11:34:07 From Jaki S (They/She): I can probably get them for you if you want bon
11:34:11 From Stephanie Bergeron: You can always pop them in when you upload the replay, too.
11:34:37 From Kristen Girard: Will be in and out - repairs getting done on my apartment. Just wanted to be in this goodness for a minute before the repair guy comes back.
11:34:51 From Kristen Girard: Poor Mala! Glad he's feeling better!
11:35:26 From Jaki S (They/She): good boy!
11:35:44 From L T: AWWW Mala!
11:38:47 From David Manship: My totally embrace my feminine side
11:39:05 From Dana Middleton: <https://thealignedartist.thrivecart.com/30-days-to-a-high-vibe-you>
11:39:28 From Kathi Carey: I've googled The Astrologer's Daughter and you're still all over the place, Bonnie
11:40:27 From David Manship: So weird. I am using Google browser and it goes with and without /
11:42:22 From Stephanie Bergeron: Glitch in the calendar app, perhaps.
11:42:59 From Dana Middleton: That's what I did
11:43:24 From Dana Middleton: But then all my Bonnie is not located in one place
11:43:29 From L T: LOL
11:43:36 From Stephanie Bergeron: Always first to the word play, you know me, Bon. ;))
11:47:36 From Dana Middleton: I knew right away!!!
11:47:40 From Stephanie Bergeron: But who in this world only has one email anymore. Lol.
11:48:23 From David Manship: It's always the providers problem. I have actors who only want to get their content sent to a phone
11:48:48 From Kathi Carey: Dave is always the one who has to deal with the customers' tech problems
11:49:28 From L T: YAY KATHI!!!!
11:50:22 From L T: I LOVE the cover
11:51:07 From Dana Middleton: Congrats!!!

Bonnie Gillespie

11:56:45 From Kristen Girard: Are you moving back to LA Kathi and Dave?
11:56:47 From Stephanie Bergeron: I have a faith-based dance studio client that's doing a Christmas recital... I'm going to mention this to them in case they need some coloring pages to keep the kids busy backstage. (Note for myself, and so I'm accountable to actually writing you back. :))
11:58:09 From David Manship: Stephanie. Thank you so much. Let us know so we can be responsive.
11:58:16 From Stephanie Bergeron: Will do, Dave.
12:01:15 From Bonnie Gillespie (she | her): <https://milkshake.app>
12:02:12 From Bonnie Gillespie (she | her): <https://blog.bit.ai/link-in-bio-tools>
12:03:41 From Bonnie Gillespie (she | her): Like it.
12:04:35 From Stephanie Bergeron: I'm curious what the benefit is to using Milkshake or this, versus creating a page on your actual website in a similar layout. Any thoughts?
12:04:56 From Bonnie Gillespie (she | her): I'll answer. ^^^
12:06:14 From Jaki S (They/She): ooh, I use Linktree, which is on there. I find their free version very bare bones and fasttttt to change up
12:09:18 From Kristen Girard: Should we then simply have one link? I have a link to my website and a bio link.
12:10:32 From Kristen Girard: Been loving the on series Bonnie!
12:12:41 From Stephanie Bergeron: Convenience.
12:13:03 From Kathi Carey: I love it too
12:13:03 From Stephanie Bergeron: Brilliant. Thank you!
12:14:17 From L T: RIGHT!
12:16:53 From Stephanie Bergeron: I appreciate the overall color scheme feeling very magic hour-y. So yay for that.
12:17:07 From Dana Middleton: Looks great!
12:17:28 From Stephanie Bergeron: It's so welcoming and on-brand, very well-played.
12:18:40 From Stephanie Bergeron: Use those terms exactly for SEO. YES>
12:19:26 From Stephanie Bergeron: Speaker's Notes!
12:19:33 From Bonnie Gillespie (she | her): ^^^

12:30:21 From L T: yuuup
12:32:13 From Kristen Girard: I kind of miss phone books.
12:32:29 From David Manship: Canadian copyright law is different than US copyright law
12:33:22 From David Manship: Fair Use for education is the right pillar
12:33:32 From David Manship: But that is the US standard
12:33:49 From Kristen Girard: What if you had a public domain image - that moves out or in slowly while you do a 1-2 minute voice over.
12:33:57 From David Manship: You might use still Fromm the valet video
12:34:09 From David Manship: Ballet video
12:34:11 From Kristen Girard: Or even a video of your own feet dancing while you narrate.
12:35:33 From David Manship: For 30 seconds you would only need 10 stills from the video at 3 seconds per still
12:45:01 From L T: Congratulations!
12:45:36 From Kristen Girard: Giving you a hug Latrice!
12:46:00 From L T: Thanks so much!!
12:46:01 From David Manship: Stephanie it seems that your book is not only an easy entry point for their more advanced curriculum, it is actually the "pre-school" primer for those readying their little ones for participation in the coming year. I can't imagine that parents are getting their kids ready in advance.
12:46:36 From Stephanie Bergeron: True, Dave. And that's one of the ways I plan to market it. Thank you for this language!
12:46:55 From Jaki S (They/She): ooh that's so smart dave
12:49:46 From L T: yeah that's scary
12:50:10 From Stephanie Bergeron: It is. And legally here, you cannot use a PO box for your licenses or govt docs. So.
12:50:23 From Kristen Girard: I hate how prescriptions but all the things on the labels.
12:50:27 From L T: yeah, so unfair
12:51:08 From Dana Middleton: I remember that place!

12:51:55 From Stephanie Bergeron: No, don't be sorry at all. It's an important convo.
12:53:40 From Stephanie Bergeron: Give Big Mac and your cat pets from us!
12:54:31 From Jaki S (They/She): EW thank you
12:54:49 From Stephanie Bergeron: Adobe is terrible for that.
12:54:53 From Dana Middleton: Please put in dojo comments! Thanks!
12:54:55 From Stephanie Bergeron: Thanks for the heads-up!
12:56:27 From Stephanie Bergeron: It's basically plagiarism.
12:57:09 From David Manship: They mine your tags, your client list, your fans
everything
12:57:28 From David Manship: And your visitors
12:57:35 From Stephanie Bergeron: Think of it like a big monster that eats up aaaalllll
your content, digests it, then spits out something that's built from bits and pieces of
what it ate.
12:59:25 From Kathi Carey: Set in sand?
12:59:32 From Jaki S (They/She): I'm so inspired by this group and everyone's
