

## Astrology for Creatives Live Zoom Chat 16 March 2022

11:32:31 From Kellye Rowland: Greetings y'all!  
11:32:45 From Kellye Rowland: Today is a no video day lol  
11:32:55 From Tamika Simpkins: Happy Wednesday Creatives!!!  
11:33:31 From Kellye Rowland: Happy Wednesday Tamika and all!  
11:33:36 From utelevision: Susan Utell here. Can you change my name? I can't seem to do it on my end. Hello and thanks.  
11:36:25 From Bettina Kenney: Bonnie, I've fallen in LOOOOVE with Saturn, Bonnie! THANK YOU for the pointer last week!  
11:36:27 From Bettina Kenney: DMMG  
11:38:01 From Kellye Rowland: "How do I set the boundary so Saturn won't." Whoa  
11:40:07 From Bonnie Gillespie (she | her): I'm so glad, Bettina! That's great news. 😊  
11:40:51 From Bettina Kenney: 💕🌿💕  
11:41:08 From Bettina Kenney: 🥰  
11:42:38 From Kellye Rowland: Me too!  
11:42:43 From Kellye Rowland: lol  
11:43:27 From Bonnie Gillespie (she | her): We're taught that a strong Mars is NOT okay for female-identifiers.  
11:43:38 From Kellye Rowland: Totally.  
11:43:46 From Bonnie Gillespie (she | her): So it gets louder in us.  
11:43:58 From Bonnie Gillespie (she | her): Because we've gotten good at keeping it quiet.  
11:44:00 From Kellye Rowland: This explains so so so much. Again.  
11:44:17 From Bonnie Gillespie (she | her): Again. And always, huh?  
11:44:21 From Melissa Crim: Mars in house 2 in Leo right next to the Sun is sometimes a challenge to moderate. Mine comes out typically in the benefit of others.  
11:44:34 From Kellye Rowland: <3  
11:45:09 From Bonnie Gillespie (she | her): Very Mars feelings.  
11:45:46 From Bonnie Gillespie (she | her): 2 year olds are getting their first sense of MINE.  
11:46:14 From Bonnie Gillespie (she | her): Lordy, don't we.  
11:46:23 From Bonnie Gillespie (she | her): For a couple of months.  
11:47:03 From Tamika Simpkins: All day every day!!!  
11:47:12 From Kellye Rowland: Haha I so want to be #1 lmao  
11:47:34 From Kellye Rowland: I always say "I don't need to be the only one, I just need to be the favorite one" lol  
11:47:48 From Tamika Simpkins: Mars in Taurus in the 8th house. This slide is so on point. Jeez!!!

11:48:10 From Bonnie Gillespie (she | her): Just wait, Tamika. When we get to the houses, you'll write that in ALL CAPS.

11:48:26 From Tamika Simpkins: Oh I have no doubt Ma Dear!

11:50:16 From Bettina Kenney: Damnnn, so accurate: Wordplaaay all daaay

11:53:40 From Bettina Kenney: Aaahahahaa, I just love Bonnie's description of Mars in Cancer... 🤔👏

11:55:57 From Bonnie Gillespie (she | her): And Mars is like, "Why won't you let me cut a bitch, Libra?"

11:56:05 From Kellye Rowland: lol

11:56:16 From Remy O'Brien: hilarious

11:56:40 From Abby: yesssss dats me 🤔🤔

11:56:52 From Bonnie Gillespie (she | her): Same.

11:56:54 From Bonnie Gillespie (she | her): LOL

11:57:16 From Tamika Simpkins: LOL

11:57:36 From Abby: your Mars is in Libra, too, Bon?

11:57:46 From Bonnie Gillespie (she | her): Mine's in Cancer, Abs.

11:57:53 From Bonnie Gillespie (she | her): Grandma Mars.

11:58:01 From Abby: ah, yes. duh. haha

11:58:04 From Bonnie Gillespie (she | her): ;)

11:59:20 From Bonnie Gillespie (she | her): When you hear "exalted" about a planet in a certain sign, it means the sign rolls out the red carpet for that planet and gets it EVERYTHING it needs. But it doesn't feel at home there. It's a very well-cared-for visitor.

12:01:45 From Kellye Rowland: Man mine in Leo in 5th house makes so much sense with what you're saying just now Bon.

12:04:19 From Melissa Crim: Maybe this explains my ADHD diagnosis and temper

12:04:35 From Bettina Kenney: That Mars - Gemini might explain how I have always been (and sometimes still am) so afraid that my words cut so deep (because I know how to \*hit\* with words)... And it has always filled me with apprehensions along the lines of "what if I can't hold that verbal impulse back, and I hurt people way more than I would ever want to...?"

12:04:58 From Bonnie Gillespie (she | her): And that holding back, Bettina, yes! That's so big.

12:05:48 From Bettina Kenney: What part is the holding back - whose work is that... I mean is sth. Between those 2? Her other influences?

12:06:02 From Bettina Kenney: (Or just upbringing?)

12:08:10 From Rachel Lang (she/her): "Yin Den" = woman cave!

12:11:03 From Kellye Rowland: LOVE that, "Yin den" Rachel 😊

12:12:20 From Tamika Simpkins: Dismount!  
12:15:35 From Bettina Kenney: Whoa: We don't live if it weren't for Saturn! That struck a chord!  
12:16:21 From Bonnie Gillespie (she | her): Ooooooh, that's good.  
12:16:42 From Remy O'Brien: that'll be my return  
12:16:42 From Kellye Rowland: Ahhh this makes a lot of sense. Had an almost 2 hour long reading last week and she said that I was dealing with a significant amount of karmic releasing/closing out of ancestral cycles in this lifetime, with my Saturn placement in the 1st house, in Aries (among other things). (Similar to what you wrote in response to me in the comments on this week's page Rachel!)  
12:17:29 From Bonnie Gillespie (she | her): Next cohort = May and June, y'all! Woo HOO!  
12:18:58 From Kellye Rowland: "Beliefs about inadequacy" = lifetime stuff for me. oooooof  
12:19:17 From Bonnie Gillespie (she | her): Only "lifetime" 'til you're ready to call it learned, Kellye.  
12:19:36 From Kellye Rowland: Thus far. Thus far. 😊until now. 😊  
12:19:59 From Bonnie Gillespie (she | her): ;)  
12:21:15 From Tamika Simpkins: hahaha  
12:21:27 From Bettina Kenney: The "not doing time" pisceness?  
12:21:29 From Bettina Kenney: s  
12:21:30 From Kellye Rowland: lolz  
12:21:40 From Tamika Simpkins: EXACTLY!  
12:23:02 From Abby: just realized both my Mars and Saturn are in Libra  
12:23:13 From Bonnie Gillespie (she | her): Saturn likes being in Libra, Abby!  
12:23:43 From Abby: yes, was so glad when I heard that! 😂  
12:23:44 From Bonnie Gillespie (she | her): It can have ALL of its rules there.  
12:23:46 From Bonnie Gillespie (she | her): ;)  
12:23:53 From Bonnie Gillespie (she | her): #justice  
12:24:06 From Abby: yessssss all the rules and justice  
12:27:41 From Kellye Rowland: Oooooof  
12:27:49 From Abby: omg, not only are both my Mars in Saturn, they are both in the 5th house, too!  
12:27:54 From Kellye Rowland: Shame SUUUUCKS  
12:27:57 From Rachel Lang (she/her): Shame = Saturn! Shoulds= Saturn!  
12:28:01 From Abby: both in Libra, I mean  
12:28:35 From Kellye Rowland: That's a great reframe for me in 1st house. My work is to learn to not be ASHAMED of ME, my body. Myself.

12:28:38 From Rachel Lang (she/her): Abby, Saturn is dignified in Libra - being more of a helper

12:28:51 From Rachel Lang (she/her): YES, Kellye!

12:28:57 From Kellye Rowland: ❤️

12:29:44 From Rachel Lang (she/her): Saturn in the 5th can signify a need to reach out for help with fertility - and creativity.

12:29:56 From Rachel Lang (she/her): intervention

12:29:58 From Abby: yessss ALL the schedules 😊

12:32:07 From Abby: Rachel, yes, was glad to hear that! Can't believe both my malefics are both in Libra and both in the 5th house. never noticed that before !

12:32:12 From Rachel Lang (she/her): 8th house = Witchy shit!

12:32:36 From Rachel Lang (she/her): Can be a fear of flying, too. I've seen this a number of times

12:32:46 From Rachel Lang (she/her): Saturn in the 9th, that is. Yes to cults!

12:35:00 From Rachel Lang (she/her): Derived houses!!

12:35:03 From Melissa Crim: I need to consider how to look at Saturn in 11th in relation to my own child - who is adopted.

12:35:10 From Rachel Lang (she/her): The Rulership Book by Rex Bills is a great reference for that

12:35:47 From Rachel Lang (she/her): Also, Lee Lehman wrote a Rulership book that's a great reference

12:37:56 From Bonnie Gillespie (she | her): Christopher Renstrom too, on rulership. (I'm not buying from white males this year, but Christopher got a pass from me because he's gay, and I've decided LGBTQ+ white males are okay to buy from this year, when otherwise I'm not buying from white dudes.) LOL

12:38:24 From Tamika Simpkins: LMAO

12:38:33 From Kellye Rowland: I love that rule

12:42:45 From Kellye Rowland: Ugh I am SO resistant to structure!! This is prob why I'm not farther along in my career than I am. SO resistant!! Sigh.

12:43:08 From Melissa Crim: Kelly, I get it. Same and same

12:43:19 From Kellye Rowland: ❤️ melissa

12:49:57 From Susan Utell: gemini moon conjunct mars in 8th house. first house saturn in scorpio. mom passed from cancer. very focused on health.

12:52:07 From Bonnie Gillespie (she | her): The critical degree.

12:52:10 From Bonnie Gillespie (she | her): 29°

12:52:29 From Bonnie Gillespie (she | her): 29° is when the planet DOES THE MOST with that sign.

- 12:52:50 From Bonnie Gillespie (she|her): And of course, Jupiter EXPANDS all it touches.
- 12:53:28 From Bonnie Gillespie (she|her): OMG that's a best-seller.
- 12:55:09 From Rachel Lang (she/her): And the Pisces Moon is a healer, too!!
- 12:55:55 From Rachel Lang (she/her): I love that!!
- 12:57:31 From Rachel Lang (she/her): YES!! Virgo is a sign of comedians and comedy writers
- 12:58:22 From Kellye Rowland: Wow but you tried stand up?? Amazingly brave Bettina!! I could never do that! Like you I like improv but hell to the no for Stand up lol
- 12:58:24 From Rachel Lang (she/her): I have a few comedians and comedy writers with Virgo placements. Sarcasm - the ability to laugh at anger
- 12:58:46 From Kellye Rowland: Ahh comedy is my wheelhouse as a virgo too Rachel!
- 12:59:08 From Rachel Lang (she/her): I'm going to publish that snarky journal! 😊
- 12:59:11 From Bonnie Gillespie (she|her): YES
- 12:59:32 From Kellye Rowland: Omg lol
- 12:59:33 From Bonnie Gillespie (she|her): Gail is on fire.
- 12:59:37 From Rachel Lang (she/her): Gail and her Virgo Moon- snarky on the inside
- 13:01:50 From Rachel Lang (she/her): A gemini sun can be routine-resistant, too, Gail!
- 13:02:19 From Rachel Lang (she/her): Mars in Taurus!
- 13:02:29 From Rachel Lang (she/her): With a Cancer Sun that needs safety
- 13:02:35 From Bonnie Gillespie (she|her): Taurus Mars takes TIME.
- 13:04:26 From Susan Utell: uranus was just conjunct Taurus mars
- 13:04:49 From Bonnie Gillespie (she|her): Ooh, good point, Susan. We KNOW Tamika had to feel that.
- 13:05:25 From Susan Utell: sun taurus too
- 13:05:31 From Melissa Crim: I think I might consider relying on Saturn/moon in Taurus 11th house to chill the "hold my beer" mentality of Mars/Sun in Leo. That balance is tough
- 13:06:06 From Kellye Rowland: Haha "hold my beer" Mars in Leo me too Melissa that's a fab accounting of that lol
- 13:06:31 From Susan Utell: how many gemini moons do we have here today?lol
- 13:06:47 From Rachel Lang (she/her): This class is full of us, Susan!!
- 13:07:45 From Rachel Lang (she/her): That would be Mars - the individuation planet- in the house of partnership!
- 13:08:22 From Bonnie Gillespie (she|her): AND your Venus is in Aries. So even the partner planet is in an individual sign.
- 13:10:58 From Bonnie Gillespie (she|her): Such good points.
- 13:11:08 From Kellye Rowland: LOVE all of that , yes.

13:12:14 From Kellye Rowland: I'm non-traditionally partnered (ethically non-monog) Claire, and it's better than I could have imagined.

13:12:55 From Claire Burns (she/her): I love hearing that, Kellye! It's a world I've always danced around

13:12:59 From Kellye Rowland: What a great chart!

13:13:05 From Rachel Lang (she/her): I love that, Kellye! Some of my clients who have independent charts who confine themselves into traditional relationships can be in struggle about that.

13:13:15 From Kellye Rowland: Feel free to pm me! Happy to talk about it 😊

13:13:28 From Kellye Rowland: Omg!! I have to listen!

13:13:42 From Tamika Simpkins: Please share it!

13:14:07 From Kellye Rowland: Love it!! '
