- 14:17:54 From Audrey Pinto: Or even how to get started
- 14:48:29 From Rachael Ferrera: For the 5 places to focus on: Do you count instagram all as 1 place? Or insta story, insta live, insta tv etc all as different locations?
- 14:51:58 From Dayeanne Hutton: Confused and loud - nailed it hahaha

- 14:55:21 From Dayeane Hutton: question - what if theres a platform that I think is on brand and I would have people there but I cant seem to figure it quite out / it frustrates me (TIKTOK) grrr
- 15:03:04 From sonia carroll: I DID THAT AND HARD HELL NO

- 15:06:52 From Rachael Ferrera: MY REBEL SELF HAS SO MUCH TROUBLE WITH THIS BUT IT SO WOOOORKS!!!!
- 15:10:20 From Dayeane Hutton: Rachael omg yes. I've been pre scheduling insta posts for my podcast like 2 weeks ahead when im in the moment and I feel like it LOL
- 15:11:37 From Gracy Goldman: I think you've just answered my question!!!!
- 15:12:15 From Gracy Goldman: It was about knowing where/when to plant those systems - for example - your memes
- 15:15:20 From Gracy Goldman: A Runway Experience!
- 15:15:46 From Gracy Goldman: Thank you!
- 15:15:53 From Dayeane Hutton: but what if you don't offer "what's next" and new content. Like, I just stream 4 days a week every week but there's rarely anything new about it haha
- 15:16:52 From Audrey Pinto: So we should be posting the same topic on the same day every week or just post consistently everyday regardless of topic?
- 15:17:43 From Gracy Goldman: CTA
- 15:17:57 From Gracy Goldman: Always have a CTA
- 15:23:21 From Gracy Goldman: Seed It without Selling It!
- 15:25:16 From Dayeane Hutton: it's so interesting because I'm doing this for Twitch, which in and of itself is my content and a destination
- 15:32:15 From Dayeane Hutton: CANVA FOR THE WINNNN
- 15:49:04 From Dayeane Hutton: alright. sign for me to get my ass in gear to make Canva tutorials on youtube
- 15:49:34 From Gracy Goldman: Bizsister.com
- 15:49:45 From Rachael Ferrera: Yes do it Dayeane!
- 15:50:15 From Melanie Graddy: I currently use PicMonkey for graphics and whatnot. Is Canva better? Does anyone who has used both have an opinion?
- 15:50:36 From Amy Rauch: Kat who for Instagram?
- 15:50:38 From Dayeane Hutton: im on canva right now making quotes from my twitch channel
- 15:50:50 From Dayeane Hutton: Bonnie you're the only other person I know as obsessed with me as Canva haha
- 15:50:54 From Dayeane Hutton: as me\*
- 15:51:17 From Amy Rauch: Dayeane, I will be your second follower on Cnava, right after Bon.

15:54:12 From Rachael Ferrera: Even with this I feel like I can't put my topics on the calendar yet because I feel like I need to do it ALL in order to schedule each topic at the perfect time.....  
15:55:29 From Melanie Graddy: I struggle with that as well.  
15:57:16 From Rachael Ferrera: How long will replay and page be available?
