

Pancakers' Playhouse Q&A Live Zoom Chat 15 June 2021

- 11:34:24 From Dana Middleton: Hot!!!
- 11:35:19 From Lenka Silhanova: Stick tin foil on the windows :D
- 11:39:24 From Emily Kindred: you opened the curiosity door
- 11:39:32 From Bonnie Gillespie (she|her): Well said, Emily.
- 11:45:54 From Rhianna Basore: It goes in your download folder FYI
- 11:48:43 From Dana Middleton: Thank you again, Dave!
- 11:50:26 From David Manship: Rhianna, Yes, The final file does live in your download folder. But a background file, a temp file, is also generating when you record. At the end of the record you then "output the file" so you are actually using twice as much storage when you record a zoom until the conversion is finished.
- 11:50:58 From Dana Middleton: Okay, good to know. Thanks!
- 11:51:00 From Rhianna Basore: Very good to know, thanks @Dave!
