

Your Money Story

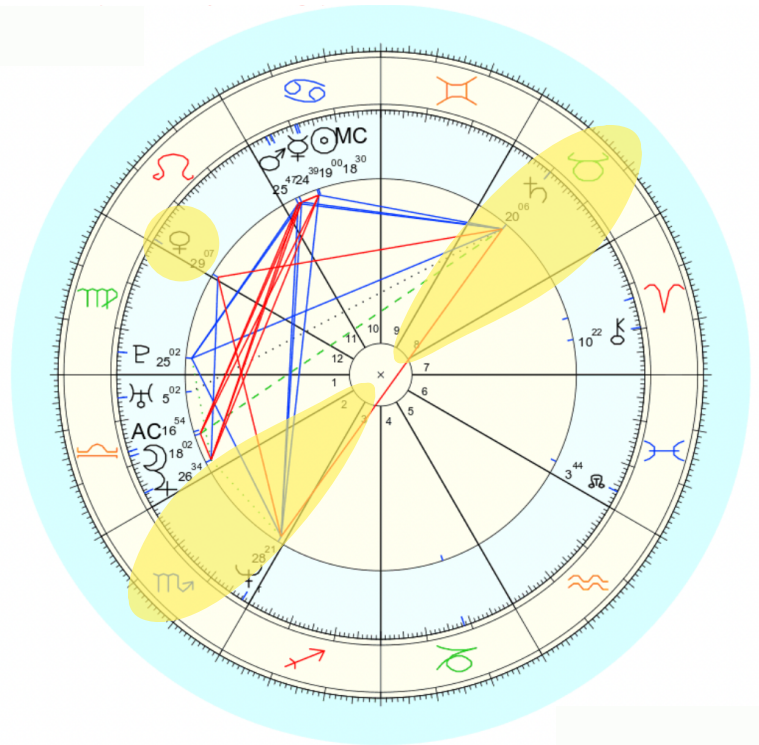

LEARN THE WAY YOUR CHART WANTS YOU TO GET TO THE BANK

We're off to a great start! This month, we're going into the 2nd phase of the 5 components of your natal chart that are telling **YOUR MONEY STORY**.

REMINDER:

If you need a refresher on accessing your free natal chart in Whole Sign houses, grab the workbook for **What Your Birthday Says About You** from your **Aligned Advantage** welcome page!

WHAT TO LOOK FOR:

We've already looked at **3 houses** (review last month's workbook pages and Zoom replay) so now we're going in on **1 house axis** and **1 planet**. Next month, we'll wrap up with **1 sign axis** and **1 more planet**.

I've highlighted our starting points (**1 house axis** and **1 planet**) on my natal chart, here on this page. This is the 2H/8H axis and Venus, we're looking at. Start observing the signs that manage your 2H/8H axis and the planets that are in those two houses (if any). Then find where Venus lives in your natal chart (sign and house).

Revisit the keywords, etc., before our Zoom.

LEARN THE WAY YOUR CHART WANTS YOU TO GET TO THE BANK

You were born with one pair of opposite signs on the **2H/8H axis**, using Whole Sign houses with your natal chart. Identify those signs, their elements, their ruling planets, and their keywords (you've already done this for the **2H** last month).

2ND HOUSE SIGN, ELEMENT, RULING PLANET, AND KEYWORDS:

8TH HOUSE SIGN, ELEMENT, RULING PLANET, AND KEYWORDS:

Your **2H** situation is about earned income, value-for-value, your stuff, your enoughness, your relationship with revenue. Your **8H** situation is about other people's money, inheritance, investments, windfalls, lottery winnings, and the transmutation (think sex, death, the occult) of anything into something else. Do you feel your money story is more about your **2H** or your **8H** sign, element, ruling planet, etc.? Why?

Your natal **Venus** is going to be pretty close to your natal Sun and natal Mercury. Find the planet of love and money, value and enoughness on your natal chart and let's get to know it a little better!

NATAL VENUS HOUSE, ELEMENT, MODALITY, AND KEYWORDS:

IF YOU HAVE OTHER PLANETS NEAR VENUS, NOTE THAT HERE:

When **Venus** is in great shape, we are money magnets. And, of course, when our natal **Venus** is less advantaged, we've got **Chart Harmony** to help us make her feel more supported for that magnetic magic. We'll discuss during our Zoom what makes **Venus** happiest in a natal chart. Meanwhile, what do you suspect is true about your **Venus**?
