

JFDI with Bon Mastermind Live Zoom Chat 17 January 2023

11:33:10 From Stephanie Bergeron: I seem to have a glitchy camera... that's odd. Hm. Will have to look at that later...

11:33:25 From Stephanie Bergeron: I have not. MRx!

11:34:07 From constance Zaytoun (she.her): I saw that & thought of you!

11:35:33 From Dana Middleton: Been there!

11:36:08 From Kristen Girard: That's great Bonnie! It's so rough when working through something and it gets paused in the middle. Sometimes that much needed break through doesn't come. So glad you were able to be there for your client!

11:38:24 From David Manship: Being human with your clients (case by case basis) can be the beginning of a long and special friendship. Also cementing a life-long client relationship

11:39:26 From David Manship: So much of the rest of the world is unwilling to hold space for others. You are a hero.

11:40:26 From Stephanie Bergeron: The concept of knowledge hoarding pops for me in this convo, too.

11:40:31 From Kristen Girard: Yes Dave!

11:40:48 From Stephanie Bergeron: Tickle Me Elmo!

11:41:02 From Kristen Girard: Not talking about the bad and scary and what's real keeps so many of us in fear cages.

11:41:22 From Dana Middleton: It really does

11:41:46 From constance Zaytoun (she.her): rebel upholder!

11:42:19 From Stephanie Bergeron: My Venus shifts like that.

11:47:54 From Kristen Girard: Being truly present is one of the best gifts we can give each other.

11:49:07 From Stephanie Bergeron: I just wanted to get it "right". ;p

11:50:57 From Stephanie Bergeron: "When I was your age... "

11:53:53 From Stephanie Bergeron: How great, though. That you did the thing and now know you aren't lit up by it.

11:54:54 From Jaki S (she/her): omg that's adorable, gnudi are totally naked ravioli insides

11:55:04 From Jaki S (she/her): a gnudi photo lollll

11:55:32 From Stephanie Bergeron: Honey, I'm seeing your butterfly wings spreading.

11:56:29 From Stephanie Bergeron: SO TRUE THO.

11:57:03 From Jaki S (she/her): HOW DARE omg

11:58:26 From Kristen Girard: That was fantastic! Thank you!

11:58:33 From Stephanie Bergeron: Isn't it hilarious?

12:01:14 From Kristen Girard: Food is commentary.

12:02:30 From David Manship: Constance, But the Yin Yang of you. You are Lebanese And Southern. What part of you is responding? Lebanese or Southern? This is an approach you can offer as you SEARCH for community in arguably the most diverse city in the world.

12:04:27 From Stephanie Bergeron: I think that's where I need to go... I didn't pull out that far to "All The Things Steph". Cool, cool.

12:05:01 From constance Zaytoun (she.her): thank you, Steph, Dave & Jaki! y'all rock!

12:05:09 From Bonnie Gillespie (she|her): Mercury retrograde.

12:05:10 From Stephanie Bergeron: You rock, Connie!

12:06:00 From Bonnie Gillespie (she|her): Divine downloads.

12:06:28 From Kristen Girard: Yes Dana!!!! It does feel like everything we do is connected to the universe.

12:07:11 From constance Zaytoun (she.her): late bloomers unite!!

12:07:12 From David Manship: Dana "At any age" ... made me flash to the awesomeness of Jennifer Coolidge's recent comments at the awards shows.

12:07:32 From Stephanie Bergeron: Michelle Yeoh, too.

12:07:50 From constance Zaytoun (she.her): Kathi, there's someone in Dave's study! haha!

12:08:16 From David Manship: The theme for one of Kathi's completed screenplays is "It's never too late to do the thing you were meant to do in this life".

12:08:34 From constance Zaytoun (she.her): it's never too late to start!

12:08:34 From Kathi Carey: Yes, @Constance, we're in the hotel business center.

12:14:49 From Stephanie Bergeron: This reminds me of the "incentivizing click-thrus" convo... Can we go there for a sec? Curious to hear your thoughts.

12:16:42 From constance Zaytoun (she.her): and it's an app?

12:16:53 From Stephanie Bergeron: It's also browser-based, Con.

12:17:01 From Kathi Carey: Yes, @Constance, I just downloaded it

12:17:14 From constance Zaytoun (she.her): but I can do it desktop, too?

12:17:31 From Stephanie Bergeron: I believe so. When I tried it during my first GiG, I could.

12:19:36 From Dana Middleton: <https://www.airtable.com>

12:20:27 From constance Zaytoun (she.her): thank you!

12:24:11 From constance Zaytoun (she.her): that would make me nuts!

12:25:09 From Stephanie Bergeron: With you Connie, lol. I find if I start something, I'm fire-dominant... I need to burn through the whole thing. Otherwise the fire consumes me instead. Lol.

12:26:53 From David Manship: There is a responsibility that you have to be willing to accept when you Finish. If it is a thing that needs oxygen to survive, you have to be

willing to do constant CPR until it can thrive ... or I GUARANTEE IT WILL DIE and then you have regret and certain failure.

12:27:17 From Dana Middleton: yes please

12:27:19 From Kristen Girard: Next month. And quarter.

12:27:32 From constance Zaytoun (she.her): that's gonna take me a while, but I can champion y'all!

12:27:39 From constance Zaytoun (she.her): champion

12:27:45 From Stephanie Bergeron: I think I'd want to do a little self-inventory first, see what I've actually got and pick a nice-feeling number for it first. ;)

12:28:10 From Stephanie Bergeron: But I'm not opposed...

12:28:38 From David Manship: That's why we are here!!!!

12:28:42 From constance Zaytoun (she.her): in the shower

12:28:55 From David Manship: For me it on a road trip.

12:29:03 From constance Zaytoun (she.her): drivin'

12:29:09 From Kathi Carey: Same for me — on the road trip

12:29:14 From Stephanie Bergeron: Trying to fall asleep for me, usually. Lol.

12:29:19 From constance Zaytoun (she.her): good thing y'all are together

12:29:24 From Kathi Carey: It is

12:29:57 From constance Zaytoun (she.her): i'm gonna have to hop off in 1 minute. i'm loving this---trusting "when it's ready"

12:30:11 From Stephanie Bergeron: Pre-goodbye, Connie!

12:30:27 From Kathi Carey: We're gonna have to hop off, too. Gotta turn the rental car back in

12:30:33 From Stephanie Bergeron: This goes back to Dana's comment about divine collaboration.

12:30:49 From Stephanie Bergeron: See you later, Kathi & Dave!

12:30:49 From Kristen Girard: Can't wait to see what you do with all those shower insights Connie!

12:31:06 From constance Zaytoun (she.her): me, too! thank you, honey!

12:31:46 From Stephanie Bergeron: And Tik Tok food vids. ;)

12:32:24 From Kathi Carey: And it all seems to get ready at the same time

12:33:06 From Kristen Girard: So feel the same Sarah.

12:35:57 From Stephanie Bergeron: That's "The Dancer Speaks" for me. I can't really scale it because it's full custom VO. I've been twisting that around in my hands, so I'm glad you said this as a reminder.

12:36:03 From Dana Middleton: Finally getting to the 3, but it's taken a lot of time and alignment to be ready

12:45:33 From Stephanie Bergeron: My one caveat on that one is if the "I hate this" is trademarking/copywriting, maybe get someone else to do that for you. Lawyers can be a good thing. Just to offer that.

12:46:12 From Dana Middleton: What is Sarah's site? I need a great gift!

12:46:22 From Stephanie Bergeron: Getty Jiggy Crafts

12:46:43 From Stephanie Bergeron: Oh?

12:46:49 From Jaki S (she/her): is THAT what is happening

12:46:59 From Stephanie Bergeron: BOOO. Lol!!

12:47:08 From Kristen Girard: It has been weird.

12:47:17 From Stephanie Bergeron: Not mine. But I haven't done the update (as evidenced by this digital uh... glitter... that's happening)

12:47:27 From Dana Middleton: Change for the sake of change!!!

12:48:27 From Kristen Girard: We kind of need a member directory maybe on the JFDI home page or something.

12:49:24 From Stephanie Bergeron: On an AIRTABLE?! ;)

12:49:36 From Jaki S (she/her): Kristen that's a great idea

12:49:54 From Bonnie Gillespie (she | her):

<https://www.etsy.com/uk/shop/GettingJiggyPuzzles>

12:51:46 From Dana Middleton: somehow my computer has been locked after I tried to go to the link. I may have to jump off because it keeps giving me a audio warning

12:52:08 From Jaki S (she/her): im allowing myself to slowly gear up for the new year and I love the mission statement prompt bon. I will work on that and put it in comments in the next week or so.

12:52:17 From Kristen Girard: That's super weird Dana!

12:52:29 From Dana Middleton: sorry I got to deal with this. Love to you guys and see you next time. xoxo

12:52:50 From Kristen Girard: Slowly gearing up for the year here, too.

12:56:28 From Jaki S (she/her): yes thinking that I *missed* something is the biggest catch for me

12:59:15 From Kristen Girard: I can't stand the two paragraphs and click through stuff.

13:01:14 From Kristen Girard: The not click through may not actually be a problem.

They may read your stuff, and then click through when you have something for them to buy. Personally I actually do that a lot. I don't click through until there is something I want, even when I am reading and saving the emails.
