12:55:56 From Lenka Silhanova: @Vanessa Where are these companies active the most? My guess would be Facebook mainly, perhaps Instagram. But I'd also check whether they are active on LinkedIn (though Arts is the least represented on this platform) and try to connect with their Operations Manager or anyone in a position to appreciate your advice. :) On LinkedIn, people are very open to connecting with new people and are even open to taking a look at helpful content.

12:56:40 From kathi carey: great pricing!! listen to this Dave!!

12:57:39 From Vanessa McMahan Franzén: Emily, I'm hardly on twitter but willing to learn how to make that more active with my offer. Thank you:)

12:58:42 From Emily Kindred: @Vanessa it's a great opportunity to network and connect "one-on-one" but also it's public so others can see the value you bring

13:00:28 From Kristen Girard: @Remy This statement has helped me a lot: "This is not happening to me. It is happening for me. This is to help me align with myself and what I am here to do." Plus "It's my time and I am ready for the next step." (Denise Duffield Thomas)

13:00:33 From Vanessa McMahan Franzén: @Lenka awesome - thank you for this! I had not considered Linkedin but absolutely that would be another avenue to connect with buyers.

13:01:16 From Remy OBrien: thanks Kristen
