[May 28, 9:35 AM] TBG_Erin: It's so interesting to me how low enoughness manifests itself... the person you're thinking of when you don't want to be "skeevy" as a networker ALSO has low enoughness, it just comes across as "me me me" instead of "don't look at me".

[May 28, 9:35 AM] Bonnie G: NO = not now. As people age out of a category, there are new oppportunities for being repped!

[May 28, 9:37 AM] Bonnie G: Emily, the skeevy overpromoters don't even KNOW there's a line to cross. ;) So just by knowing you don't want to cross that line, you're good.

[May 28, 9:37 AM] Laura B.: Yeah, if we think we're selling something that isn't worth buying, we have bigger problems. We ar worth the pitch!
