11:32:21 from Alexandra Griffin: 💕💕💕

11:33:37 from Alexandra Griffin: on wednesdays we wear pink!!

11:33:50 from Kellye Rowland: 😊

11:35:28 from Bonnie Gillespie (she|her): If you want more info about "It's a pink day," I've gotchu at the Chart Harmony Instagram profile. 😊 I'm doing daily COLORS all through June.

11:36:42 from Bonnie Gillespie (she|her): Rahu & Ketu

11:37:01 from Bonnie Gillespie (she|her): NN = dragon's head

11:37:04 from Bonnie Gillespie (she|her): SN = dragon's tail

11:38:26 from Bonnie Gillespie (she|her): Look for the words TRUE NODE on your Whole Sign chart.

11:38:35 from Bonnie Gillespie (she|her): True Node = North Node

11:40:14 from Lisa Just Listening: Can u go back to the slide before for a minute?

Thanks!

11:41:25 from Sandra Halling | @CreatrixOfOrder: #TeamComfyPants

11:42:11 from Alexandra Griffin: conjunct means lined up with?

11:42:12 from Bonnie Gillespie (she|her): 18.5 year increments = Nodal Return/Nodal Reversal

11:42:28 from selena vidya: Nodal return currently happening for meeeee (few degrees past now)

11:42:36 from Bonnie Gillespie (she|her): How's it going, Selena?

11:43:14 from Sarah Page: My nodal return as well!

11:43:20 from Kellye Rowland: if a NN is at 9 degrees and a planet is at 24 degrees is that "conjunct" or too far away?

11:43:25 from Bonnie Gillespie (she|her): 180° apart

11:43:29 from selena vidya: That's a fun question 🤔 It's very turbulent/rocky. Shedding lots of old. Unknown territory, swimming in the dark.

11:43:42 from Bonnie Gillespie (she|her): That orb is too far for true conjunct, Kellye. It'd be called "conjunct by sign" or "co-present".

11:43:51 from Kellye Rowland: ok

11:43:58 from Bonnie Gillespie (she|her): YES, Selena... Scorpio action on that shedddddd!! Love it.

11:44:07 from selena vidya: 🙌

11:44:28 from Bonnie Gillespie (she|her): Upper Limit Problems

11:44:35 from Alexandra Griffin: oh hey, fear of success is a big one for me 🤔

11:44:50 from Kellye Rowland: same alexandra, same

11:45:02 from Kellye Rowland: because HOW DARE WE right??
11:47:54 from selena vidya: love that! (growing like hair, nails)
11:49:57 from Bonnie Gillespie (she|her): NOT EVERYONE'S PURPOSE IS RELATED TO MONEY.
11:50:02 from Bonnie Gillespie (she|her): Catch that!!
11:50:19 from Bonnie Gillespie (she|her): It's IMPORTANT to note that some signs do not care about money AT ALL, re: Your Life's Purpose.
11:50:36 from Kellye Rowland: evertime is see aries NN i'm just like so much yesssss lol
11:50:51 from Bonnie Gillespie (she|her): You've got this, Kellye!
11:51:16 from Kellye Rowland: asnd honoring myself by being honest which led to being poly 😊
11:51:25 from Bonnie Gillespie (she|her): YES
11:52:21 from Bonnie Gillespie (she|her): Selfish = self-loving
11:52:28 from Bonnie Gillespie (she|her): And dominant culture HATES that. ^^
11:52:39 from Bettina Kenney: Haha, I feel exposed... ;P
11:52:52 from Bonnie Gillespie (she|her): Taurus/Scorpio = the current eclipse cycle.
11:52:55 from Bettina Kenney: Damn, so accurate
11:54:26 from Rease Cassity: M A T E R I A L . G W O R L S
11:54:34 from Bonnie Gillespie (she|her): LOL Rease. ;)
11:55:29 from Sarah Page: So interesting! There's so much in my life and past that have told me self-reliance is unhealthy, but that's my journey with a Taurus NN.
11:56:12 from Bonnie Gillespie (she|her): Liberating, right, Sarah?
11:57:12 from Bonnie Gillespie (she|her): Charismatic
11:59:12 from Rease Cassity: Cap NN Cancer SN here *raises hand*
11:59:37 from Bonnie Gillespie (she|her): Does it resonate, Rease?
11:59:40 from Rease Cassity: I'm literally so scared...
11:59:42 from Rease Cassity: not sure why?
12:00:40 from Rease Cassity: Yes, powerful. you are right! Thank you <3
12:00:54 from Rease Cassity: "oh I'm in my south node right now"
12:00:55 from Rachel Lang (she/her): "It's just my South Node" Name it!!
12:01:24 from Kellye Rowland: "i'm in my south node right now". wow. that really is gonna work for me i think, to name it like that and help me forge forward to aries first house NN. 😊
12:01:56 from Bonnie Gillespie (she|her): Oooh, that's good stuff, Rachel!
12:02:08 from Kellye Rowland: *trust mySELF*. i'm pretty intuitive and smart. i need to trust that more. instead of rely on other people/partners opinions (libra SN)

12:02:12 from Cristy Chung (she/they): Wow! I'm fascinated by this. Cancer NN Cap SN. I have such a tension between family and career. So often I'm in a care giver role and following my work life passions and they collide.

12:02:32 from Bonnie Gillespie (she|her): Ack! Cristy!! I still owe you email!! I'm so sorry! This week -- I promise!

12:02:51 from Bonnie Gillespie (she|her): And YES, isn't the NN/SN juxtaposition fascinating?

12:02:53 from Cristy Chung (she/they): Thanks Bonnie! No Worries!

12:03:10 from Sandra Halling | @CreatrixOfOrder: Be on stage 😂😂😂

12:03:52 from Cristy Chung (she/they): I feel like I'm always being asked to prioritize one. I've been trying to figure out how to be in a both/and stance.

12:03:53 from Bonnie Gillespie (she|her): Fairy Godmother role.

12:04:07 from Bonnie Gillespie (she|her): Ooh, Cristy, that's one of my favorite puzzles: Let both be true.

12:04:10 from Sandra Halling | @CreatrixOfOrder: Oh that's a great analogy Bonnie

12:04:20 from Bonnie Gillespie (she|her): Yay! Thanks, Sandra. I'm glad.

12:06:37 from Alexandra Griffin: pisces NN here

12:06:45 from Cristy Chung (she/they): Yikes this Virgo NN and Pisces SN is my daughter, Olivia who struggles with anxiety and depression. This. offers so much insight.

12:07:16 from Rachel Lang (she/her): Oh wow, Cristy... yes, that can be a manifestation of how healing happens

12:07:18 from Kellye Rowland: i was just going to say this Bon!! I have seen you walk towards you NN!!

12:07:26 from Rachel Lang (she/her): Absolutely, Bonnie!!

12:07:28 from Rachel Lang (she/her): YAY!!!!

12:07:53 from Lisa Just Listening: Confused....SN in Leo...mean those r my challenges?

12:08:28 from Karen Commins: So interesting to think of your journey, Bonnie! 🧠

12:08:30 from Lisa Just Listening: Funny it doesn't feel that way....center of attention.

12:08:38 from Alexandra Griffin: so fascinating, so my virgo SN is why i rationalize my use of tarot cards ("well, i use them more as getting diff perspectives") or astrology/crystals ("i mean even if its not real it wont hurt")

12:08:42 from Thalma de Freitas: oh yes, I a witness of your journey Bonnie, is a beautiful thing to see 💕

12:08:43 from Rachel Lang (she/her): The challenges relate to the stuckness resulting from the south node themes

12:09:21 from Bonnie Gillespie (she|her): Thank you, Thalma. I love you.

12:09:53 from Karen Commins: My Virgo NN is definitely ME! I don't relate to the Pisces SN except for the self-doubt aspect.

12:10:33 from Kellye Rowland: Mars for me baby!! what a great idea.

12:11:05 from Sarah Page: Venus is conjunct my NN in Taurus - I feel like NN homework could be fun!!

12:11:28 from Sandra Halling | @CreatrixOfOrder: Basically I need to mark all the Leo days on my calendar. (Such a Virgo thing to say 😂)

12:11:40 from Bonnie Gillespie (she|her): SUCH a Virgo thing! LOL

12:11:41 from Bonnie Gillespie (she|her): Do it!!

12:12:06 from Bonnie Gillespie (she|her): All Leo Moons, all Sun's day (Leo's ruler) -- those would be great for a few days each month to be in service of your NN.

12:12:29 from Bonnie Gillespie (she|her): For those of you who were not feeling 100% on the NN/SN part, look at these HOUSES, because they're players too!!

12:14:12 from Tiffany Polite: Gemini NN in the 9th house (Sag) - I'm upside down/inside out (describes my life)... lead the leaders/teach the teachers? take risks but not too many?

12:14:28 from Bonnie Gillespie (she|her): Let's look during Q&A, Tiffany! 😊

12:14:44 from Tiffany Polite: ok, thanks!

12:14:52 from Bonnie Gillespie (she|her): Libra Rising always means our houses are "opposite" the natural. It's a thing.

12:18:09 from Sarah Page: Does the numerology year start with calendar year or birthday?

12:18:11 from Thalma de Freitas: I'm a 4 in a 7 year

12:20:56 from Rachel Lang (she/her): 2 - nest and take care of the baby and make things safe for your projects/new beginnings

12:21:15 from Rachel Lang (she/her): 2- "abort" or "knit booties"

12:21:36 from Rachel Lang (she/her): 3- manifestation of the seed that was planted and the decision point

12:22:25 from Rachel Lang (she/her): 4- have child, need to go to work. stability/work

12:22:46 from Rachel Lang (she/her): 5 - kid's off to college - PARTY!

12:22:50 from Jean Dougherty: can you move slide?
12:23:15 from Sarah Page: Lol I'm in a 5 year and my mantra is 'fuck around and find out'
12:23:36 from Rachel Lang (she/her): Jean- we'll go over these slides with the planets - Bonnie's just telling the back story :-)
12:23:44 from Rachel Lang (she/her): 6- house, home, getting house in order
12:23:58 from Rachel Lang (she/her): 7 - get self in order, go within. Going into the coccooon

12:25:43 from Rachel Lang (she/her): I moved to Ojai and started all over at the beginning of this 9 year!
12:27:19 from Rachel Lang (she/her): Fun fact - people often cut their hair in a new style in a 3 year!
12:27:58 from Tiffany Polite: Funny, I'm in a 3 year and keep deliberating about new hair lol
12:28:16 from Rachel Lang (she/her): Ha! That's great, Tiffany
12:29:32 from Rachel Lang (she/her): You can always tell homes with a 6 numerology - they're gorgeous

13:04:06 from Jean Dougherty: thx

13:04:11 from Bonnie Gillespie (she|her): Especially Sphere + Sundry and Eye of the Cat.

13:04:30 from Bonnie Gillespie (she|her): There are prosperity oils and money magic and attract-high-end-clients and so many more oils!

13:04:56 from Bonnie Gillespie (she|her): The hubs and I will do money oil rituals on Venus day (Friday) or any day during Venus hour.

13:05:07 from Bonnie Gillespie (she|her): It's one of my favorite bits of Chart Harmony homework.

13:05:20 from Karen Commins: A mantra I learned from Wayne Dyer: Every time you get money in whatever form — even if/especially when you find a penny on the street — say: "I thank the Universe for this symbol of abundance and prosperity. I look forward to receiving many times this amount and being a blessing to others."

13:05:38 from Bonnie Gillespie (she|her): I do that, Karen! Didn't know that was his. 😊

13:05:50 from Bonnie Gillespie (she|her): I say, "Thank you, universe, for evidence that abundance is everywhere."

13:06:07 from Jill Austin: Her purpose is her power (Pluto at point of Kite)

13:06:48 from Jean Dougherty: Is nodal return = a certain personal year (like 1 personal year?)

13:07:02 from selena vidya: have to run, ty 🙏💜

13:07:11 from Bonnie Gillespie (she|her): It's definitely a new relationship, Jean, but not so much like a 1 year.

13:07:21 from Bonnie Gillespie (she|her): Because nodes are a specific area of life.

13:07:21 from Jean Dougherty: thx

13:07:23 from Bonnie Gillespie (she|her): YW

13:07:59 from Karen Commins: Love that twist, Bonnie! When I have paper money, I make sure it's all aligned the same way. Suzie Orman said money likes to be respected, and keeping it all facing the same way not only shows you respect it but also allows you to know exactly how much you have.

13:10:44 from Rachel Lang (she/her): Late capitalism... too

13:10:58 from Alexandra Griffin: woof capricorn moon!! i have that too and that "should" energy is strong

13:11:57 from Karen Commins: Thank you mansplainer! 😏😏

13:13:10 from Bonnie Gillespie (she|her): "Should" is always Saturn, for me.

13:13:30 from Bonnie Gillespie (she|her): So when the shoulds get loud, I do Chart Harmony with Saturn.

13:13:40 from Bonnie Gillespie (she|her): Let it feel heard without butting in on my life so much.

13:13:45 from Bonnie Gillespie (she|her): Set appointments to connect with it.

- 13:29:01 from Tiffany Polite: Might need to wait for that
- 13:29:02 from Tiffany Polite: LOL
