- 12:26:19 From Gladys Perez: That's nice! PIT on IG? I'm gonna look.
- 12:26:26 From Amanda Goble: I was thinking that comedy shows should just go online. How am I going to work on bits now?
- 12:26:40 From Sage Whitehurst: @sociallydistantimprov

- 12:29:31 From David H. Lawrence XVII: People in distress, at risk... in need of centering and calmness.
- 12:29:39 From Jaye Restivo: ok!
- 12:29:43 From Gladys Perez: people who think they're not meditators
- 12:29:51 From scOttsummitt: Singing itself is a wonderful form of meditation. :)
- 12:29:57 From rosannerubino: like, everyone
- 12:30:31 From Kerry Snyder: pets at home alone during day
- 12:30:43 From Alexandra H: People who suffer from high levels of anxiety
- 12:30:45 From Gladys Perez: There is dog music on Spotify
- 12:30:55 From Jaye Restivo: My mission:
keeping the world healthy through comedy!
- 12:31:01 From Victoria Prather: Alexa has an app "Calm My Dog" of meditation that I have play when I leave the house. :)
- 12:31:05 From Gladys Perez: Big market for it.
- 12:31:28 From David H. Lawrence XVII: And it feels like something you'd want people to engage with when they are NOT in distress, so that you're the first resource they think of when they ARE in need of your help
- 12:31:50 From Jaye Restivo: ♥
- 12:31:52 From Deva Jean-Philippe: I can listen to Thalma talking all day. Feels like a vacation.
- 12:32:01 From Hilary Walker to All panelists: that's a great point Dave
- 12:32:16 From Sage Whitehurst: Right? So soothing!
- 12:32:17 From Victoria Prather: +1 to David's go-to resource
- 12:32:24 From Elizabeth D'Onofrio: Giving advice to parents wanting to get their children into the business.
- 12:32:25 From Hilary Walker: oops! thanks!
- 12:33:04 From rosannerubino: should it be specific?
- 12:33:04 From Constance Zaytoun: Prather! love that you have a calm my dog app!
- 12:33:23 From Kerry Snyder: I would use it for some of my clients who I have doing body connection as well visualization for gait training and breaking through inner walls.
- 12:33:50 From Gladys Perez: I love that Calm my Dog but my dog didn't love it. LOL - she likes Bob Marley, Joni Mitchell, Dar Williams, Carole King, and so on.... soft rock/folk.
- 12:33:54 From Victoria Prather: You know it, Connie... I have a pup that used to take prozac, now on CBD and homeopathic care. I NEED to be able to work from home. Because: DOGS. lol
- 12:33:55 From Gladys Perez: Reggae...
- 12:34:16 From Gladys Perez: My dog is on Prozac! What kind of CBD? How much do you give?
- 12:34:21 From Victoria Prather: LOL Gladys! Your pup has taste!
- 12:34:26 From David H. Lawrence XVII: Imagine your perfect client, their needs, their goal - that's your avatar, your awesome tribe member/brother/sister

- 12:34:40 From kathi carey: Yes — a lot of actors don't want to do all that work or research. LOL!
- 12:34:41 From Alex Ryan: Love that
- 12:34:45 From Gladys Perez: She does, she's very refined! LOLLOL
- 12:34:53 From Sage Whitehurst: David, that's a great way of thinking about it
- 12:35:16 From Victoria Prather: David - I was also thinking about the avatar. I learned that terminology somewhere? ;)
- 12:35:17 From Jaye Restivo: Hmm...Maybe keeping the world healthy through comedy is too broad. Perhaps change it to those wish to stay healthy...
- 12:35:40 From David H. Lawrence XVII: Bonnie does an amazing job of keeping her avatar clear and present when thinking about what she does. But y'all know that because you're benefiting from that every day
- 12:35:49 From Amanda Goble: Sage - some ideas
- 12:36:00 From NaLonni Madden: 3. What is the best way for me to deliver the goods?
- 12:36:23 From David H. Lawrence XVII: An app?
- 12:36:32 From Amanda Goble: oops, hit send to fast. Sage, some ideas. There are organizations that use comedy to help older people with dementia and other similar things. Some people use comedy to help people in the hospital...
- 12:36:37 From Alex Ryan: That's what I was thinking
- 12:36:52 From Sage Whitehurst: Amanda, good points!
- 12:36:53 From Victoria Prather: I feel like this is a dissertation outline... you have to get more and more specific with your content.
- 12:36:55 From Gladys Perez: My friend does one of those - Laughter on Call, I think?
- 12:36:58 From Gladys Perez: In LA
- 12:36:59 From Amanda Goble: yes!
- 12:37:05 From Amanda Goble: Laughter on call is one example
- 12:37:09 From Elizabeth D'Onofrio: Internet instruction
- 12:37:11 From Sage Whitehurst: We've reached out to a nonprofit in the past, thanks for reminding me!
- 12:37:18 From Yolanda Porter: "I became an actor so I didn't have to do any of this" I'm sorry but that made me laugh so hard. sadly, I'm sure there are lots of people that think that way.
- 12:37:31 From Sage Whitehurst: We're in NY, but curious about Laughter on Call
- 12:37:39 From David H. Lawrence XVII: Make a few of your meditations free and the rest for subscribers - so people who aren't subscribers can taste what you do
- 12:37:40 From Amanda Goble: (I hate to say this but I'm a website designer, and can help anyone who needs to get their idea out.)
- 12:37:47 From Victoria Prather: @Gladys - send me a note on FB and I'll share details. :)
- 12:37:54 From Sage Whitehurst: oh HELLO Amanda :)
- 12:37:58 From Amanda Goble: Laughter on Call hires people who are all over, Sage. I can connect you to them.
- 12:38:09 From Jaye Restivo: hello, Amanda!!!
- 12:38:10 From Khalid Rivera: Victoria I agree!

- 12:38:11 From Amanda Goble: (I've emailed with them.)
- 12:38:14 From Bradley Williams: thank you for saying amanda!
- 12:38:31 From Sage Whitehurst: That would be great, thanks!! Looking at any virtual options though - but please!
- 12:38:32 From Deva Jean-Philippe: iTunes, iTunes Podcast, Website, I can connect you to my friend Rigan Machado (World Champion Brazilian jiu-jitsu) he's amazing and well connected
- 12:38:53 From Amanda Goble: If anyone wants laughter on call's email, please let me know. (You can contact me on IG @amandajgoble)
- 12:39:07 From Amanda Goble: (But I think it's also on their website, or there is a form.)
- 12:39:12 From Sean Frost to All panelists: dig that policy—no suits in the writer's room.
- 12:39:27 From Bradley Williams: thank you Amanda
- 12:39:29 From Sage Whitehurst: That's great, reaching out now :)
- 12:39:31 From Hilary Walker: I like that idea, David— offering free samples and then more with subscription
- 12:40:12 From Yolanda Porter: Gladys, my veterinarian sells cbd treats, the brand is honest paws and they are fantastic.
- 12:40:13 From Jaye Restivo: Send the suits for coffee.
- 12:40:30 From Amanda Goble: Sage, I also have some ideas for combining comedy and tech - if you ever want to chat about it.
- 12:40:42 From Deborah Unger: Has anyone used Fiverr? Have you acquired clients past the first contact?
- 12:40:51 From Amanda Goble: I've used Fiverr.
- 12:40:52 From Victoria Prather: DEB - NO NO FIVERR
- 12:40:57 From Gladys Perez: Oh cool! I'm gonna reach out to Victoria and Yolanda re: CBD for Betty.
- 12:40:57 From Sage Whitehurst: Awesome! just messaged so I don't forget
- 12:41:07 From Amanda Goble: (It was frustrating, for the most part.)
- 12:41:17 From David H. Lawrence XVII: And offer ways to use your meditations in your communications with your tribe and potential members. Showing them the benefits and how to use your meditations in a world class way will help them decide to be a subscriber
- 12:41:44 From Victoria Prather: Fiverr isn't helpful for creatives in the end, and hurts professional work.
- 12:41:46 From Gladys Perez: Wait, all I see if YOL... can you message me on the dojo?
- 12:42:11 From Deborah Unger: Gladys and Victoria, I think getting more knowledge about using CDB oils for pain, etc would be a bomb diggity of an idea. I would love to know more about it myself, but don't want to stand in Westerly with someone pitching me to buy their products NOW>
- 12:42:13 From Jaye Restivo: LOVE the woo woo.
- 12:42:17 From Amanda Goble: Agreed about Fiverr. It's a race to the bottom.
- 12:42:25 From Natalie Scott: i'd love to brainstorm further with people, or meet up with people in LA once it's safe to do so(: find me on insta @natscottsings
- 12:42:33 From Gladys Perez: Yeah, agreed, Deborah.

- 12:42:39 From David H. Lawrence XVII: I love how Bonnie's opening the kimono
- 12:42:48 From Yolanda Porter: Gladys, I think I can do that.
- 12:42:58 From Gladys Perez: Consistency, yea!
- 12:43:02 From David H. Lawrence XVII: Why wait, Natalie? Meet via Zoom or FB Live
- 12:43:02 From Gladys Perez: Thanks!!
- 12:43:14 From NaLonni Madden: so for someone whose never created anything but have lots of ideas, what do you suggest?
- 12:43:24 From Gladys Perez: Yeah, that's right!
- 12:43:29 From Aaron Wilson: So true! 100%
- 12:43:31 From Natalie Scott: i'd love to, david!
- 12:43:32 From Gladys Perez: I always forget that, Bonnie.
- 12:43:33 From Hilary Walker: that's so true!!! people are so easily fans
- 12:43:40 From Alex Ryan: agreed!
- 12:43:47 From Finley Smith: I get that with Voice Over all the time
- 12:43:53 From Hilary Walker: even when I'm not impressed by my own life
- 12:43:59 From Alex Ryan: I do too re VO
- 12:44:09 From scOttsummitt: Start with Step 1, NaLonni. What do you LOVE to do? Identify those & perhaps one or more will suggest something you could commodify.
- 12:44:10 From Jorjeana Marie: Laughter on Call - sounds like something I did for Comedy Cures. Intriguing.
- 12:44:44 From David H. Lawrence XVII: I was going to say 5 or 10 to start - but three would be enough to get started and proof of concept
- 12:45:06 From NaLonni Madden: Ok, Scott, thank you love!
- 12:45:08 From Deborah Unger: Lost track - what is step 4?
- 12:45:22 From Gladys Perez: What a good question. Years ago when I did LOA free weekly calls, I got a bunch of people at first but then it dwindled and I ended up not making \$\$ and giving up. Le sigh...
- 12:45:30 From Ari Rossen to All panelists: hey y'all - I was having WiFi issues and just got reconnected. is this being recorded or is there some way to grab info I had missed?
- 12:45:34 From Victoria Prather: I don't have a step 4 written yet...
- 12:45:34 From Alex Ryan: I lost track too!
- 12:45:37 From Alex Ryan: ok
- 12:45:38 From Sean Frost to All panelists: she has not mentioned 4, I think.
- 12:45:41 From Gladys Perez: I don't think we're on step 4
- 12:45:46 From Alex Ryan: HAHAHA
- 12:45:49 From Yolanda Porter: does zoom allow to split screens to see different people at the same time? like an improv jam
- 12:46:01 From scOttsummitt: YW, NaLonni! ;) scOtt
- 12:46:02 From David H. Lawrence XVII: Yes, Yolanda, it does
- 12:46:16 From David H. Lawrence XVII: This version of a Zoom meeting doesn't, but the other version does
- 12:46:24 From Jorjeana Marie: Wooooot!
- 12:46:52 From Gladys Perez: Oh Bonnie, awesome!

- 12:46:53 From Deva Jean-Philippe: And maybe you could also include in your membership a monthly live with you singing a song for one of your subscriber or something like that.
- 12:47:01 From Jorjeana Marie: 9! Great number
- 12:47:05 From Aaron Wilson: Oh I love that!
- 12:47:16 From Gladys Perez: Yeah, great idea, Deva-Jean!
- 12:47:36 From Ari Rossen: Is there anyone who can tell me what I missed? I lost connection earlier and feel like I missed a bunch of important info.
- 12:47:50 From Gladys Perez: This is being recorded.
- 12:47:56 From Amy Rauch: Hey Ari- don't worry, there is going to be a replay :)
- 12:48:01 From Ari Rossen to All panelists: thanks!!
- 12:48:21 From David H. Lawrence XVII: When you have so many URLs you start organizing them in folders in your browser... you might be a digital hoarder
- 12:48:27 From Gladys Perez: LOLOL Bonnie!
- 12:48:34 From Alex Ryan: #themoreyouknow
- 12:48:55 From Jorjeana Marie: create, then edit!
- 12:48:57 From Gladys Perez: #dontkillcreative
- 12:49:23 From Yolanda Porter: awesome! thank you David!
- 12:49:38 From scOttsummitt: Love the hashtag, Gladys! #dontkillcreative :) scOtt
- 12:49:41 From Hilary Walker: OMG THIS!!!
- 12:49:53 From Deanna Anthony to All panelists: totally!
- 12:50:02 From rosannerubino: Oh, how do I work on that mindset??
- 12:50:23 From Stephanie Chloé Hepner: Bonnie- how do you work on it every day? I've read Jen Sincero and love her!
- 12:50:35 From kathi carey: Exactly — how do you work on that money mindset every day?
- 12:50:47 From Sean Frost: a creative not wanting to talk about money reminds me of a carpenter not wanting to talk about hammers. money is a tool.
- 12:50:57 From David H. Lawrence XVII: Such a deep space to work and thrive in (money mindset)
- 12:51:02 From Alex Ryan:
- 12:51:03 From Amy Rauch to Stephanie Chloé Hepner, All Panelists: Hi Stephanie- please put your question in the Q & A box so Bonnie is sure to see it :)
- 12:51:12 From Elizabeth D'Onofrio: Tell me about it. I do acting workshops and classes for such a low price and then casting directors get 100's of dollars because the actor feels they can get someone where by taking their class instead of just wanting to learn a technique.
- 12:51:22 From Gladys Perez: I have money mindset sayings from Get Rich Lucky Bitch all over my house, pasted on the walls.
- 12:51:23 From Jaye Restivo: sean frost!!!
- 12:51:37 From Ari Rossen: 100% agreed on the money mindset
- 12:52:11 From NaLonni Madden: WOW!!
- 12:52:22 From Gladys Perez: OMG
- 12:52:25 From NaLonni Madden: I need to do money mindset work!
- 12:52:27 From David H. Lawrence XVII: It can be a challenge to keep price separate from value

- 12:52:56 From Amy Rauch to kathi carey, All Panelists: Hi Kathi! Please put your question in the Q&A box so Bonnie is sure to see it :)
- 12:53:03 From Hilary Walker: true— what do YOU value this work?
- 12:53:05 From Alex Ryan: Indeed David
- 12:53:12 From NaLonni Madden: per month?
- 12:53:16 From Alex Ryan: yeah per month
- 12:53:23 From Stephanie Chloé Hepner: Bonnie- how do you work on it every day? I've read Jen Sincero and love her!
- 12:53:43 From Alex Ryan: Steph I might put that in the Q&A ☺
- 12:54:10 From Stephanie Chloé Hepner: ty Alex!
- 12:54:12 From David H. Lawrence XVII: Would most people here value Thalma's work higher than 6-18 per month?
- 12:54:19 From Alex Ryan: ♥
- 12:54:19 From Gladys Perez: That's way undervalued!
- 12:54:26 From Victoria Prather: VERY undervalued, Thalma
- 12:54:27 From Constance Zaytoun: \$6/month for 1 med/week?
- 12:54:28 From Gladys Perez: that's 1.50 per song!
- 12:54:33 From NaLonni Madden: YES WAY UNDERVALUED!
- 12:54:37 From Elizabeth D'Onofrio: Yes, way undervalued
- 12:54:39 From Victoria Prather: Don't play SMALL
- 12:54:42 From Alex Ryan: Agreed
- 12:54:47 From Jaye Restivo: agreed. undervalued.
- 12:54:49 From David H. Lawrence XVII: Thalma, you're getting feedback in real time
- 12:54:51 From Hilary Walker: I would DEFINITELY UP THE PRICE
- 12:55:02 From Amanda Goble: I love that
- 12:55:03 From Alexandra H: I would say 30 or over per month
- 12:55:09 From scOttsummitt: \$29.95 a month, at least
- 12:55:16 From Amanda Goble: (The inaugural pricing is a great idea)
- 12:55:20 From Bradley Williams: yes, t
- 12:55:25 From NaLonni Madden: yes Bonnie just like your program
- 12:55:27 From scOttsummitt: Yes, inaugural pricing!
- 12:55:37 From Stephanie Chloé Hepner: Bonnies a biz genius
- 12:55:40 From Sean Frost: sounds like gigfnt.
- 12:55:41 From Gladys Perez: Genius!
- 12:55:57 From Bradley Williams: yes to inaugural pricing, you get a community aspect in her example.
- 12:55:59 From Alex Ryan: Yup
- 12:55:59 From Rhianna Basore: Here, here, Stephanie! A true genius<3
- 12:56:09 From David H. Lawrence XVII: Are you saying inaugural price payers are grandfathered in forever? Hmmmmm... .
- 12:56:19 From Gladys Perez: Yes, that's what Bonnie does.
- 12:56:21 From Victoria Prather: Yep, I got these notes for my coaching with Bon yesterday and "Inaugural pricing" is my NEW model to use for my biz!

- 12:56:42 From David H. Lawrence XVII: Ah. I like that rather than grandfathered
- 12:57:52 From Gladys Perez: Inaugural IS grandfathered, David.
- 12:58:19 From David H. Lawrence XVII: Got it
- 12:58:26 From Rhianna Basore: hahaha!
- 12:58:32 From Alex Ryan: ALWAYS
- 12:58:37 From Amy Rauch: I always need more ice cream ;)
- 12:58:41 From Jaye Restivo: ice cream!
- 12:58:45 From Alex Ryan: Yup
- 12:58:45 From Hilary Walker:
- 12:58:46 From Amanda Goble: I have no ice cream here, so yes
- 12:58:54 From Alex Ryan: My ice cream is too healthy to eat
- 12:58:58 From Anamaria Maier: I'm eating pomegranate
- 12:59:02 From NaLonni Madden: thriftys ice cream
- 12:59:11 From NaLonni Madden: 3. What's the best way to deliver your goods
- 12:59:20 From NaLonni Madden: 4. How to price your offering
- 12:59:28 From Alex Ryan: I had a clementine and now hate myself
- 12:59:36 From Alex Ryan: (sorry that was sarcastic)
- 12:59:45 From Anamaria Maier: why alex?
- 12:59:55 From Anamaria Maier:
- 12:59:55 From Gladys Perez: LOL Alex...
- 13:00:08 From Blaine Saunders: thank you NaLonni
- 13:00:08 From NaLonni Madden: 5 is let's launch or marketing?
- 13:00:15 From Jorjeana Marie: Jessica Snow has a similar model and she's amazing, btw - membership for her meditation. Yearly cost
- 13:00:20 From Gladys Perez: they're artists.
- 13:00:25 From Alex Ryan: Thank you for laughing Gladys! I said "hate" and then felt bad cuz I was on a Bon call ha!
- 13:00:32 From scOttsummitt: NaLonni - 5. How do we market this amazing offering?
- 13:00:35 From NaLonni Madden: thank you!
- 13:00:39 From NaLonni Madden: ScOtt
- 13:00:43 From Elizabeth D'Onofrio: Gyms? Fitness classes?
- 13:00:46 From NaLonni Madden: ScOOOOOOOtttt! ty
- 13:00:51 From Gladys Perez: Gotta work on that self talk! :)
- 13:01:08 From Jaye Restivo: Baskin Robbins????
- 13:01:13 From Alex Ryan: Hee hee! Tricky when you're a sarcastic human (I actually really love myself RN)
- 13:01:15 From Gladys Perez: FOMO sucks
- 13:01:25 From Tony Adelman to All panelists: Shoot, I have to leave. Thank you, Bonnie! And be well everybody!
- 13:01:29 From NaLonni Madden: THRIFTYS ICE CREAM. or RITE AID as they are now known
- 13:01:32 From Amanda Goble: That FOMO feeling wouldn't mix well at all with meditation

- 13:01:56 From Amanda Goble: (Not in love with that marketing strategy ever, but jeez that'd be strange with meditation.)
- 13:02:00 From NaLonni Madden: Bonnie, this is making my brain fire off in all kinds of directions....no joke. So many ideas
- 13:02:02 From Gladys Perez: I'm sarcastic, too. I work on it, though, bc I can get snarky at times... cuz I'm SOOOO funny!
- 13:02:09 From Alex Ryan: ☺
- 13:02:24 From Hilary Walker: there are folks in many high profile and non artists jobs that need healthy ways to decompress; to be able to take time for themselves. A short break to ground themselves
- 13:02:36 From NaLonni Madden: yep Hilary!
- 13:02:36 From Kerry Snyder: not everyone is going to know of you at the same time either.
- 13:02:43 From Stephanie Chloé Hepner to All panelists: yes! when my insight timer app pushes me to pay before the offer ends, it just makes me want to use another app that doesn't push
- 13:02:49 From Gladys Perez: I have always had trouble with #5...
- 13:02:50 From Hilary Walker: true Kerry!
- 13:03:00 From Jaye Restivo: we need a FOMO ice cream flavor.
- 13:03:18 From Gladys Perez: I've done so many things on the side but nothing's ever stuck... and I get stuck in my day job.
- 13:03:19 From Elizabeth D'Onofrio: Thank You for your freebies! I am a repeat attendee. I did buy your audio book though.
- 13:03:24 From NaLonni Madden: YES JAYE!
- 13:03:31 From Ari Rossen: I'm a classically-trained pianist with an eclectic musical background and tons of professional experience. Wondering if there's a way for me to provide services from those skills?
- 13:03:32 From Alexandra H: Thank you for the email newsletters Bonnie! Nuggets of wisdom
- 13:03:42 From Gladys Perez: golden handcuffs people
- 13:03:58 From David H. Lawrence XVII: Don't let that CEO/professional suggestion fly by - they need you as much as artists do
- 13:04:04 From Amanda Goble: Ari (I'm not seeing the rest of your name), but can you teach?
- 13:04:06 From Elizabeth D'Onofrio: Don't forget the Yoga part
- 13:04:07 From Gladys Perez: Hi Ari! We met at ITVFest in 2018!
- 13:04:14 From scOttsummitt: Re #5, Gladys - ask yourself what you'd pay for (or what you've paid for) a creative resource & use that price as a possible way to price yours. :) scOtt
- 13:04:14 From Hilary Walker: yes David!
- 13:04:19 From Natalie Scott: ari, i think it would be fun to create a jam session for lots of creatives to ge together
- 13:04:27 From Gladys Perez: 12 steps programs
- 13:04:28 From Priyanka Krishnan: Other Places: Meditation classes, Nap pods in major cities (eg: Nap York), market to Special educators, create a meetup around your meditations

- 13:04:34 From Amanda Goble: Or mentor other, less, experienced musicians?
- 13:04:39 From Natalie Scott: also singers are always looking for pianists
- 13:04:42 From Gladys Perez: Thanks, Scott.
- 13:04:44 From Ari Rossen: I can and do teach! one of my ongoing gigs has committed to paying us while we're virtual.
- 13:04:51 From Amanda Goble: That's amazing
- 13:04:54 From scOttsummitt: YW, Gladys :) scOtt
- 13:05:03 From David H. Lawrence XVII: Middle managers are really stressed - and they might have corporate training money available to spend as part of their benefits
- 13:05:15 From Ari Rossen: yesss, I've coached tons of people on Broadway, auditions etc classes, workshops, all ages.
- 13:05:15 From Amanda Goble: (One of the things I do is teach aerial, movement, and movement with text. I'm looking into teaching online now.)
- 13:05:22 From Alex Ryan: OMG agreed w that Bon!
- 13:05:25 From kathi carey: Not just singers are looking for pianists — I, too, am a classically-trained pianist and I accompany a lot of other musicians (violinists, cellists, etc.)
- 13:05:41 From Gladys Perez: Goldie Hawn has a neuroscience-based meditation organization for school kids. Called Mind Up, I think.
- 13:05:42 From Amanda Goble: (I can't teach aerial online but I can teach conditioning, and movement with text, presentation, etc. Could music be taught online?)
- 13:05:49 From Elizabeth D'Onofrio: Don't forget to get on different search engines by putting in taglines
- 13:05:51 From Gladys Perez: Sooo... . school kids!
- 13:05:52 From Natalie Scott: some yoga and dance classes use pianists as well to have that live music to work with
- 13:06:07 From Hilary Walker: agreed. ARTISTS already deal with so much everyday we are often better equipped to handle "crisis mode"
- 13:06:10 From Ari Rossen: trained at Northwestern and have worked with companies like Atlantic Theatre Co, NYU, CAp21, Williams-Sonoma, Burberry, The Pierre Hotel
- 13:06:31 From scOttsummitt: We creatives are programmed differently from the rest. We feel & process soooo many energies & emotions through our work.
- 13:06:44 From Alexandra H: Yes Gladys! I know in London some people trained to teach meditation for kids
- 13:06:46 From Gladys Perez: This chat is everything. Can we get it along with the replay?
- 13:06:59 From Amanda Goble: I want to talk to all of you later.
- 13:07:02 From kathi carey: Bonnie usually saves the chat, too
- 13:07:04 From Gladys Perez: Me too!
