- [May 23, 2:31 PM] BrianneDavis: Hi Deb

- [May 23, 2:32 PM] PatriciaBecker-Spellman: Some of our best creative ideas come during our "down" time...
- [May 23, 2:32 PM] BethGilvie: YES!

[May 23, 2:32 PM] Bonnie G: Good hubby, Amelia.
[May 23, 2:32 PM] BrianneDavis: you need rest time.. self care.. all of it..

[May 23, 2:33 PM] KaitlinLarge: Power couple! Love to see how you balance each other and keep each other focused
[May 23, 2:33 PM] LisaRobinson: You two invest in each other as well as yourself.
[May 23, 2:33 PM] Bonnie G: Isn't that great to see, Kaitlin?
[May 23, 2:33 PM] Leah Cevoli: I love my \$30 North Hollywood massages!

[May 23, 2:33 PM] BrianneDavis: awe thanks guys!
[May 23, 2:33 PM] BethGilvie: Have you ever hit burnout? And if so, how did you get out of it? I'm in recovery mode, but it's been tough to try and motivate myself to be disciplined about anything.
[May 23, 2:33 PM] BethGilvie: I've been burnt out for at least a year now.
[May 23, 2:34 PM] BethGilvie: Like you love what you do, but you don't give time for a life outside of it, and then....splat.
[May 23, 2:34 PM] DebSnyder: Get to vs Have to!!! so good!!!!
[May 23, 2:35 PM] TBG_Amy: Oh yes- you get to do this, not entitled to do it or have to do it. So good.
[May 23, 2:35 PM] BethGilvie: That "get to" ties right in with the gratitude, too <3
[May 23, 2:35 PM] BrianneDavis: Maybe look at what you are doing. see what you loved about what you are creating? See where you can stretch yourself. Think outside of the box. or what scares you? Maybe a shift in perspective will help yup get out of the burnout feeling...
[May 23, 2:35 PM] Bonnie G: Great advice, Brianne.
[May 23, 2:35 PM] LisaRobinson: Authenticity and integrity are your best assets.
[May 23, 2:35 PM] TanyaPerez: More snaps

[May 23, 2:35 PM] KathleenParker: yes that's why we want to do this work to GIVE BACK!
[May 23, 2:36 PM] Bonnie G: I'd add to Brianne's, when that perspective shifts BACK to burnout, just know it's had a lot of momentum and you're building a muscle for the lighter POV.
[May 23, 2:36 PM] KaitlinLarge: This service theme!! So present already in all our sessions. It's really resonating :)
[May 23, 2:36 PM] Bonnie G: Isn't it, Kaitlin?
[May 23, 2:36 PM] Leah Cevoli: ooooofff
[May 23, 2:36 PM] KaitlinLarge: YES!!
[May 23, 2:36 PM] Stephanie Bergeron: Ooh Beth, good question. I feel you... there's a lot of "follow the joy" in these chats so far too that may ease that slowly.
[May 23, 2:36 PM] OliviaSchaperjohn: Happiness vs suffering!
[May 23, 2:36 PM] KathleenParker: Not for selfishness...yes we can fall into this...but to connect to the WHY we are doing this...

[May 23, 2:36 PM] MarkGantt: I look back at the "WHY" I am doing this. What is my ultimate vision for my life. Sometime I need to just step away for a month and not DO anything and instead, just BE. This is a marathon. So I can look back to my vision for my life that includes career and life and fun and joy and get energized again. And look to do something, anything different towards achieving my goals.

[May 23, 2:37 PM] JayeRestivo: centeredness. self-care. What can I give//

[May 23, 2:37 PM] JayeRestivo: MarkGantt - yes! TY!

[May 23, 2:39 PM] Bonnie G: Hang in there, Beth. Knowing there's a better possibility is sometimes enough.

[May 23, 2:40 PM] Leah Cevoli: It's definitely a muscle to build, Once you've seen your way out of burnout (a few times), you get much better at recognizing it - and bringing yourself back to center and joy.

- [May 23, 2:42 PM] LenkaSilhanova: Amazing! So many mindset lessons - all of them! The failing in what you love doing resonated A LOT!

[May 23, 2:53 PM] DayeanneHutton: Just looking for more info on what the session actually entails, I'm unclear haha
[May 23, 2:53 PM] MarkGantt: markgantt@gmail.com
[May 23, 2:53 PM] MarkGantt: Dayeanne email me and I'll shoot you over some details.
[May 23, 2:53 PM] DayeanneHutton: or is it just specific and streamlined to each person. Okay, will do Mark! thanks!
[May 23, 2:55 PM] MarkGantt: It's both. I've created a pretty straightforward system to get you set up to win and specific actions to take towards achieving your goals. Depending on where you are in your journey, we can get as specific and into the nitty gritty of your needs.
[May 23, 2:55 PM] DayeanneHutton: Wonderful - thank you!
[May 23, 2:56 PM] Alex Ryan: So excited to watch the replay! Feel like this is right up my alley (bummed to have missed it live)
[May 23, 2:56 PM] ShawnBrow: Bonnie you asked "how to stay present"...your breath is always available for you to arrive back to.
[May 23, 2:58 PM] SeanFrost: Hi Keith. This may be related to what y'all were just talking about: I remember your admonishment from some time ago to not NEED validation. It's come up again and again in conversation, that word "validation", most recently in an acting class. Thanks for laying the groundwork.
[May 23, 3:02 PM] MarkGantt: Yes, Sean. Validation is a nasty word! I battle with it every day. Doing my best to focus on what I've accomplished, the joy it brings me and staying out of what people think... Even about this video and chat! LOL
[May 23, 3:06 PM] KathleenParker: Hi Bonnie, I wanted to know more about the session with Mark, as the link takes me straight to the PayPal...is there a website more about what this includes and what he does? Thanks so much!
[May 23, 3:08 PM] MarkGantt: Hey Kathleen - please shoot me over an email at markgantt@gmail.com and I'll give you more information! Thanks
[May 23, 4:06 PM] AmeliaRico: Your team is ah-mazing Bon!

[May 23, 4:17 PM] InetraBrazil: Love Miata!!! Thanks for saving us actors from ourselves with our limited money mindsets into that of abundance and growth!!

[May 26, 12:02 PM] JustineFlores: I love how Brianne talks about how the “No’s” just don’t sting as much or matter when you wholeheartedly believe in something! That is genuinely motivating. Going for something you really believe in makes it count all the more! That’s excellent.

[May 26, 12:05 PM] JustineFlores: Right on, Mark, about putting energy into something because it excites and pleases and engages you, rather than doing it to please others. I believe the audience feeds off of that because it’s genuine. What’s genuinely fulfilling to us will emanate into the work and so forth!

[May 26, 12:06 PM] JustineFlores: I love when Bonnie reminds us that our Enoughness needs to be part of our resting state. Yes!! Rock on

[May 26, 12:08 PM] JustineFlores: Love what Brianne says on her lesson of being able to fulfill yourself rather than relying on the industry to do it, because you’re the only one who can do that for yourself!!
