12:03:29 from Emily Schooley: Moon as the backseat driver explains SO MUCH
12:04:23 from Jacqueline Steiger: hah, Aries (baby Mars) drives my car and Saturn sits in the backseat pressing an imaginary brakepedal constantly
12:04:33 from Roberta Bergdahl: Saturn drives, Moon navigates, and Jupiter is in the backseat.
12:04:53 from Alexandra Griffin: Was the driver your sun or rising?

12:05:33 from Stephanie Bergeron: Jacqueline, I imagine a driving lesson with your Baby Mars and Saturn in the back, lol.

12:05:41 from Kathi Carey: Mars driving and Venus in the backseat which seem to be changing at about the same speed. But Saturn as the navigator... hmm...

12:05:45 from Alexandra Griffin: So mars driving and Saturn backseat and navigating

12:05:46 from Jacqueline Steiger: exactly 😊

12:15:51 from Jacqueline Steiger: same stephanie

12:16:04 from Alexandra Griffin: I mean missing from my car is fire, but from my overall chart I have more fire than water

12:16:06 from Kate Fahrner: So unsure. The only thing missing in my car is air but there seems to be a lot of air in my chart... so maybe fire since there are only two

12:18:18 from Emily Schooley: How do you reconcile 2/3 of your fire planets being in an earth sign? (Mars and Jupiter in Capricorn)

12:18:27 from Dana DeRuyck: omggg

12:18:36 from Emily Schooley: Ewww yeah someone did that to me too

12:18:40 from Stephanie Bergeron: Ick.

12:35:42 from Marybeth Casias: is red cloth for all altars...or just hers?

12:44:23 from Kathi Carey: You know me so well

12:47:56 from April Sugarman: If one wanted to focus on one's acting career, would you recommend focusing on Mercury day if your 10th house sign is Virgo or would you focus on Thursday for 1st house Sagittarius if that's where your Neptune (actor planet) is?

12:49:48 from Rhianna Basore: Tiffany Franklin asked: Does the day of the week you're born on affect your chart?

12:50:37 from Stephanie Bergeron: LOL

12:50:39 from Kathi Carey: Structure is good, says the Capricorn/Taurus girl

12:50:43 from Jacqueline Steiger: bow to lord saturn

12:50:54 from Stephanie Bergeron: Ha ha, Jacqueline!

12:51:23 from Dana Middleton: What if you don't know your birth time? Asking for a friend. :-)

12:52:19 from Dana Middleton: Pete has a Liverpool birth certificate - no time

12:52:43 from Lucy Taylor: Can you tell the planetary hour of your birth by looking at the natal chart, or need to look it up separately? (If you already know the time)

12:53:30 from Kathi Carey: Does the country of birth have a LOT to do or not so much?

12:53:33 from Dana Middleton: Thank you!

12:53:52 from Tiffany Franklin: LMAO

12:53:54 from Stephanie Bergeron: That's so Bon's Libra.

12:54:00 from April Sugarman: Lol!

12:54:22 from Emily Schooley: <https://geotimedate.org/planetary-hours/canada/ontario/toronto/6167865>

12:55:20 from Alexandra Griffin: yes

12:55:20 from Emily Schooley: Yes!

12:55:32 from Rhianna Basore: Wow, Andrea, Ooh, great question! That's outside the scope of today's free training, but definitely something we can dig into in Aligned Advantage, if you'd like to join!

12:55:45 from April Sugarman To All Panelists: For an acting career, would you focus on harmonizing the ruling planet for your 10th house or the ruling planet for the house your Neptune is in?

12:55:54 from Andrea Blindt: thank you:)

12:55:59 from Rhianna Basore: 😊

12:57:03 from Austin Sloan: thanks

12:57:59 from Rhianna Basore: Holy details, Batman!

12:59:46 from Carlyne Aubin: That's amazing!

12:59:49 from April Sugarman: For an acting career, would you harmonize your 10th house ruling planet or the ruling planet of the house where Neptune (actor planet) is located?

13:00:10 from April Sugarman: Ok. 😊

13:00:33 from Andrea Blindt: this was truly fabulous!!! thank you so much for sharing your passion and thank you to your team for being so amazing. I am grateful!

13:00:56 from Nicole Rycroft: This was so fun and enlightening! Thank you so much for this wonderful gift! Sending you and the team all a big hug. ❤️

13:01:14 from Emily Schooley: So if your Neptune is in your 10th house... double the actor luck? ;)

13:02:06 from Rhianna Basore: Thank you for coming!

13:02:19 from Rhianna Basore: We loved sharing your Saturn's day with you! <3
