

JFDI with Bon Mastermind Live Zoom Chat 11 April 2024

11:31:51 From Kristen Girard: Hey!

11:36:12 From Stephanie Bergeron: I have a little win to share from this AM, and a mindset snag I'm working through.

11:36:16 From L T: Hey! 😊

11:36:42 From Kristen Girard: Maybe me

11:36:42 From L T: Tiny snag about iPhone issues if possible

11:37:03 From Stephanie Bergeron: Yeeeah, you won't like my phone story, lol.

11:37:15 From L T: 😂

11:37:25 From Kristen Girard: Trying to figure out if it's time for a change.

11:42:45 From L T: Love that!! 💕

11:43:02 From Jaki S (They/She): he looks like a dune sandworm

11:43:34 From Stephanie Bergeron: K9 unit. Lol.

11:48:24 From Stephanie Bergeron: Such good advice. Any meds, really.

11:52:08 From Jaki S (They/She): you do also live in Santa Monica

11:57:04 From Stephanie Bergeron: I mean, that makes me feel better about how long it takes me to write "simple" newsletters...

11:58:54 From L T: Yaasss! That's me with YouTube vs Acting. Yas. 😂

12:04:13 From Stephanie Bergeron: A singing coach once described to me the idea of "building the instrument as you're playing it", Kristen.

12:07:17 From Kristen Girard: This lady sounds like a test from Saturn on doing a good job!

12:07:27 From Kristen Girard: Good job!

12:13:35 From Kristen Girard: Love that idea.

12:13:52 From L T: Right!! Same!

12:14:22 From Stephanie Bergeron: Yep, go pick another Squirrel.

12:18:00 From Kristen Girard: May need down time from the books? Let them rest and do what you actually want to do for the next 6 weeks.

12:21:05 From Stephanie Bergeron: Would your Canva stuff not be in the account if you signed in on a computer?

12:21:53 From L T: I didn't install it on the computer 😭

12:22:00 From Stephanie Bergeron: Online?

12:23:10 From Stephanie Bergeron: Yeah... that happened to me with my phone and I lost all the stuff on it. I had backed up most before, but Authenticator was a pain in the butt.

12:23:25 From L T: Right!!

12:23:36 From Stephanie Bergeron: I always and only use Canva via Canva.com. So I suspect that stuff will still be there, LT.

12:23:43 From Kristen Girard: LT this is wow level. Oh my. Rooting for you that you find a good way to get your data back.

12:24:04 From L T: Thank you 🙏

12:26:59 From Stephanie Bergeron: Oh yeah. I was in tears when it happened to me.

12:27:19 From Stephanie Bergeron: And I don't even really keep that much on my phone (for that reason...)

12:28:15 From Kristen Girard: When my computer quit suddenly 2 years ago, it felt like the end of the world.

12:28:31 From Stephanie Bergeron: Save your backup codes, save your backup codes, save your backup codes.

12:28:40 From Kristen Girard: Dropbox is a great app. Saved my but when my computer died.

12:29:12 From Stephanie Bergeron: I have multiple backup drives as well. One lives in a safe, one attached to a computer, and then a USB key as well. All in different rooms of the house. I know someone that even keeps a drive in their safety deposit box.

12:29:35 From Stephanie Bergeron: (Google Voice isn't available in all countries, just fyi.)

12:30:07 From Stephanie Bergeron: If not Dropbox, you could also try Sync, IceDrive...

12:30:55 From Bonnie Gillespie (she | her): <https://bonniegillespie.com/icloud-stole-my-data-a-lesson-in-starting-over>

12:31:38 From Stephanie Bergeron: Sending love, LT!

12:32:40 From L T: Thank you, fam!!💕

12:33:59 From Stephanie Bergeron: "My ideal buyer is okay with typing an email in, and not using a form". Lol. Adding it to the list!

12:35:58 From Stephanie Bergeron: And for someone who occasionally writes like a robot already.... lol.

12:36:57 From L T: Yuppers

12:39:56 From L T: Lol

12:40:22 From Stephanie Bergeron: I can do it better! Let me prove it!

12:41:01 From Stephanie Bergeron: A/B test?

12:41:12 From L T: I feel like I kinda do that with gameplays where I'll meander around for a bit, which causes people to leave comments telling me what I did wrong lol. I feel kinda bad about it

12:41:46 From L T: Not authentic I guess yeah

12:41:55 From Kristen Girard: But wandering is part of the actual experience to check out the full range of the game.

12:42:01 From Stephanie Bergeron: ^THAT

12:42:15 From L T: True! 😊

12:42:55 From Stephanie Bergeron: Correct me if I'm mis-remembering, but didn't you say something about how much you loved others just wandering through Skyrim on

Youtube, not specifically doing anything? And that those people were your inspiration for your channel?

12:43:49 From Kristen Girard: Having the safe space container is part of lasting solution because we can hear it and integrate it better.

12:44:51 From L T: @Stephanie Partially, yes. But I think it's the difference between exploring and just kinda lingering around a spot a bit before "doing the thing" you came to do I think

12:45:55 From Kristen Girard: We feel honored that Keith said it's okay for us to know.

12:46:02 From Stephanie Bergeron: Absolutely.

12:46:04 From L T: Right! Yay!!

12:46:16 From Kristen Girard: And he is driving a land based space ship.

12:46:40 From Jaki S (They/She): the scream I scrumpt at that line bon

12:46:45 From L T: lol

12:46:51 From Kathi's iPhone (2): So cool 😎

12:48:08 From Stephanie Bergeron: What if the meandering is a sort of equivalent of "I know there's a delay, so I'm gonna wait a sec for your comments" that Bon often uses on webinars?

12:48:44 From Stephanie Bergeron: Maybe that's a more authentic way to purposefully wait...?

12:49:32 From L T: I like that! 😊

12:50:24 From Bonnie Gillespie (she|her): Google Trends

12:51:39 From Bonnie Gillespie (she|her): I love the LAYERING she's doing.

12:52:06 From Kristen Girard: The layering is amazing.

12:52:07 From Stephanie Bergeron: Clever. Play the role of your Ideal Buyer.

12:53:47 From Kristen Girard: Where on the googles do we find Google Trends?

12:55:03 From Stephanie Bergeron: And possibly use these terms in your web copy for SEO...

12:55:10 From Bonnie Gillespie (she|her): CORRECT

12:56:07 From Kristen Girard: Anyone remember what JFDI session we covered claim your Google listing?

12:56:24 From Stephanie Bergeron: Oooh... it was recent...

12:56:38 From Kristen Girard: Great!

12:57:35 From Stephanie Bergeron: Is there an Instagram equivalent for hashtags? Tangential, but related question.

12:58:06 From L T: Ooh...good question

12:58:57 From L T: YAAASSS! So many possibilities with that!

12:59:12 From Stephanie Bergeron: And 12 income streams!

12:59:28 From L T: RIGHT!! 💰

13:01:04 From Kristen Girard: I just heard yesterday that Instagram is now reading captions for search, so hashtags are still important but not the only way you can search now.

13:01:06 From L T: Monopoly busting! 😂😂 I love it

13:02:09 From Kristen Girard: Just a different type of monopoly.

13:04:45 From L T: Oh that's awesome

13:05:20 From L T: Thank y'all sooo much!! Thanks Bonnie!! 😊

13:05:30 From Kristen Girard: Thank you!

13:05:35 From Jaki S (They/She): byee
