

## JFDI with Bon Mastermind Live Zoom Chat 15 November 2022

11:34:06 from Stephanie Bergeron: Mine are maybe a little more contained, but... lol. I'm all about the old-school notes.

11:37:40 from Kristen Girard: Carlease we are laughing with you because it could so easily be all of us doing the exact same how do I do this thing!

11:37:51 from Stephanie Bergeron: Totally. ^

11:38:55 from Stephanie Bergeron: Especially in thumbnail size, yes. The cleaner font is better.

11:41:00 from Sarah McLean: and "Stage goddess" can stand out in a different color, same with "actors" over the white

11:42:21 from David Manship: ANd then POLISH in ongoing

11:42:22 from Stephanie Bergeron: To piggyback on Sarah's above: I think that color should be red. It'll make your logo pop a lot more.

11:43:21 from Stephanie Bergeron: Reverse vet. Yes.

11:43:37 from Dana Middleton: Yay, Carlease!!!

11:47:32 from Dana Middleton: s or c corp?

11:48:36 from Carlease Burke: Yes, Sarah & Stephanie....red...great idea. Thank you!

11:49:06 from Stephanie Bergeron: Yea! No problem, that was my second suggestion, Carlease. :) (And maybe make that glorious logo a teeny bit bigger somehow. :))

11:51:00 from Stephanie Bergeron: Paper trail ftw.

11:58:43 from Kathi Carey: That's why you have insurance

12:00:25 from Stephanie Bergeron: I don't know if this helps, but I know my Dance Teacher liability ultimately goes through a US company called K&K.

12:00:55 from Greg Freeman: I have never considered insurance. for my DJ student thing

12:09:18 from Greg Freeman: i didn't want you to think i was an IG creeper Stephanie

12:20:05 from Dana Middleton: Put me in the queue please, Bonnie

12:20:06 from Stephanie Bergeron: Nah, not at all, Greg. I know it's you and not a rando creeper. Lol.

12:20:14 from Bonnie Gillespie (she|her): You're up next, Danes.

12:28:59 from Kristen Girard: Didn't see your reminder emails

12:29:03 from Sarah McLean: front he dojo - never got the wmail

12:29:08 from Kathi Carey: No reminder email and the link didn't work

12:29:15 from Stephanie Bergeron: Actually, neither did I. But I saved the link...

12:35:15 from Kathi Carey: LOVE THIS!!  
12:36:31 from Kristen Girard: Preaching to the getting ready choir!  
12:36:42 from Kathi Carey: Here here  
12:40:58 from Stephanie Bergeron: My perfectionist gets this. Lol.  
12:43:53 from Stephanie Bergeron: It might actually improve your own website's ranking, too....  
12:43:54 from Sarah McLean: Definitely a though, but using it as a back up place like Amazon for books, etc. Have my own store for photography and then same stuff on Zazzle, etc.  
12:44:48 from Sarah McLean: ultimate goal is to have my own store I operate, but right now I'm getting more eyes with it being there than not  
12:45:15 from Sarah McLean: thank you, kristen!  
12:46:46 from Kathi Carey: You are SO not alone, Kristen  
12:51:07 from Greg Freeman: I've really dealt with that sort of thing too. i feel you.  
12:52:10 from Stephanie Bergeron: Here's a weird little thing that I found was really helpful last week when I felt super-alone and overwhelmed. I took a couple minutes and made a vision board of my favorite coaches/mentors/colleagues, all of their smiling faces looking back at me from my screen. It weirdly helped a LOT. I don't know if that's something that feels useful/helpful/doable, but I offer it in case it does. :)  
12:52:57 from Dana Middleton: Sending love, Kristen. xoxo  
12:54:21 from David Manship: Greg ... You got NEXT  
12:57:08 from Stephanie Bergeron: Do people have to respond to get the free guide?  
12:57:39 from Stephanie Bergeron: Or is it a link to go download, without necessarily having to interact?  
12:59:55 from Stephanie Bergeron: YES to that.  
13:00:25 from Stephanie Bergeron: Yeah, Sarah has it rigged too, I believe.  
13:00:30 from Sarah McLean: i think she talks about it in september's page

13:01:19 from Stephanie Bergeron: I'll make a note to circle back to you, Greg. It's not tough. Just a little convoluted if you don't have instructions. :)

13:01:44 from Stephanie Bergeron: I love how today's theme has been "CLICK IT!" Lol.

13:02:08 from Kristen Girard: Thank you all for all the love and understanding here. Can't express how grateful I am for everyone and this space.
