

CHART HARMONY HOUSE PARTY, PAGE 1

Here's a handy formula for basic astrology: The planet is the **WHAT**, the sign is **HOW**, and the house is the **WHERE**. Example: A **Venus in Leo** in the **11th House** (Bonnie Gillespie) = all the loving and valuing and beautifying is done in a very grand, passionate, public way specifically in broader communities and in service of utopian, innovative, progressive visions for us all. As your **Chart Harmony** exploration deepens, you'll uncover your own loglines for all the parts of your chart!

NOTE: We all have all 12 houses! No matter what house system you use, your 1st house (sometimes labeled 1H or H1) is the one that hosts your Rising (Ascendant, ASC, AC, or AS, depending on the software or app you use to render your chart). This is the most PERSONAL of the 12 houses. All other houses have "co-stars" sharing the space! Cool, huh? Visit <https://bonniegillespie.com/houses-astrology> for more!
