12:00:28 From Rachel Lang: Wow, April!! So cool  
12:00:46 From Gladys she/her: Love that, April. I listed Magic too.  
12:00:55 From Rachel Lang: Yes, that's right- Virgo is also connected to witchcraft because it's the sign of ritual  
12:01:08 From Gladys she/her: Marie, I love the instant manifestation inherent in your logline.  
12:01:32 From Rachel Lang: Mercury the god could go into the Underworld - could move between the unseen and the visible- unscathed.  
12:01:55 From April Sugarman: Wow, love that!  
12:02:18 From Gladys she/her: Ohhh, cool. Well, he was the messenger, right?

12:05:51 From Kimberly (She/Her): ALL THE THINGS!  
12:05:52 From Tara Wilken: That is SO CUTE!!!!!! LOVEIT  
12:05:55 From April Sugarman: Abby, how fun!

12:12:11 From Joy Jones: Can someone clarify features of the co-star logline vs. the guest-star recurring logline? I would appreciate another example.

12:13:46 From Liz Hackworth: Mercurial word witch!!!!!! EEEEEK!!!!!!

12:16:08 From Gladys she/her: Squirrel!!  
12:16:27 From Gladys she/her: These are so awesome.  
12:17:01 From Kimberly (She/Her): nerd bird? (not sure if I'm hearing it right)  
12:17:11 From Bonnie Gillespie (she | her): Blerd  
12:18:22 From Amelia Rico: Joy, a co-star logline would be job/character specific like "cop/lawyer/student" and a guest star/recurring logline would be more encompassing and 3 dimensional. Like how Bonnie said "mother" in my logline would keep me open to nurse, activists, etc because those women could ALSO be mothers outside of their career.  
12:20:30 From April Sugarman: So fun, Leah!  
12:20:32 From Alyssa: INCREDIBLE

12:34:51 From Liz Hackworth: I feel this sense too, thanks for bringing it up Heather, and thanks for speaking to it Bonnie... wow... such a relief  
12:35:14 From Jill Austin: exploring, opening, curiosity  
12:35:44 From Liz Hackworth: OMG!!!! This is simply delightful, Heather! Lovely!

12:40:34 From Leah Cevoli: I mean... just the confidence in which it rolled off your tongue  
12:40:42 From Alyssa: So magical  
12:40:57 From Nina Hatchwell: Beautiful

12:46:14 From Noemi: I wrote the logline totally differently and its short, just wondering if I could read it?  
12:46:22 From Gladys she/her: Julia Cameron's "shadow artist"  
12:46:36 From Bonnie Gillespie (she | her): Just hold tight, Noemi. We'll circle back. :)

13:04:28 From April Sugarman: So we can ask questions in the zooms that we normally couldn't ask in the 6 weeks?

13:04:33 From Liz Hackworth: The monthly Zooms when there is a cohort in session..... what day will those fall on?

13:04:43 From Rhianna Basore: It's adorable!

13:04:47 From Jill Austin: IS the monthly zoom at the same time as these?

13:05:37 From Heather Wake: So would the MONTHLY zoom be more of an opportunity to understand astrology itself?

13:06:10 From April Sugarman: I meant in the monthly zooms for on-going

13:06:42 From Paula eargasm: Signed up. Also I like shopping during zooms!
