

Astrology for Creatives Live Zoom Chat 15 June 2022

11:32:43 From Tiffany Polite: 😞

11:33:26 From Tiffany Polite: I'm a cancer!!

11:35:20 From Alexandra Griffin: i low key am not vibing in a good way with the term "bad guy" for mars and saturn, especially since theres a LOT of them influencing my chart. it makes me feel anxious

11:35:33 From Karen Commins: Bonnie, as a Georgian, I love your shirt!

11:36:28 From Bonnie Gillespie (she|her): Thank you, Karen. Future President Stacey Abrams.

11:37:31 From Karen Commins: YES! 🙌

11:38:14 From Bonnie Gillespie (she|her): Going beyond the binary.

11:40:54 From Thalma de Freitas: Oh!!!! 😮

11:45:16 From selena vidya: challenges with authority and impulsiveness 🙄

11:47:22 From Bonnie Gillespie (she|her): Because Mars LOVES competition.

11:47:32 From Bonnie Gillespie (she|her): LOVES to play a good game.

11:47:37 From Bonnie Gillespie (she|her): Plays to win.

11:48:02 From Bonnie Gillespie (she|her): I used to get into Twitter battles before I got my Mars into better Chart Harmony.

11:49:43 From Cristy Chung (she/they): Mars shows up as self-doubt for me I think

11:50:02 From Bonnie Gillespie (she|her): Definitely can, Cristy. Pisces, right?

11:50:18 From Cristy Chung (she/they): yep!

11:51:14 From Bonnie Gillespie (she|her): Pole fitness is a great Mars activity!

11:51:20 From Bonnie Gillespie (she|her): Very sexy.

11:51:23 From Karen Commins: Mars in Cancer — BEING OVERLOOKED! OMG, that one really hits home for me.

11:51:29 From Rease Cassity: Mars in Gemini here and v v playful

11:51:31 From Bonnie Gillespie (she|her): And it involves an apparatus. Which Mars loves.

11:51:54 From Rease Cassity: Always playing around and teasing. Some ppl don't like it. Also, Variety is the spice of life.

11:52:07 From Rease Cassity: ALWAYSSSSS misunderstood

11:52:22 From Bonnie Gillespie (she|her): So, Rease, communicating that you're being playful (not mean) is key.

11:52:38 From Tiffany Polite: yes HELP US lol

11:52:43 From Thalma de Freitas: mars in cancer as well, ooohhhh

11:53:06 From Rachel Lang (she/her): Love those Mars in Cancers!

11:53:40 From Tiffany Polite: YES

- 11:54:04 From Thalma de Freitas: fight as the very last resource, people get scared/surprised
- 11:55:05 From Cristy Chung (she/they): I wonder how the vagus nerve work and vagal tone strengthening practices can help here.
- 11:55:32 From Rachel Lang (she/her): Yes, Thalma, and sometimes, an expression of this could be passive aggressive expressions of frustration or resentment until that last resort.
- 11:55:48 From Rachel Lang (she/her): We live in a MARS culture
- 11:58:07 From Remy O'Brien: that's me. I'm so competitive
- 11:58:44 From Bettina Kenney: Oh, i would have thought Tigger being Aries
- 11:58:50 From Rachel Lang (she/her): Mars in Virgo needs a ritual around sex and work, too.
- 11:59:02 From Rachel Lang (she/her): Purification is a part of the process
- 11:59:30 From Bettina Kenney: Aaaaah, thank you
- 12:01:37 From Bonnie Gillespie (she | her): Rease -- You'll still be misunderstood, but by communicating that it's an expression of your humor, you'll know you at least put that on record.
- 12:01:44 From Bonnie Gillespie (she | her): (I had partially typed that before talking. LOL)
- 12:02:34 From Bonnie Gillespie (she | her): All or nothing.
- 12:02:39 From Bonnie Gillespie (she | her): CONSUMED is such a good word.
- 12:02:50 From Bonnie Gillespie (she | her): Mars Scorpio, BTW = VERY sexy.
- 12:03:31 From Alexandra Griffin: is that applicable to scorpio risings too? it feels verrrry true for me, i feel like i struggle a bit with rigid thinking
- 12:03:35 From Cristy Chung (she/they): It's so interesting to see how Mars plays out between my wife and I. Her Mars is in Aries and mine in Pisces! Yikes
- 12:03:56 From Bonnie Gillespie (she | her): Can be, Alexandra. The Scorpio traits ARE the Scorpio traits... but how they express is the planet or placement.
- 12:04:00 From Sarah Page: My partner and I both have Mars in Cancer lol
- 12:04:07 From Bonnie Gillespie (she | her): Oh, Sarah. {{{hugs}}}
- 12:04:19 From Bonnie Gillespie (she | her): Ooh, Cristy! What a dynamic! YES.
- 12:04:42 From Bonnie Gillespie (she | her): My hubs' Mars is Pisces, so we have your configuration too.
- 12:05:37 From Bonnie Gillespie (she | her): Mars = MOTIVATION
- 12:05:40 From Bonnie Gillespie (she | her): So look for that too.
- 12:06:04 From Tiffany Polite: Same Sarah haha
- 12:06:10 From selena vidya: Mars and Venus are together in Aquarius and wooo it's a push and pull with people

- 12:06:18 From Bonnie Gillespie (she | her): For SURE, Selena.
- 12:06:25 From Bonnie Gillespie (she | her): Those 2 in the same sign are quite a dance!
- 12:06:32 From selena vidya: 100
- 12:06:50 From Lisa Oak: Totally agree with Mars in Aquarius for me! How would it connect to 6th house?
- 12:07:03 From Bonnie Gillespie (she | her): My hubs' Venus is Aquarius. Quite detached/intellectual about this stuff.
- 12:07:16 From selena vidya: lol Rachel, that's totally me. Working on it for sure
- 12:08:42 From selena vidya: long live the dip kit! So good.
- 12:09:53 From Bonnie Gillespie (she | her): List off what helps you access your anger.
- 12:09:56 From Bonnie Gillespie (she | her): Keep that list handy.
- 12:10:35 From Cristy Chung (she/they): Pisces Mars Is totally me!! Motivations feel exactly right for me.
- 12:11:26 From Sarah Page: Oh man, I have no idea how to access anger. I think I feel frustration instead of anger?
- 12:11:55 From Bonnie Gillespie (she | her): I've gotchuu, Sarah.
- 12:13:09 From Cristy Chung (she/they): I started Hula classes
- 12:13:30 From Rachel Lang (she/her): Awesome Cristy!!!
- 12:15:20 From Rachel Lang (she/her): I just read Atlas of the Heart by Brene Brown - so good at helping contextualize emotions
- 12:15:23 From Tiffany Polite: I totally resonate with "no anger just frustration" Sarah. My frustration is rooted in anger for sure
- 12:15:23 From Remy O'Brien: Just drive in LA
- 12:15:38 From Rachel Lang (she/her): Ha- Remy- that's good.
- 12:16:19 From Sarah Page: thank you!
- 12:16:59 From Bonnie Gillespie (she | her):
<https://cricketfeet.com/gigftnt/day051abrahamhicksemotionalguidancescale.pdf>
- 12:17:04 From Bettina Kenney: For me the not-allowed non-accepted anger used to manifest (disguise) as headaches...
- 12:17:09 From Bonnie Gillespie (she | her): Here's the Abraham-Hicks emotional guidance scale.
- 12:17:18 From Bonnie Gillespie (she | her): We use it in our 100-day program. 😊
- 12:17:19 From Bettina Kenney: Like, pressure cooker kinda headaches
- 12:18:14 From Alexandra Griffin: the book Rage Becomes Her is a great about this topic
- 12:19:27 From Bonnie Gillespie (she | her): Dance with Anger
- 12:20:21 From Bonnie Gillespie (she | her): I also really like Permission to Feel by Marc Brackett (but I'm not buying books by men in 2022).
- 12:20:25 From Bonnie Gillespie (she | her): ;)

12:21:48 From Thalma de Freitas: oh I love this!!!

12:22:32 From Karen Commins: Don't get me started about more books being published in the history of the world that were written by men (and often for men and starring men)!

12:22:38 From Bonnie Gillespie (she|her): YUP

12:23:04 From Bonnie Gillespie (she|her): The good news is, I'm finding some INCREDIBLE authors I wouldn't likely have bumped into otherwise. :) So, it's working for me.

12:23:24 From Cristy Chung (she/they): This might be out of the scope of this class but this is making me think a lot about how MY Mars shows up and integrating it into my Chart Harmony

12:23:41 From Bonnie Gillespie (she|her): My goal is to overhaul my BIG recommended reading list to be more balanced in author demographics:

<https://bonniegillespie.com/recommended-reading>

12:24:20 From Bonnie Gillespie (she|her): YES, Cristy. Exactly!! I do that layering too and it helps so much!

12:24:32 From Lisa Oak: We r dog sitting and I feel guilty that I haven't been home in hours...is that 6th house Mars with pets? Or just crazy? LOL

12:24:42 From Bonnie Gillespie (she|her): LOL Lisa!

12:25:19 From Bonnie Gillespie (she|her): The impulsive feelings about needing to get back home can definitely be Mars in the 6H.

12:26:41 From Karen Commins: Mars in 6th house (Cancer) — I've often said these exact words: "I could easily be a workaholic, but I don't want to!" Flips me out to see this is a Mars thing.

12:27:10 From Tiffany Polite: *raises hand*

12:27:12 From Tiffany Polite: LOL

12:27:14 From Rachel Lang (she/her): Ha- Karen- I understand!

12:28:19 From Bettina Kenney: RED

12:28:24 From Bettina Kenney: I directed that audiobook! 😊

12:31:06 From Cristy Chung (she/they): I am in my second Saturn return until March 2023! I am really wanting to learn to work with and honor my Saturn in Aquarius in my 12th house.

12:31:45 From Rachel Lang (she/her): Saturn return is every 29 years...

12:33:13 From Bettina Kenney: Bonnie & Rachel, you helped me learn to LOVE Saturn - so THANK YOU

12:33:25 From Rachel Lang (she/her): That's great, Bettina!

12:33:31 From Bettina Kenney: Every week I'm looking forward to the clarity no-frills no-fuss of Saturday

- 12:33:33 From Sarah Page: I'm in a Saturn square right now!
- 12:33:40 From Rachel Lang (she/her): oppositions - ages 15, 45, etc.
- 12:34:36 From Bonnie Gillespie (she | her): Social Planets = Jupiter and Saturn
- 12:34:50 From Bonnie Gillespie (she | her): Personal Planets = Moon, Mercury, Venus, Sun, Mars
- 12:35:05 From Bonnie Gillespie (she | her): Generational Planets = Uranus, Neptune, Pluto and beyond...
- 12:35:25 From Bonnie Gillespie (she | her): Social planets (like Saturn) = the world as explained to us by OTHERS.
- 12:35:37 From Bonnie Gillespie (she | her): Rules and limits and timeliness that are a part of expectations of others.
- 12:35:43 From Bonnie Gillespie (she | her): Saturn = SHOULD
- 12:37:13 From Bonnie Gillespie (she | her): "Let me check with my Saturn." -- before going out partying with Jupiter
- 12:39:46 From Cristy Chung (she/they): thats so hard
- 12:39:46 From Lisa Oak: Wow powerful...my Saturns in retrograde and my mom used to give me the silent treatment if i did something "wrong"
- 12:41:05 From Sarah Page: Yeah my Saturn is retrograde and my family has fractured due to leaving the religious paradigm I was raised in (more shoulds!)
- 12:41:42 From Rachel Lang (she/her): It's something I hear so much in my practice - these kinds of messages about love in early childhood when you have Saturn retrograde
- 12:42:28 From Rachel Lang (she/her): Saturn are the unspoken rules we internalize
- 12:43:25 From Lisa Oak: Sorry i have to hop! Thanks for great class!
- 12:43:30 From Rachel Lang (she/her): Bye, Lisa!!
- 12:44:42 From Bettina Kenney: Aaaah, The Leo in Saturn is my tendency to fear the "You're too much, too loud, too... all the things... You take up too much space...!" (ironically that at 5'1" *lol*)
- 12:44:49 From Bettina Kenney: Right?
- 12:45:08 From Rachel Lang (she/her): Yes, Bettina - so common for Saturn in Leo
- 12:45:31 From Bettina Kenney: Knowing that is quite comforting - in a way... I have to say
- 12:45:39 From Bettina Kenney: thank you
- 12:45:50 From Sandra: does the little r after the degrees on the chart indicate retrograde?
- 12:45:54 From Rachel Lang (she/her): Saturn's very happy in Libra- the sign of justice
- 12:46:11 From Remy O'Brien: Sandra yes
- 12:46:42 From Sandra: TY - so funny I never noticed it before
- 12:47:44 From Rachel Lang (she/her): Saturn's in its own sign in Capricorn and Aquarius - so, Saturn's more of your helper/friend in those signs

12:48:27 From Karen Commins: Definite Saturn/Capricorn here 🧐

12:48:56 From Rachel Lang (she/her): Ah! You had your Saturn return not too long ago, Karen

12:50:00 From Karen Commins: Capricorn/Saturn/trust issues do explain my privacy concerns, but so does working in IT for over 25 years!

12:50:09 From Rachel Lang (she/her): If you have your Saturn in Aquarius, you're going through your Saturn return! Congratulations. The second Saturn return is a POWERFUL time for women. One of the most powerful transits we experience in life. We take the reins on our life and move it in a new direction.

12:51:18 From Cristy Chung (she/they): I feel like being queer and mixed Chinese/white has really played into my Saturn/Aquarius experience of the fear of not belonging

12:51:44 From Karen Commins: Interesting about the Saturn return, Rachel. I felt like a switch flipped last year on a big birthday

12:52:01 From Bonnie Gillespie (she | her): Saturn returns are often BIG flips!!

12:52:15 From Bonnie Gillespie (she | her): Like we can mark them on the calendar of our lives and say, "THAT is when everything changed!"

12:52:54 From Karen Commins: Sooo interesting, Bonnie!

12:52:54 From Tiffany Polite: Man, body awkward is real re: 1st house

12:53:07 From Bonnie Gillespie (she | her): Oh, for sure, Cristy. VERY Aquarius-aligned.

12:53:24 From Bonnie Gillespie (she | her): Tiffany, YES. So, the homework on that would be celebrating the structure of the human form. The bones!

12:54:33 From Bonnie Gillespie (she | her): LOVE that.

12:54:43 From Bonnie Gillespie (she | her): 6H Saturn can be so helpful with alternative therapies.

12:54:44 From Cristy Chung (she/they): I know I have some deep work to do with my Saturn. It's intense to see how accurately these describe me.

12:55:06 From Bonnie Gillespie (she | her): So, Cristy, I think this is why the Vagus Nerve is so much a part of your practice.

12:55:29 From Bonnie Gillespie (she | her): Look at the boundaries that exist when we've not tapped into the power of that?

12:55:35 From Cristy Chung (she/they): yes! totally

12:55:49 From Bonnie Gillespie (she | her): So, you're doing your Saturn remediation just by going to work!!

12:56:06 From Cristy Chung (she/they): love that!

12:56:29 From selena vidya: 8h here -- my husband is my business partner so we share finances this way

12:56:35 From Bonnie Gillespie (she | her): Same, Selena.

12:56:48 From Bonnie Gillespie (she | her): 8H Saturn for me has been all about getting over "the rules" about how we share resources.

12:56:57 From Bonnie Gillespie (she | her): "We" = society's view of couples

12:57:36 From selena vidya: So many rules and "stigmas" around it. I feel it's been a big advantage for us. Money discussions are open and easy in all areas

12:58:39 From Sarah Page: Interesting, me and my partner both have 8H saturns, and we are pretty unconventional about resource sharing

12:59:14 From Bonnie Gillespie (she | her): That tracks, Sarah!

13:02:35 From Bonnie Gillespie (she | her): If you could draw the map from your SN to NN and then see these planets as helpers to get your Life-Car there, that would help!

13:07:08 From Cristy Chung (she/they): Thank you so much for all of this! i feel like things are starting to make sense in such a different way. The pieces are coming together in a magical mystical Piscean way. So much love to you both!

13:08:18 From Rachel Lang (she/her): So great, Cristy!!

13:10:16 From Bonnie Gillespie (she | her): And with that NN in Pisces, you've got to T R U S T that creative growth is happening beneath the surface.

13:15:41 From Tiffany Polite: Thanks for modeling vulnerability with us Alexandra. I cried a LOT during my 4th H Saturn transit in 2019-2020, but it really does get better and you'll be able to recognize your strength once it moves out. Keep your head up, you've got this! 💪

13:16:44 From Bonnie Gillespie (she | her): +1 Tiffany. TRUE.

13:16:46 From Alexandra Griffin: Thank you Tiffany! I've struggled with showing vulnerability in the past so i'm trying to step through that fear of showing it. <3

13:16:56 From Cristy Chung (she/they): Have to take off. Hula practice to support my Mars! Love and magic to you all. Hope it's ok to offer this here...I'm available for energy work with folks if interested in Reiki and intuitive guidance.

www.cristytmchung.com

13:16:58 From Bonnie Gillespie (she | her): You've got this, Alexandra! You did the damn thing!! And you didn't die! 😊

13:17:09 From Bonnie Gillespie (she | her): Bye, Cristy! YES, thank you. You're awesome.

13:17:41 From Bonnie Gillespie (she | her): Embrace your #WitchyShit

13:18:12 From Bonnie Gillespie (she | her): "Hi, Dad," you can say when your Saturn pipes in.

13:18:27 From Bonnie Gillespie (she | her): My Saturn is my mom, and I always stop and say, "Oh, hi, Charlsie. What's up?"

13:19:11 From Rachel Lang (she/her): Ha ha! That's too funny, Bonnie. "Hi Dad." I always say "Hi Mom" because my mom's my Satiurn

13:19:34 From selena vidya: I'm going to try this Dad approach for my saturn 😂

- 13:19:44 From Tiffany Polite: Funny, my mom is my Saturn too lol
- 13:20:16 From Bonnie Gillespie (she | her): You'll see a lot of astrologers on IG calling Saturn daddy. It's adorable.
- 13:20:25 From Thalma de Freitas: Gotta jump off too, I'll leave my question in the comments - Both Mars and Saturn in cancer 8h 🙄 Love Y'all!! 🥰💕
- 13:20:39 From Bonnie Gillespie (she | her): Thank you, Thalma! LOVE YOU TOO. See you in the comments and again next week!
- 13:22:06 From Bonnie Gillespie (she | her): BE SEEN
- 13:22:17 From Bonnie Gillespie (she | her): Do IMPROV, Regina!!
- 13:24:58 From Tiffany Polite: YES!
- 13:25:56 From Karen Commins: Money is only good for what it allows you to be, do, or have. I would rather have taken a fabulous trip on a credit card than to have missed out on the experience.
- 13:26:08 From selena vidya: leveraging debt keeps more cash flow available too -- let someone else (bank) assume the risk while you're building/investing. debt can be powerful if used responsibly
- 13:26:30 From selena vidya: *cash (not cash flow)
- 13:27:14 From Rachel Lang (she/her): When Saturn is transiting through our 8th house, it's a time when we can restructure our debt.
- 13:29:32 From Alexandra Griffin: ok i gotta jump for a work meeting, thank you!! ❤️
- 13:29:49 From Alexandra Griffin: omg but also those are gorgeous cards where are they from?
- 13:30:05 From Bonnie Gillespie (she | her): We have some cards linked on the RESOURCES page, BTW.
- 13:30:10 From Alexandra Griffin: ty!
- 13:32:00 From selena vidya: Jumping for a work meeting, ty for another wonderful class! <3
- 13:32:02 From Bonnie Gillespie (she | her): Libra loves that.
- 13:32:06 From Bonnie Gillespie (she | her): Bye, Selena!
- 13:32:12 From Bonnie Gillespie (she | her): See you next week.
- 13:32:21 From Bonnie Gillespie (she | her): TRUTH: Everyone loves a Libra Rising. ;)
- 13:33:51 From Tiffany Polite: mom=Saturn bc mom=criticism ;)
- 13:38:09 From Bonnie Gillespie (she | her): Make sure you watch the NODES bonus on the Week 4 page!
- 13:39:13 From Bonnie Gillespie (she | her): Saturn loves when we notice SIGNS. Yes!
- 13:39:41 From Bonnie Gillespie (she | her): 8H Saturn support group!
