12:17:36 From Kellye Rowland: SN in 7th to NN in 1st relevance for me: gotta leave in a half hour or so—have a 90 minute chart synastry/composite reading between me and a particularly toxic/magnetic relationship with my ex I am in the process of FINALLY letting go of. Doing a cord cutting spell after. On a 9 day, On the 9th of the month. I WILL let go of/release this/him. <3

12:19:03 From Tara Wilken: Wait does the feet thing— does that also apply to North in 12 too instead North in 6th

12:19:13 From Bettina Kenney (she/her): "and on that node, uh, ote..."

12:19:14 From Rachel Lang (she/her): Yes, Tara! I think so!

12:19:18 From Bettina Kenney (she/her): note

12:19:49 From Tara Wilken: Wow- I got frost bite on both of my feet- years ago- still always cold

12:22:06 From Susan utelevision: How are the characteristics of the numbers determined? I use tarot or enneagram for that pattern

12:22:31 From Rachel Lang (she/her): Susan, the characteristics go back to Pythagorus!

12:22:44 From Susan utelevision: gotvha

12:22:49 From Rachel Lang (she/her): But tarot and enneagram all stem from those early concepts

12:23:11 From Rachel Lang (she/her): Tarot, astrology, sacred geometry - all dates back to the spiritual significance of math

12:23:13 From Susan utelevision: different from this

12:23:26 From Rachel Lang (she/her): But Bonnie's explaining it with planets!

12:23:38 From Susan utelevision: yup

12:25:23 From Rachel Lang (she/her): Often, a 3 year is a big style change or haircut! I've heard a numerologist say

12:26:17 From Bettina Kenney (she/her): Even though this analogy might be "early 30s" etc., but it is so relatable (and that is coming from me: childless and deliberately so \*giggle\*

12:29:51 From Rachel Lang (she/her): I was in 2020 - ouch!!!!

12:29:53 From Melissa Crim: 2020 was my 7

12:30:26 From Susan utelevision: right now is my 7th

12:30:42 From Rachel Lang (she/her): We should start a 7 and 9 support group- haha!

12:31:12 From Rachel Lang (she/her): Ooh!! I love this analogy!!!

12:31:13 From Susan utelevision: you bet

12:31:30 From Kellye Rowland: Whoa, I'm doing a cord cutting spell regarding an ex later today after a synastry reading on a 9 day, on the 9th of the month, in a 9 MONTH. Whoa.

12:32:52 From Crystal: Your personal year number start as of the 1st of the year (January 1), not as of your actual birth date, right? (might have missed it if you already stated this)

12:33:04 From Bonnie Gillespie (she/her): That's right, Crystal!

12:35:01 From Susan utelevision: so today is a 9?

12:35:04 From Kellye Rowland: yes

- 12:43:04 From Bonnie Gillespie (she|her): Contrast of how you WERE nurtured and how YOU nurture.
- 12:43:28 From Bonnie Gillespie (she|her): Also, consider the "nurturing" you did as a child being more about survival and people-pleasing than actual NURTURING.
- 12:43:58 From Bonnie Gillespie (she|her): When we play the parent to our parents, it's usually not a nurturing relationship as much as a care-taking/savior/survival situation.
- 12:45:12 From Kellye Rowland: ^^yup yup
- 12:45:22 From Susan utelevision: love
- 12:48:12 From Rachel Lang (she/her): Also, going back to our 9-year-old self, our 19-year-old self, etc., and healing those uncomfortable experiences that bring us into our NN path.
- 12:48:38 From Rachel Lang (she/her): Also, the NN isn't comfortable! We want to bring comfort to it.
- 12:48:48 From Rachel Lang (she/her): Create peace around it by celebrating it!!
- 12:50:09 From Rachel Lang (she/her): Susan's bird!!! I love it
- 12:50:20 From Bonnie Gillespie (she|her): Mercury moving into Pisces today!!
- 12:50:30 From Abby: chart sisters!
- 12:50:33 From Bonnie Gillespie (she|her): VERY active during that critical degree of Aquarius, on the move.
- 12:50:33 From Rachel Lang (she/her): That's relatable, Jill!! LOL
- 12:50:39 From Rachel Lang (she/her): YES - totally
- 12:51:10 From Bonnie Gillespie (she|her): I am SO excited about this book!!
- 12:51:47 From Abby: yes, loved that, too
- 12:52:45 From Susan utelevision: Looks like the s node is conjunct Mercury too
- 12:53:05 From Bonnie Gillespie (she|her): Time to use the 9 day for decluttering!
- 12:53:06 From Bonnie Gillespie (she|her): LOL
- 12:53:18 From Kellye Rowland: Bon I'm doing that in a big way TODAY!!
- 12:53:27 From Bonnie Gillespie (she|her): Oh, good, Kellye!! That's awesome.
- 12:53:32 From Kellye Rowland: Will write in the course page comments about it later 😊
- 12:53:35 From Bonnie Gillespie (she|her): 😊
- 12:54:24 From Kellye Rowland: My Neptune is in scorpio too
- 12:54:58 From Bonnie Gillespie (she|her): Yes, Kellye. That's a generational planet (very slow-moving) so many of us have Neptune Scorpio. 😊
- 12:55:20 From Kellye Rowland: Ahhh yes I forgot about that. Love the collectiveness of us all with it.
- 12:56:44 From Kellye Rowland: Gotta run for a synastry/composite reading re an ex. letting go happens TODAY. Have a great rest of session folks 😊
- 12:56:54 From Abby: 🙌 yes, timing!

- 12:56:56 From Crystal: Kellye, your cord cutting is going to stick! ✨🙌
- 12:56:58 From Bonnie Gillespie (she/her): Ooh, love, Kellye! Can't wait to hear about it!
- 12:57:06 From Kellye Rowland: IT WILL BECAUSE IT HAS TO
- 12:58:07 From Abby: does that 9 year cycle start at 9 years old then?
- 12:58:25 From Bonnie Gillespie (she/her): Abby, yes.
- 12:59:05 From Bonnie Gillespie (she/her): Think of the chartwheel like a pie.
- 12:59:15 From Bonnie Gillespie (she/her): And we slice it up into 4th, visually.
- 13:00:30 From Melissa Crim: This is so helpful because I often feel and say that I keep losing the "thing." Like, I haven't seen colors in a while or I feel disconnected from "knowledge or knowing." It feels like that is when I have slid back toward south
- 13:01:00 From Rachel Lang (she/her): Sagittarius North Node - a perfect example!!
- 13:02:13 From Abby: 😞
- 13:03:38 From Abby: thank you!! 💋
- 13:04:16 From Susan utelevision: love it
