- 11:37:19 From Rana Rines (she/her): corn syrup now 😞
- 11:37:52 From Rachel Lang (she/her): I like to think of it as the line you'd hear on a movie trailer or a tagline.
- 11:40:34 From Rachel Lang (she/her): true story- I lived in a funeral home for 2 years in childhood... there were rainbows.

I'm an actor/content creator and health coach so lots of things -- think the Gemini in my chart keep me stepping into different roles. Nurturing moon momma here to love you back to confidence, while flipping your norms on their heads. Idk kinda love it, kinda hate it...
- 12:05:27 From Bonnie Gillespie (she | her): YES, Rease!

voice that's affable, earnest, and mellow, Karen is like a captivating tour guide on your most enjoyable vacation." My website is a vacation postcard!

12:45:09 From Alexandra Griffin: that is so awesome karen!!

12:47:38 From Karen Commins: Thanks, Alexandra! FWIW, my other site is **NarratorsRoadmap.com**, where I call myself the Chief Cartographer. 🗺️

12:48:35 From Bonnie Gillespie (she|her): HIRE someone for the details.

12:50:10 From Jean Dougherty: Tiffany: One Idea... I don't like to go to yoga, yet I want to 'have gone' to yoga, so I talk to my 'future self' and say, 'help me get to yoga today, so I can get to shavasana.' Maybe your future 'biggest self' is an ally???

12:50:16 From Tiffany Polite: thanks Karen, that's so helpful!

12:50:19 From Jean Dougherty: Tiffany: GOOD LUCK!

12:50:31 From Sandra: haha Jean I like that one

12:50:49 From Tiffany Polite: I like that Jean, thanks!!

12:54:17 From Karen Commins: I'm going to steal that chart idea, Lisa! All this info is overwhelming.

12:55:03 From Jean Dougherty: That chart is the 101st page!

12:56:25 From Rana Rines (she/her): Is there any special meaning when north node is opposite sun sign (south node in sun sign?)

12:56:51 From Bonnie Gillespie (she|her): South Node DRAINS the energy of whatever it's next to, Rana.

12:56:53 From Tiffany Polite: Hi Bonnie, what page on your site did you say to visit?

12:57:16 From Bonnie Gillespie (she|her): And that could mean that you are both growing toward your North Node and trying to express a hard-to-express Sun.

12:57:18 From Bonnie Gillespie (she|her): Challenge!

12:57:21 From Jean Dougherty: Explain more Bonnie? I have south node & sun Pieces

12:57:29 From Bonnie Gillespie (she|her): <https://bonniegillespie.com/incorporate>

12:57:34 From Rana Rines (she/her): So my sun and venus are being drained

12:57:34 From Tiffany Polite: thank you

12:57:48 From Rana Rines (she/her): Bah! I see... challenge indeed. I feel it daily 😊

12:58:12 From Bonnie Gillespie (she|her): YES. And just knowing that challenge is NOT YOU but instead an encouragement to get on toward your North Node, that can actually be helpful.

12:58:18 From Bonnie Gillespie (she|her): Does that help you too, Jean/

12:58:19 From Bonnie Gillespie (she|her): ?

12:59:10 From Rana Rines (she/her): Amazing ☀️

12:59:12 From Jean Dougherty: Okay, Focus, focus focus on North Node, w/o blaming self, standing to the challenge (repeatedly) to grow

12:59:17 From Bonnie Gillespie (she|her): YES, Jean.

12:59:20 From Bonnie Gillespie (she | her): Exactly!

13:00:18 From Alexandra Griffin: i gotta run, thank you so much! ❤️

13:11:08 From Rana Rines (she/her): Mine too, Karen!

13:13:15 From Jean Dougherty: Thalma: Another idea Julie Cameron suggests is to name your inner critic (hers is named Nigel) then create a named Ally to work with your inner critic and then ask/assign your Ally to keep the critic occupied when she/he/they show up.

13:15:06 From Bonnie Gillespie (she | her): I love that, Rachel.

13:15:45 From Karen Commins: Rachel, we should START with that definition!

13:16:17 From Rachel Lang (she/her): Aw! thanks, Karen.
